The Presiding Officer Reasons With Him On the Prevalent Habit of Discussing Religious Subjects-Finally He Is Dismissed from the Club.

"Does I perceive Brudder Sunflower

Brother Gardner, as he arose and shaded his eyes with his hand and peered in the direction indicated. "Yes, sah, I was perceived," answered the member, as he rese up. "Werry well, Brudder Bates. Yo' will please step dis way an' stand on dat chalk mark while I ax yo' a few queshuns. De

odder night, when yo' war gwine home wid Samuel Shain, yo' got up a dispute 'bout de Garden ob Eden?" "It was Brudder Shain who disputed, "Yo' told Brudder Shain dat yo' had seen a cucumber nine feet long which growed in dat Garden ob Eden, an' when he said he didn't believe it yo' punched

"Yes, sah, but I'ze sorry." "A few days ago yo' went ober to see Elder Toots. Yo' found de elder hoein' out his 'taters, an' yo' at once sot out an' told him yo' didn't believe de whale swal-

lowed Jonar. De Elder differed wid yo' of co'se, an' what did yo' do?" "Took him down an' sot on him, sah. "Exactly-sot on him most all de arternoon-an' he's had such a lame back eber since he couldn't git outdoors. One day last week yo' called at de cabin of Brudder Bebee. Yo' didn't seem to have anything on yo'r mind fur a few minits, but all of a sudden yo axed Brudder Bebee if he believed in dreams. He said he didn't an' yo' got up a dispute an' knocked most ob his right eyebrow ober de back fence." "But he called me a fool niggah, sah!"

protested Brother Bates. "Yes, I s'pect he did, an' nobody blames him! One arternoon last month yo' happened to meet Shindig Watkins in a grocery store. He was dar arter clothespins an' codfish, an' he greeted yo' in de most fraternal speerit. It wasn't five minits befo' yo' put yo'r fist under his nose an, declar'ed yo' belief dat de sun moves around de airth, an' added dat yo' could lick any man who says it don't. Yo' was strikin' out to hit him on de chin when he run away." "I'ze bin seein' de sun move around de airth all my life," replied Brother Bates

"Two or three weeks ago," continued the president, "yo' goes ober to see Brudder Whalebone Howker. Fur de last fo'ty y'ars Brudder Howker has been firmly believin' dat Cain killed Abel wid a hickory club. He has axed me 'bout it seberal times, an' as I doan' know whether it was hickory or oak I comforted him by sayin' dat it was probably hickory. Yo' purtended to him dat yo' wanted to borry

shovel, but yo' begun talkin' rou alan' finally got to dat club bizness an' saic ,' thought it was an elm club. Brudder Howker got excited an' begun to holler, an' yo' hit him on de nose an' knocked dat organ half an inch outer plumb,"

"He was clawin' fur me, sah?!" "Yes, I know. One mo' case, an' dat happened only to-day. Yo' met Brudder Sundown Jackson on de street an' talked 'bout de hard times an' de weather fur a few minits. Den yo' suddenly axed him if he believed dat de fleein' children of Israel passed frew de Red Sea dry shod, He said he did, of co'se, an' yo' thumped him on de jaw, an' he 'pears here to-night wid a towel tied around his head to hold a poultice on de swellin'."

"He was reachin' fur my ear, sah!" replied Brother Bates. "Yes, mebbe he was, an' he orter be fined \$10,000 dat he didn't get dar! Brudder Bates, yo, sorter slipped inter dis club. When yo' had got in an' I cum to look yo' ober, I made up my mind dat yo' was pore timber. We hev rules an' regulashuns to govern our conduct. One of de strickest rules am dat no one shall dispute ober biblical queshuns. Disputin' would be bad 'nuff, but in yo'r case yo' go round thumpin folks kaze dey won't agree wid yo'. I'ze feelin' mighty bad caze yo' didn't cum ober to my house an' try to git up a dispute 'bout Noah's ark. Had yo' done so yo' would hev hed reason to believe dat de ark and all de animals in it had suddenly bumped up agin de back o' yo'r head! As yo' didn't cum, I want to say to yo' dat yo' am no longer a member of dis club. Yo'r name walk downstairs!"

When he had disappeared, Brother Gardner quietly said: "If dar am any member of dis club who can't quite believe dat Lot's wife was turned to a pillar of salt, an' who has got a burnin' desire to argy an' dispute ober it, let him cum to me in de anteroom arter de meetin' adjourns! I hain't nuffin agin a man gwine back to de ya'r 1 to git knowledge, but when he picks up dis p'int fur de sake of argyment, an' den stands ready to thump de pusson who can't agree wid him, he's de gem'lan l
