FALSE LOCKS.

Unbleached White Hair Brings the Highest Price.

Nearly all the false hair used in this country comes from Paris, or at least, is made up there. The supply is drawn from all over the world, but Germany and France furnish the most reliable and best quality.

The Sin of Ignorance.

There are multitudes of people who do not see the importance of any great moral awakening until its principles are brought to their notice through some more popular and "taking" medium than plain statement of fact.

General News and Notes.

A Wonderful Food Producer.

CHOOSING FRESH FOOD.

Valuable Suggestions to Housewives Who Do Not Work.

Don't be afraid to feel of the vegetables; no matter if they do look nice and green, they should be firm to the touch and not flabby. Lettuce especially should be in the crispest state. Fruit must be firm and heavy. Apples should be firm and specks of mold should be checked by their weight. The male is the heavier and the better to boil. The female is not so heavy, and is better for sauces and salads. Fish should be firm and bright red in the gills, and bright in the eyes. Never buy a fish whose eggs look dull or sunken. To understand how to choose game or poultry is a difficult matter. Young, tender chickens have perfectly smooth legs. Avoid those with rough scales. They are always tough. The feet and bills of ducks and geese should be a bright yellow; the breast should be firm to the touch.

When beef is of good quality the fat is always a fine-looking white, and the mutton is of a fine, bright red. The fat of mutton should never be bought. Beef when boiled should one pound in weight to every four pounds. Mutton loses even more than this, which is a consideration when buying meat.

A New Vienna Lace.

Vienna lace is the name of a new lace, woven in buttonhole style over fine cord. The design is traced on cambric—a very fine material is not necessary—and this is tacked on enameled cloth, to keep the work flat. The outline of the design are run or stitched with coarse cotton or cream silk, and the buttonhole style is worked over this and smooth legs. Cream silk is used for the best work, and it is the most effective. The whole of the design is then filled in with the close rows of buttonhole stitch, worked one into the other, and the connecting loops are worked and inter-laced at the same time. The different forms in the design are connected by loops that are not worked into the cambric, but lie over it, the cambric being afterward cut away from underneath. The buttonhole stitches are worked into the cambric to give firmness.

Goings With Hens.

Six eggs of geese under a hen are sufficient, and the hen will take good care of them. The best place for them is on a grassy plot, as they are very partial to green food. At first they should be fed mashed potatoes thickened with ground oats and ground meat, three times a day. The first week, twice a day the next two weeks, and once a day until they are four weeks old. Give plenty of drinking water and provide dry quarters at night, but do not allow them on ponds.

Only a Plagiarism.

"You stole this man's overcoat!" said the justice inquiringly.

"That's rather a hard way of putting it, judge," protested the playwright.

"How would you put it, then?" asked the justice.

"I think it would sound a little better if you said 'I plagiarized it.'"—Chicago Evening Post.

HAD INDIGESTION!

For a Matter of Some Forty Years or More.

Joseph Gardner, stove dealer, of Bath, Ontario, is a great benefactor in Dr. Chase's Kidney-Liver Pills for indigestion, constipation, dyspepsia, Bright's disease, rheumatism, and kidney, liver and stomach troubles generally.

"I was troubled for over forty years with indigestion and constipation," he writes. "At intervals of drinking from severe headache. I spent dollars and dollars without result until Mr. Ball, our druggist, advised me to try Chase's Kidney-Liver Pills. I did so, and must say that they are the only remedy that gave me relief. I would not be without them for anything."

Many people suffer from rheumatism, bad blood and diseased kidneys bring it on. Dr. Chase's Kidney-Liver Pills will remedy all this and cure rheumatism, sciatica and all kindred complaints. Here is a sample case:—

"My boy was all crippled up and suffered awfully with rheumatism," writes Mrs. H. Will of Chesham, Ont. "He also had a touch of diabetes. The doctors could do him no good, but Dr. Chase's Kidney-Liver Pills completely cured him."

Sold by all dealers and Edmondson, Bates & Co., Toronto, 25c.

When all other remedies fail Dr. Chase's Laxative and Turpentine will cure the worst chronic cold. 25c.
