

Miramichi and the North Shore, etc.

A TRAVELLING DIARY will be operated at the Exhibition in St. John N. B. in September and October.

THE EXHIBITION ASSOCIATION of St. John N. B. are building extensive horse and carriage stalls to house the stock which is now being entered from all the provinces, for exhibition at their International Fair in September next.

A BICYCLE TRIP. Dr. F. L. Pedoin and his son Percy left Newcastle early on Saturday morning on their bicycles for Doaktown, at which place they duly arrived in about five hours' time. They took the train in the evening to Ivey's and came home from there on their wheels almost as fresh as when they started.—[Advocate.]

PERSONAL.—Dr. Moroney of Brooklyn, N. Y., is making his annual holiday visit to Miramichi. He was in town on Monday behind one of the finest pairs of horses on the North Shore, which were driven by their popular owner, Edward Sinclair, Esq. The doctor is looking exceedingly well and his numerous friends give him a hearty welcome.

Mr. Gordon Gabel and family, of Amherst, Mass., are paying a welcome visit to Miramichi friends.

STRAKER MARION.—The steam yacht Marion of Miramichi, arrived in port Sunday. She will be used in the mackerel fishery by Messrs. O'Leary. She is the prettiest of the river and was purchased from J. J. Miller by Messrs. O'Leary to take the place of the Algonquin which was disabled on her first trip, and had to be towed into port by the tug Calluna.

A SUCCESS.—The picnic on the grounds of the Miller Tanning-Extract Co. at Millerton on Wednesday last in aid of Grace Church fund, was a great success. The day was fine and the arrangements for the entertainment and amusement of guests were first class, reflecting great credit on the management. About 600 was realized. The dancing music under the efficient direction of Mr. Arch. McEachern of Chatham was much appreciated.

AN ATTRACTION to buyers of family groceries, provisions, dry goods and general household supplies is offered by Mr. Roger Flanagan at his new store on St. John Street, Chatham, in the form of silver knives and forks, silver spoons, silver stands and boxes of tea. He issues tickets which are presented by customers every time they make purchases, and no matter how small the amount, it is punched off, or the purchases aggregated either \$15 or \$30, as the case may be, one of the articles specified viz.—a crust stand, or a dozen of silver knives or forks for a \$30 ticket, or a 5 lb. box of tea for a 10 lb. silver spoons for a \$15 ticket is given free.

Quite a sensational encounter took place on the verandah of the Adams House, last Monday evening, arising out of a virulent attack on a prominent public man by a provincial daily, the editor of which was visiting Chatham. The gentleman who had been assailed, hearing the editor was in town, went to the hotel and expostigated him until he apologized and promised never to again offend in the same way.

Y. M. C. A. Notes.—Meeting for boys Thursday evening at 7 o'clock. Subject "The Greatest thing in the World". All boys whether members or not are invited to be present.

Referring to Miss Pauline Johnson who is to appear in Masonic Hall this evening, a late number of *Miramichi's* Magazine says: "E. Pauline Johnson is another Canadian verse writer, interesting because of her origin. She was born on the Grand River, near Brantford, Ontario, and is the daughter of Chief Johnson, a full-blooded Mohawk Indian. She has recited her poetry before American and English audiences, heightening the effect by donning aboriginal costumes. I confess, however, that her Indian pieces are not the least attractive of her compositions. I like best "The Plover" and "Paddy Sings," in which words and music admirably fit the theme."

News and Notes.—Fears are expressed at Hamilton, Ont., that the day is drying up. The C. P. R. land department sold \$30,000 worth of land in June. The Dominion Rifle Association matches will take place on August 26. A mass meeting has been held in Winnipeg to discuss the Hudson Bay Railway scheme. Mr. Gladstone has written to the Chairman of the Midlothian Liberals showing that his retirement from politics is permanent. Parliament dissolved in New South Wales on June 25, the Legislative Council having rejected the land and income tax and assessment bill. It is reported that the Turks are commencing to persecute and torture the Armenian Christians, in spite of the remonstrances of Great Britain and other powers. An Englishman is reported to have invented at Jackson, Tenn., a machine which will revolutionize cotton compressing, and it is calculated to increase the value of cotton half a cent per pound. Prof. Saunders, director of the Experimental farm, at Ottawa, says that from returns he has received from the branch farms in the various provinces the crops all over Canada promise on the whole to be bountiful again this year. A New York scientist professes not only to have discovered that Mars is inhabited but that the language of its people is Hebrew. He claims to have traced out the Hebrew letters of the word Shai, which means Almighty. This must be our own Wiggins turn green with envy. The Toronto Globe says—"Lord Rosebery, in a letter to the Secretary of the Midlothian Liberal Association, first of the first of the campaign against the Lords." The campaign against the Lords appears to have become a favorite pastime with a certain class of politicians when they are not in office.

The Big show, including the I. C. R. and Canada Eastern.

Arrangements have been made with the Miramichi Steam Navigation Company to run special trips in connection with the circus as per announcement in the big advertisement on our fourth page.

Johnson-Smilley. Miss Johnson and Mr. Owen A. Smiley are to give a reception in Masonic Hall, Chatham, on Thursday evening, and are a combination of exceptional merit—one which all should honor.

Miss Johnson is a full-blooded Mohawk Indian, daughter of T'kahiwake chief of the Six Nations. Chief T'kahiwake was, for a great many years speaker for the tribes in the House of Commons, and he it was who celebrated the ceremonies which made Prince Arthur—third son of Her Majesty, Queen Victoria—a chief of the tribe of the Mohawks.

Miss Johnson, while in London, England, gave recitals in the drawing rooms of the Marquis and Marchioness of Ripon, Lady Edith Blake, Lady Helen Munro Ferguson and many others. She has also toured extensively in the United States and Canada. Mr. Smiley who accompanies her is a host in himself, a musician both vocal and instrumental, a ventriloquist, a dramatist and a comedian. He has many times been compared to a Gresham and J. Whitcomb Riley, many indeed proferring his monologues and impersonations to those of either of those gentlemen. The artists should be greeted with a full house.

Resolutions of Condolence.—At the last regular meeting of Branch No. 130, C. M. B. A., Bathurst, held on Tuesday 2nd July inst., the following resolutions were unanimously adopted:—Whereas an irreparable loss has befallen our esteemed brother, Samuel McEachern, P. J. Burns in the deeply to be regretted death of his brother, the Honorable Senator K. F. Burns, a loss which will be felt not only by Brother Burns and the other members of the family of the deceased but also by the Catholics of the County of Gloucester and of the Province of New Brunswick generally;

Resolved that the Board of Trade be requested to grant the prayer of the petitioners to close the stores on Monday and Wednesday evenings at six o'clock. The following resolution was carried:—Resolved that the Board of Trade be requested to grant the prayer of the petitioners to close the stores on Monday and Wednesday evenings at six o'clock. The following resolution was carried:—Resolved that the Board of Trade be requested to grant the prayer of the petitioners to close the stores on Monday and Wednesday evenings at six o'clock.

The following reached the office too late for last week's paper:—MR. EDITOR:—A petition has been prepared by the clerks addressed to the merchants of Chatham, requesting that they would agree to close all their places of business in town at six o'clock in the evening on three days of the week, Monday, Tuesday, Wednesday and Friday. Another petition has been prepared to be signed by the women of the town supporting the petition of the clerks. This latter petition was shown to me, and I was asked to do what I could to advance its cause. Complying with this request, I wish to say through the courtesy of your columns, what I think about this matter.

Resolved that the Board of Trade be requested to grant the prayer of the petitioners to close the stores on Monday and Wednesday evenings at six o'clock. the barrel, and are whiter than the other arrivals.

The failure of the ordinary sources of supply to the present time to furnish goods mackerel to meet the requirements of this country is causing the larger handlers to look about for new seas to conquer.

"One Grand, Sweet Song." PRES. CLEVELAND'S VIEWS ON MARRIAGE, AS EXPRESSED IN A LETTER WRITTEN TO JOHN TEMPLE GRAVES OF GEORGIA, ON HIS VISIT TO ATLANTA, GA., JULY 12.—The event just recorded from Gray Gables has brought out a letter which Pres. Cleveland wrote on marriage a few years ago.

Col. John Temple Graves of Georgia sent to Mr. and Mrs. Cleveland, just before Christmas, 1890, an invitation to his approaching wedding to Miss Annie Cottrill of Rome, Ga.

Mr. Cleveland, who was then living at 516 Madison av., New York, in acknowledging the receipt of the card, wrote:—"My dear Mr. Graves—We received the card of invitation to your wedding a day or two ago, and I am glad that your letter received only a few hours ago justifies me on behalf of my dear wife and myself, to do more than formally notice the occasion.

Resolved that the Board of Trade be requested to grant the prayer of the petitioners to close the stores on Monday and Wednesday evenings at six o'clock. The following resolution was carried:—Resolved that the Board of Trade be requested to grant the prayer of the petitioners to close the stores on Monday and Wednesday evenings at six o'clock.

oscillating to and fro, almost within reach of the slapping waves, he felt no fear. There, in a spot where no mortal man had ever been before, the first on earth to see the whirlpool of the world as it really was, he learned, and he has brought back to the people of the United States, the knowledge of the existence of this great natural wonder, which no small boat could ever, through which any large vessel, properly handled might pass to safety.

The Cardinal as a T. A. Worker. It is Cardinal Manning who relates this incident as having happened to himself. One night I was returning to my residence in Westminster when I met a poor man carrying a basket and smoking a pipe. I thought over this: He who smokes gets thirsty; he who thirsts desires to drink; he who drinks too much gets drunk; he who gets drunk endangers his soul. This man is in danger of mortal sin. Let us save him. I affectionately addressed him: "I am, thank God, a member of the Total Abstinence Society."

Resolved that the Board of Trade be requested to grant the prayer of the petitioners to close the stores on Monday and Wednesday evenings at six o'clock. The following resolution was carried:—Resolved that the Board of Trade be requested to grant the prayer of the petitioners to close the stores on Monday and Wednesday evenings at six o'clock.

There are more than one sort of korn.

Some korn is planted in the ground the other sort don't need planting; they grow quite naturally on man's toes and don't need watering. This kind of korn has two sorts—one gentle or tender like until Bill Jones steps on your foot, when it gets boiling mad and swears like everything; the other is hard headed and swears like everything else.
