

young men here away from their own folks, so I made you this." And with that she extracted from her basket the very grandfather of all Christmas plum puddings—the first one I had seen for three years. "He was a wee bu at home," she said, holding it out with both hands while the captain towered beside her. six feet of genuine delight at my surprise, "'cause I didn't have just the right fixin's, but I guess it'll go down pretty well. There, take it and don't bother to say one word." And I knew the kind old soul saw that for the moment I could as easily have flown as uttered the Ye'd better bide awhile.' thanks I felt.

"Is he past hope, Mac?" I asked. "Can't we do anything-take him "Trust the old lady to know what boys like," said the captain. "We had a boy once ourselves. He'd be to a better house, I mean?" The doctor shook his head. "If jest about your age now," he added we could get him up north now, in a lower tone, glancing at his I'd say he'd get well with the conwife. stitution he has. It's the heat of

"We've got him now, John, as I've always said and always will," said Mrs. Hale quietly, rearrangher basket.

The captain went on in answer to my wondering look : "You see, our boy run off when he wa'nt more'n 15 He'd been kind of wild as boys be, and I'm afraid I was a little harsh to him. Anyway he went off without a word, and we ain't never heard of him since. I feel pretty sure he's dead, but mother here sticks to it he ain t."

and the poor parched lips never ceased their childish, unintelligible "And I'm going to stick to it, John, till I know for sure." And chatter. Oh, for a bit of ice or then with a cheery smile at me : anything to cool that burning "It kind of does me good to keep forehead! But nothing is cool lookin forward to seein Rufe again there, nothing but death. some day. Now, come along, John; it's gettin late."
