them to duty yesterday, a visitor in the shape of a moose suddenly faced them at long range, that is, while the men were loitering about the wharves on the side of the harbor a moose suddenly broke through the wood on Kaulbach's head and strode nimbly and nobly across the sward on the other side of the harbor. It seems that cooper

Crawford was the first to notice the fleet ants had been evicted was sitting in his wanderer, and he first saw him just as he emerged from the wood, after which he boldly trotted over some fifty yards of the man was fatally and the woman dangerously sod in a western direction, where he came to a sudden standstill, surveyed the situation for an instant and then as suddenly

changed his course northerly and made a dash for the harbor, swimming toward Smith's shipyard. From the instant till he was in the water, less time than a minute

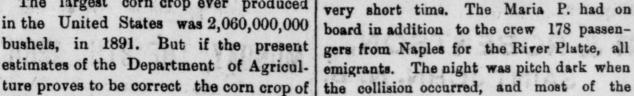

of September, 1895, with each dollar's worth of goods that you buy for cash at either of the stores of W. T. Harris, including the Cheap Cash Grocery Henderson Street, you will receive a ticket for a piano, which is to be given away. It will be conducted as follows :--

A gate a second at a gate a

Each ticket will have a number and a stub with a corresponding number, you will receive one of them with each dollar's worth of goods purchased from us for spot cash. The stub you will tear off and place in a closed box. one of which we will have placed in each of our three stores. On the SECOND OF SEPTEMBER the three boxes of tickets left with us will be opened and thoroughly mixed together in view of all, then some disint rested person will be chosen and approved of by those present. He will be blind-folded and take one ticket from the collection. and whoever holds a ticket with the same number will receive the plano, or if that person should not want the piano we will give him or her \$250 CASH FOR IT.
