wise ones fail to tell us,

spiritual meaning, and one speaks of tansy cakes in this wise:

"In this spring-time they are made with the leaves hereof newly sprung up, and with eggs, cakes or tansies, which be pleasant in taste and good for the stomacks; for if any bad humors cleave thereunto, The Cool Facing of Deadly Foes it doth perfectly concoct them, and scowre them downwards."

F. MARION CRAWFORD

Interesting Particulars Concerning the Life and Work of the Novelies HE LIT HIS PIPE. Among our young literary men there are few who have won a reputation so An English traveller in South rapidly—a reputation which rests on good Africa, who had incurred the wrath and solid foundations and which promises to be enduring-as Francis Marion Crawford. In the early part of 1882 he was un-"Fortunately in 1868 the natives known. Before the half of the year was possessed no firearms; they held gone "Mr. Isaacs" was in every body's mouth, and its author was famous. His cauley, Dickens and others that might be mentioned. His first effort was a success and his fame has been abiding. "Mr. Isaacs" is a book which has many merits -merits which it was impossible for the reading public not to recognize, and for the critics to overlook. "Mr. Isaacs," however, would hardly have been sufficient to sustain a great reputation, if it had material of which the Bechuana not been followed by works of at least ed up the Russian language, and now conequal ability. Happily such works have not been wanting. Since the date of his close manner in which they were first novel volumes have come thick and huddled together, also gave the fast from Mr. Crawford's pen; and few books have been in greater demand. There is not much mystery about Mr. Crawford's life or work. His career, howstores for fear of setting the whole ever, so far, has been full of interest. He town in a blaze. Had they allowed talks to us freel; about himself—tells us a single hut would have been saved, at Bagni di Lucca, Italy, in 1853, he is and the white men would have only in his forty-second year. His father was Thomas Crawford, a Scotch-Irishman, born in the west of Ireland, and was mad at being baffled by a mere | brought to this country when very young. Trained to wood carving but ambitious of a higher role in the world of art he was tained their positions by showing sent to Rome, where he became a pupil

shot being fired, and to this self- Crawford, who is remembered as Am possession on the part of the traders I am convinced I owe my life, for had any of the natives been killed Crawford was residing on a farm with some kinsfelk near Bordentown, N. J. After his father's death Marion was sent to Europe, where his education was sup-When Strombom left me to my erintended by a French governess, and When Strombom left me to my own devices I felt annoyed at having refused his offer of protection, for the first marauding party might make short work of me with their was back again in America and attended by a French governess, and where he acquired a mastery of the French language, which he speaks and writes with as much readiness as English.

When he was about twelve years of age he was back again in America and attended by a French governess, and where he acquired a mastery of the French language, which he speaks and writes with as much readiness as English.
