Mr. Stevens late of the Moncton Times and now publishing the Leader, appears to have lost his love for the Government concurrently with his loss of Governmen printing, as a despatch to the St. John Record says :-

Mr. H. Stevens is running the Leader as a campaign sheet against Mr. Powell The issue published this evening denounces Powell as a thief and an embezzier. That was too bad, especially as Messrs Powell and Stevens are co-religionists. The Record also said :-

The Plain Dealer is being published as daily against Powell. It is an exciting sheet, printed partly in the French language. The Plain Dealer is a terror in English. What, must it have been in French? And,
