PENDLETON'S PANACEA?

Propr. of Pendleton's Panacea. DEAR SIR :--

I wish to give you a few words in praise of your Panaces. I was a victim of Cholera for some two or Three weeks, during which time I consulted different doctors, and tried different patents, but seemed to get no relief, until I commenced using Pendleton's Panacea, which very shortly cured my complaint Trusting this will be a service to you. Yours sincerely

Halifax N. S. Aug. 1895. Strong reason for thinking that th

"settlement" will be practically accepted in Quebec is afforded by the attitude of so strong a Nationalist as Mr. Beausoleil, M. P. A Montreal despatch of last Friday says : He left Mr. Lurrier and the party and spoke and voted for the

remedial bill when presented to Parliament, and yet he now declares himself favorable to the execution of the settlement. "It does not re-establish Separate Schools," he said to-day, "organized and controlled by Catholics, and consequent-MURDOCH'S NEW CARPET ly does not place them again in possession of all the rights they enjoyed since 1871,

and of which they were deprived by the solutions, and in the large hold the relegislation of 1890. The Northunberland News appears to be at cross purposes with the main body of its party. Here is a sample :-"Is the Manitoba school settlement a carefully made jackets-the latest pro-

great achievement? If so, will our liberal rethren tell as just where to applaud? Don's all speak at once."

Taen it doesn't approve of the government making enquiries of the manufacturers in reference to the Tariff, and

> "The tariff inquiry now being carried on by cabinet ministers is a senseless proceeding. 'Manufacturers want to buy in the cheap-

est market, but they object to other people enjoying that privilege. They want their Dowling's is like shopping by your own giw materials free of duty or lightly taxed but they object to consumers of manufactured goods enjoying that privilege. Piot-ctionism is selfi-hness personifien, besides being the fruitful sources of political corruption and log-rolling."

Again it returns to the Manitoba School question, and says :---

"It is forgotten occasionally that the two pposing parties in the Manitoba quarrel were not Laurier and Greenway, but the Projestant majority and the Roman Cathominority of Manitoba itself. The present "settlement" was arranged months ago between Greenway and Laurier. Its publication is the only novelty about it. It is the "majority and "minority" whose edue tional matters were in question and either has been heard from as yet.

The News also continues to display its ealousy of that other alleged Liberal

One Big Combination For Ten Cents.

> Will you be in the rush and swim? Can you afford to spend ten cents for the biggest and most useful aggregation of interesting matter ever offered to the public ?

Wells & Richardson Co., Montreal, manufacturers of the celebrated Diamond Dyes, having a desire to make a widespread introduction of their new "Excelsior Rhyming A B C Book, Illustrated," make the following extraordinary offer, good for thirty days :

FIRST : One "Excelsior Rhyming A B C Book, Iliustrated," a real gem of lithographic art. It measures nine and a quarter inches long and six inches wide; the cover is rich and artistic; each letter of the Alphabet measures two and three-quarter two letters are of the same color. Each a verse.

A leading Montreal school teacher says "It is one of the very best and certainly the most attractive of mediums ever placed before the little tots from which to learn the English Alphabet."

The demand for this book povelty is already taxing the printing capacities of the
