PARKS GERTY COONS reduced from 10 cts. to 6 cts. per yard at J. D. Creaghan's.

SCHOOL MEETINGS to consider the question of amalgamating the three town districts are to be held in districts Nos. 1 and 8 on Saturday next.

MR. CREAGHAN is still leading them all in dry goods at Chatham and Newcastle stores. Read his advertisement.

HON. MR. MITCHELL is telling the old, old story in the up river parishes. He is kindly received and patiently listened to.

OFFICE FISHING commenced on Monday last and it is surprising to observe the very large quantities that were raked and prepared for market on that day.

GOOD FLANNELS reduced from 8 cts. to 6 cts. per yard at J. D. Creaghan's.

HAND INJURED.—Mr. Sidney Boucher had one of his thumbs smashed and two fingers badly injured by having them caught under the steam hammer in Mr. Snowball's machine shop on Monday.

NARROW ESCAPE.—Mr. S. H. Lingley's youngest child narrowly escaped from being poisoned a day or two ago. However, medical aid was secured in time and the child is doing nicely.—Campbellton Enterprise.

WALL PAPERS.—Householders should examine A. L. Murdoch's stock of wall papers when looking for such stock in connection with spring house cleaning and renovation. He has full lines from the cheapest to the best grades—all new and of beautiful designs.

PRESENTED WITH A PUBE.—Dr. Atkinson, M. P. P. of Woodstock, left last Monday for California where he proposes to establish himself. On the eve of his departure he was presented by some of his former colleagues in the legislature, with opposition and seven government, with a purse of \$100.—[Record of March 28th.]

DRAMA, COMEDY AND SONG will comprise the programme of entertainments to be given at Black Brook Temperance Hall on Monday 15th inst. There will be a matinee at 3 o'clock and evening entertainment at half past seven. The training the performers are undergoing and their success in former entertainments warrant the expectation of excellent performances.

A SALVAGE CASE.—Both the "Ecolanor," which first picked up the "Hestia" in the Gulf of St. Lawrence last summer, and the "Dorwin Hulse," which brought the vessel safely to shore, after the "Ecolanor" had abandoned her, were awarded salvage. The first \$200 and the latter \$3,000. Less \$100, deducted because of returning to consolidate the two actions. The Admiralty Court, London, gave the decision.

THE COUNTY COURT, His Honor Judge Wilkinson presiding, opened at Newcastle on Tuesday. No cases were entered. The court on application of Mr. R. B. Bennett ordered maintenance certificates to be filed for the Brown, Abraham Farrah and Ed. Rancube. Like certificates for Sam. Johnston was filed on application of Mr. Robert Murray, and the court adjourned sine die.

PRESBYTERY.—The ADVANCE is prevented from publishing the report of the last meeting of presbytery as usual, because it has been withheld from it for some reason. This childish course was resorted to a few years ago and members of the presbytery had it corrected, so that the reports reached us regularly for a time. Now, there seems to be a return to the old discourtesy on the part of the clerk.

EASTER AND SUMMER MILLINERY.—On Monday Miss Josie Noonan, who has just returned home from attending the big millinery opening in St. John, is to conduct her annual Easter opening at the B. C. Noonan building, Chatham, beginning on Monday and continuing Tuesday and Wednesday.

THE ADVOCATE and the Chatham Social Club.—MR. EDITOR:—Referring to the Chatham Social Club the "Advocate" says:—"A member of the Club introduces a visitor, both being equal, and the visitor is given away. Oh! no! The visitor's name is proposed for membership, declared correct, and he is admitted to membership. He pays one dollar entrance fee and is given a ticket which is good for twelve drinks, at the three for a quarter rate you know. And yet membership is not given, where liquor is not sold, but merely dispensed to those who own such liquors."

As the constitution and everything connected with the management of the Chatham Social Club were fully and unreservedly disclosed in the recent prosecution of its steward, and that matter still abounds in the public mind, it is not surprising that every word of the above quoted paragraph is absolutely untrue, far misrepresents what is published just now. As there seems to be a determined and malicious effort on the part of a number of persons of the Anselow stripe to confound the Club with a liquor saloon, and to bring the name of the premises now occupied by it, by a former lease, into disrepute, I may state the following:—

Instead of admission to membership being as stated by Mr. Anselow in the Advocate, it is, without any variation under any circumstances, governed by the following requirements of the constitution. Candidates for membership must be of good moral standing and over twenty-one years of age.

Candidates for membership shall make written application to the Club, and on paying the admission fee (which is ten dollars for residents of the county and five dollars for non-residents besides an annual membership fee of five dollars) the application shall be submitted to the Managing Committee, and on the approval of such committee, or a majority of three, such application shall be placed in the Club's office at six days' notice, stating the day and hour on which said application shall be acted upon, and the names shall thereupon be submitted to the meeting, on which the candidate receiving at least a two-thirds vote of the members present and voting at the meeting, shall be admitted to all the privileges of the Club.

By-law 3 provides that "all elections, whether of officers or members shall be by ballot."

I submit that the foregoing is quite different from what Mr. Anselow publishes. As to the "tickets" statement it is positively untrue; and a member requiring refreshments of any kind liquid or solid—pays cash therefor, as any gentleman ought to, and he gets no rebate whatever on account of his initiation or annual fee.

The kind of club Mr. Anselow has in his mind is very different from the CHATHAM SOCIAL CLUB.

improved. Some reforms have already been effected.

Rev. Dean Forsyth's many friends regret to know that he has been for more than a week confined to his bed with an attack of influenza, or grip, which has, of course, obliged him to cancel his regular church services and forego the performance of other parochial duties. He is, however, getting better and will no doubt, be out again in a few days.

FROM SABLE ISLAND.—Agent Parsons, of the inland department, has forwarded to Ottawa from Halifax an interesting report of the condition in which the people on Sable Island were upon the arrival there of the government steamer Newfoundland. On this desolate and dangerous isle, aptly termed the "graveyard of the Atlantic," there is a population of 37 souls.

Last summer the drought and crop-hopper devastated what little crop there was. The yield was 120 bushels of potatoes. During the year 51 bushels were shipped to the mainland. These and 32 barrels of cranberries constituted the exports of the island. Just now they are training a lot of young carrier pigeons, to use in carrying messages to the mainland in case of disaster. The report adds there were no wrecks during the year and no deaths among the inhabitants.

MOONLIGHT AND MUSIC.—The Chatham Concert Band, at the invitation of Mr. R. A. Snowball, made a moonlight excursion on Tuesday evening to Newcastle in the big sleigh owned by the St. Michael's Band and which was loaned for the occasion. They played on the street here before leaving, a little after eight, and after an enjoyable drive over the river, gave a pleasant surprise to our Newcastle neighbors, who seemed to appreciate the music of the visitors. The members of the band were entertained by the Social Club and also by Mr. Daney Doyle at his popular hotel. On the way home they made a halt off Douglastown and serenaded their friends there, reaching Chatham a few minutes after eleven. The young men composing this band are excellent musicians and they presented a neat and creditable appearance in their uniforms. They speak very highly of the reception accorded to them in Newcastle.

Deaths in St. John.—St. John 31st March.—Saturday evening, after an illness of about two months, T. W. Peters passed away. Deceased was for ten years an alderman of the city, and for three successive years was mayor of the city, retiring from public life last year. He was one of the most prominent Masons in the city, and was a Knight of Pythias and an Odd-fellow. Deceased took a deep interest in city affairs. He leaves a wife and one child. Kidney trouble was the cause of death.

William Cansey, the oldest contractor in the city, died to-day at the age of 87 years. He was a native of Plymouth, England, and came to this city at the age of thirty-three and has been continuously in business for fifty years.

Wm. H. Jones, florist, also died to-day. He was a native of Upton, Norfolk, England.

Increase in Rolling Stock Necessary.—The Gleason says: P. A. Logan, mechanical superintendent of the Canada Eastern R. R. left this morning for Montreal, Amherst and other points in Nova Scotia, with a view of adding to the rolling stock of the C. E. R. Co., which is rendered necessary by the increasing traffic over the road. Recently there has been as many as 25 cars of inward and 14 cars of outward freight in one day, and this is quite a common occurrence. This traffic will be greatly supplemented during the coming summer with a large output from the Blackville mills, so that an addition to the rolling stock is a very necessary thing.

The shipment of potatoes over the Canada Eastern has been increasing every year. This season they are moving very freely over that road, being largely in excess of former years. These potatoes are all shipped over the C. P. A. to Chatham by the Canada Eastern, so that if it were not for this business this section of the C. P. A. would be much duller than it is at present.

The Advocate and the Chatham Social Club.—MR. EDITOR:—Referring to the Chatham Social Club the "Advocate" says:—"A member of the Club introduces a visitor, both being equal, and the visitor is given away. Oh! no! Y. M. C. A. Notes.—The Maritime Committee Y. M. C. A. is sending out a leaflet containing six questions in which all right thinking people are interested, with replies pertinent to the work of the Y. M. C. A. We extract the following:—

Question 1. How can young men be kept

from the debasing associations of the saloon, gambling dens, and other evil resorts?

The Young Men's Christian Association is competing successfully with such places by furnishing an attractive place of resort with good companionship.

Question 2. How can our boys be induced to shun the devil's traps in the shape of bad books and papers?

The way to correct the taste for flashy story papers and impure books is to supply something better.

A young man finds good books and the best current literature of the day when he enters the association reading room.

Question 3. How can we supplement the good influence of good homes, contrasted with the bad influence of bad homes, and provide a home for the homeless young men of our towns and cities?

Beyond doubt the influence of the Christian home is more potent for good than any other. But fully one third of the young men of our towns and cities are away from home; others have had home training; and nearly all are inclined to seek companionship outside. Testimony to the value of the association in supplying this need could be produced from a thousand sources.

Question 4. How can we give the right moral and intellectual training to the young men—the citizen of tomorrow?

Ignorance is a foe to good citizenship. Hence the association supplement a school by providing courses of lectures; practical talks by business and professional men; and more particularly by evening educational classes. Nine associations in the maritime provinces report a total attendance at these classes of 2,438.

Question 5. How can we do our part in reaching the class of young men rarely or never seen in church?

How can young men be led to begin Christian lives, and receive training for active Christian work?

Three points are touched upon here—church attendance, christianizing young men, and their training in religious work. Extracts from letters of prominent clergymen:—"The association pushes out and down by the churches, gathering them from the streets and the factories, the shops and the saloons."

"There is wisdom in a special organization through which the churches of Christ may work in reaching young men. The association is a valuable adjunct to the church."

"Nothing in the past quarter of a century has done more to fill our churches, and give us earnest lay workers, than the Young Christian Association."

Muskoka Lumber Co.—Mr. J. B. Benson, representing the Muskoka Lumber company has for the past two or three weeks been making over a territory of 300 miles along the Restigouche and K-edgekewic rivers, and about 100 miles along Green River. The former territory will produce 200,000,000 of lumber, or about 10,000,000 per year.

This will be manufactured into clapboards and various dimensioned stuff in Restigouche and shipped to the English and American markets. It is also the intention to manufacture cedar shingles, there being a plentiful supply of cedar in the company's timber land. The yield on the Green River section is estimated at 70,000,000 and will be cut at a rate of from 5 to 10 million per year. The Muskoka Lumber company will put a large crew on at Green River next winter. The lumber from this section will probably be driven down river and manufactured at Fredericton. Whether the company will be a mill here or give the contract for manufacturing their lumber to some of our millmen, Mr. Benson is not in a position to state. He however said that he has had a conference with several mill owners here, and if he can make satisfactory arrangements with them, the company may have their Green River lumber manufactured by contract for the present at least. The advisability of building a mill of their own in this city will be considered in the meantime, and perhaps a new summer Fredericton mill will have a new mill added to her industries. Mr. Benson says that the timber lands of Canada are a source of much wealth. They are the finest to be found anywhere. Large American capitalists are now beginning to look this way for timber. During the past few years they have leased large tracts in Quebec and other sections and are operating on them extensively. The timber in Michigan, Wisconsin and the American lumbermen who are now operating there are yearly drifting toward Fredericton.

Mr. Benson says that surveys have recently been made for the Restigouche and Grand Falls railroad and that a railway between these points would soon be running. This road would connect with the Bangor and Aroostook R. R. at St. Leonard, and Restigouche would be its branch much nearer to the Boston market than it is at present. With the constant reduction in the freight rates there is a prospect of a railway from Restigouche to the American market would be materially increased.

The Muskoka Lumber company control a very large territory of timber lands and their manufacture in the future both at Restigouche and Fredericton will be very extensive. Mr. Benson leaves here tomorrow for other parts of the province in connection with the company's business. (Gleaner.)
