to his address by referring to Lord Salisbury and the late Mr. Gladstone and what one...

Mr. David Allen of Montreal, led Thursday's sunrise prayer meeting.

At the first session of Thursday Mr. E. R. Macdonald led the convention on the work of the Sunday School committee...

Systematic efforts to secure more workers in the Christian Endeavor Society...

Rev. Mr. Sewall preached a short sermon and occupied considerable time in answering questions...

The junior session was held at 2:30 Thursday afternoon. Devotional services were conducted by Miss Lena Woodill of Halifax, N. S.

The chair was taken by the president after reading of minutes of morning session - JUNIOR SESSION.

The report of the Junior Superintendent, Miss Alice E. Estey, of St. John, was read.

It shows that the work is growing in many parts of the province...

Miss Lena Woodill, the superintendent for Nova Scotia, conveyed to the convention greetings from the Halifax Local Union and also from all the other junior societies of Nova Scotia.

HALIFAX GREETINGS.

Miss Lena Woodill, the superintendent for Nova Scotia, conveyed to the convention greetings from the Halifax Local Union and also from all the other junior societies of Nova Scotia.

MRS. SEWELL.

Mrs. J. L. Sewall, of North Brookfield, Mass., read a paper on Junior C. E. work in which she made very clear the usefulness of the societies in training the young children for Christ.

CHATHAM JUNIORS.

An exercise given by the Chatham Juniors reflected great credit on all who took part, especially when it is considered that they had only one day in which to prepare for it.

The Question Box was then opened, and in giving the answers Mrs. Sewall made many good points and gave much valuable information along the line of Junior C. E. work.

The session closed by prayer, at 5:30.

CLOSING SESSION.

The closing session opened at eight o'clock in St. Andrew's church. Brother Andrews was in the chair, and he was supported by Rev. D. Henderson, the pastor of the church, Rev. G. M. Young, and Rev. W. W. Brewer.

The chairman called on the Rev. Mr. Henderson to lead the closing session of the convention in prayer.

THANKS.

Thereafter Mr. Macdonald, chairman of the resolution committee, moved that the thanks of the convention be tendered Mayor Winslow for the hearty manner in which he had welcomed the delegates in behalf of the corporation of the town of Chatham. Carried.

Votes of thanks were also passed to the committee of the Miramichi Local Union for the energy put forth in providing for the comfort and accommodation of the delegates, to the session of St. Andrew's, and trustees of the United States, to the numerous speakers who addressed the convention, to Senator Snowball for his kind thoughtfulness in taking the delegates in his steamer for a sail on the beautiful Miramichi, and to the retiring officers of the convention.

A resolution favoring prohibition and pledging the Endeavorers to work for the cause of temperance by supporting prohibition at the coming plebiscite election was unanimously adopted.

A reply to Governor Wolcott of Massachusetts was accepted and a vote of thanks passed to the organizers of their hospitality in entertaining the delegates during the convention.

REV. MR. SEWELL PRESENTS A BADGE.

At this juncture Rev. Mr. Sewall stepped to the front and said he wanted to thank the people of Chatham for many things. He wanted to thank them for their cordial hospitality. He wanted to thank those who had attended the convention and participated in its joys and its sorrows. He was thankful for the privilege of coming into this sister country of his and mingling with co-workers in the C. E. cause. It had been no small pleasure to him to come into this Dominion town. He wanted to congratulate the Miramichi Local Union's committee of arrangements for their remarkable service in arranging for this convention. He claimed to know something about the arrangements for a C. E. convention, and the arrangements for this one had aroused his curiosity and admiration. It had been his privilege to have some correspondence with the retiring president, Rev. G. M. Young, and the most pleasant relations existed between them. It had been his pleasure to bring with him on this trip a little badge which he would present to him as a memento of their fellowship.

REV. MR. YOUNG.

Rev. Mr. Young, who was on the platform, said he would take the badge, with the Union Jack on the one side and the Stars and Stripes on the other, as a symbol of the Anglo-American confederation which shall yet rule the world.

"THE WORLD'S NEED," "THE DIVINE COMMAND" AND "MYSELF AND MISSIONS."

Rev. Mr. Brewer and the president, Prof. Andrews, made good addresses on the "World's Need," "The Divine Command" and "Myself and Missions," and the consecration service was begun by the singing of a suitable hymn.

CONSECRATION SERVICE.

Rev. Mr. Sewall had charge of the service and the delegates were charged by societies to consecrate themselves anew to their Lord and Master. This being done the clergy of the town were asked to speak. Rev. Mr. Henderson impressed upon the delegates that it was not here in convention, but in the daily march, in the ordinary routine of every day life, that the battles of the Lord were to be fought, and exhorted them to walk in the coming days, in the footsteps of Christ. "Separate from Christ you can do nothing."

Rev. Mr. Young also made timely remarks, and Prof. Andrews closed the convention with the benediction.

The delegates left for their homes by Friday morning's train.

THANKS.—The committee of management of the Miramichi Local Union of Christian Endeavor wish to convey their hearty thanks to the Session of St. Andrew's and Trustees of St. Luke's church, respectively, for the use of the said churches and the help given while the Provincial Convention was in session.

Also their appreciation of the kindness of the Hon. J. B. Snowball for the use of his steamer on the excursion, affording a deep pleasure to the visiting delegates.

Also to J. D. B. MacKenzie and W. T. Harris, Esq., and all others who so kindly lent their aid to the committee at so many junctures.

In behalf of the committee, H. M. MacLennan, Secy. M. L. U. of C. E.

Miramichi and the North Shore, etc.

NOW IS THE TIME of year to enjoy excursions to down-river by the Str. Miramichi.

THE YACHT RACE appointed to take place today, Thursday, from off Loggieville, is postponed until Monday.

LOGGIEVILLE GARDEN PARTY.—The Loggieville Presbyterian Congregation intend to have a Mammoth Garden Party on the 25th inst., in aid of the new church.

PUNISHED.—Wm. Grive, charged with killing a cow mouse at Harvey, N. B., on the 4th inst., pleaded guilty, and the minimum penalty, a fine of \$100, was imposed.

A GOOD OFFER is advertised by Mr. F. O. Peterson to gentlemen desirous of procuring suits or single garments for late summer and fall wear.

THE ISLAND PACKET.—Capt. Gallant brought thirty-one passengers from P. E. I. into port on Sunday in his schooner. He had also a number of horses and other live stock.

HOPE THEY'LL HAVE A GOOD TIME.—The I. C. R. employees of the division between Newcastle and Campbellton are to have their annual picnic on Saturday, 27th inst. It will take place at New Mills.

AUG. 30TH IS THE DAY on which St. Peter's (Father Morrice's) church picnic is to be held at Moody's Point. Don't fail to reserve that day for an outing and go help the good and ever popular pastor and his congregation to enjoy the occasion.

I. O. G. T.—The members of Chatham Lodge, No. 150 I. O. G. T., are requested to be present at the regular meeting of the lodge on Tuesday evening next, as important business is to be transacted.

JESSIE FOREST, Secy.

THE BEAST, Richard Black, of Newcastle, has been tried by His Honor Judge Wilkinson under the Speedy Trials Act, for indecent assault on his daughter, Ella Black, and sentenced to nine months in the county jail. There are places where he would not get off so easily.

THERE OUGHT to be a rush to Creighton's to see the captivating variety of newly imported goods he is opening. Mr. Creighton has just returned from the British and continental markets and succeeded in passing his immense purchases through the customs at a saving of 25% for his customers.

MR. RELLY'S DEATH.—The death of Mr. John Relly, one of the best known and most respected residents of the parish of Chatham, took place at his home, Douglasville, on Thursday evening last. His demise was quite unexpected as the illness which caused it became serious only on the Monday preceding. He leaves a widow and quite a large family who have the sympathy of the community. The funeral which took place on Saturday was very largely attended.

OTTAWA STUDENT.—F. Delaney of Ottawa, while travelling on a I. C. R. train, caught a fellow named Gilbert Peters of Campbellton, trying to rob him. The matter was put into detective Skiffington's hands and he ran Peters down, but when requested to appear before the Campbellton magistrate to prosecute, Mr. Delaney declined, unless he was paid by the government beforehand for doing so. Perhaps that's the custom at Ottawa. The result we believe, was the discharge of Peters.

A VALUABLE ATLAS and OTHER BOOKS.—Mr. S. Pritchard, agent for the Home Knowledge Association of Toronto, is visiting the Miramichi on business. He has one of the finest atlases of the world that we have yet seen, and its price places it within the reach of all. He also includes in his collection a very extended list of books covering scientific and art works, as well as text books, works of fiction, etc., at liberal discounts on publishers' prices.

JUDGES AT EXHIBITION.—The following expert judges have been selected for service at Canada's International Sixth Annual Fair, to be held in St. John, N. B., September 13th to 23rd, in the following department: horses, Dr. Geo. M. Twitshall, Augusta, Maine; best breeds of cattle, J. C. Smith, Sackville, Ont.; poultry, Dr. Geo. M. Twitshall, Augusta, Maine; fruit, Dr. H. Knowlton, Farmington, Maine; dairy products, A. W. Woodard, Quebec; judges of grains, agricultural and horticultural products, honey, and apianian, supplies, flowers, will be announced later. The score card system will be used as nearly as possible.

FAMILY REUNION AT THE KELLY HOME-STEAD.—On Thursday last a very interesting family-gathering took place at the Kelly homestead at Douglasville, which was participated in by a number of the descendants of the late Mr. Patrick Kelly, down to the fourth generation. Among them were Mr. Henry Kelly, who is now in possession of the property, and his family; Mrs. Richard Williams and family; Mrs. Robert Hay and her family, including her two daughters, Mrs. Allan Baldwin, of Keating Summit, Pa., and children, and Mrs. Henry Carter, of Stillwater, Minn., and children, and other friends. The old home was once more made merry, consisting of the old people to feel places, which brought back memories of their childhood, and the old stove and dining table was once more used as of yore. It was a day happily spent, although mingled with sadness for the old, while to the young, it was a source of great interest and enjoyment.

DEATH OF WM. GOODFELLOW.—A letter of Aug. 5 from Donald, B. C., to the Advocate says: "William Goodfellow, a native of New Brunswick, was found dead by prospectors on the 25th of June 1898, in a shack owned by Mr. Frank Bethune. As near as can be judged he must have been dead for about six weeks as he was in a very bad state when found, and could not be brought into town for burial. He was buried by those men at Kimbsack Lake about 40 miles out from Donald. Mr. Goodfellow died in B. C. for a number of years and followed prospecting, hunting and trapping

Miramichi and the North Shore, etc.

for a living, and was well known in those parts. He was a personal friend of the writer, but he had been absent from here for near two years being all that time out in the mountains and alone. He must have been about 65 years of age and I believe worth but little property."

PERSONAL.—Miss Treuman, of St. John, who sang at the Christian Endeavor convention here last week, delighted all who heard her, and it is to be hoped that she may lead Chatham hear her sweet voice again, at some future time.

A Bathurst correspondent writes: Miss Annie M. Shirreff, one of Boston's favorite singers, and Mrs. Crombie, wife of R. B. Crombie, manager of the Bank of Montreal, Belleville, Ont., are in Bathurst visiting Mrs. D. T. Johnston's, Mrs. Crombie's sister.

Miss Shirreff, who is now in Newcastle, the guest of Mrs. Osborne Nicholson, is to sing in St. James' church in that town next Sunday evening. Her many Miramichi friends are giving her a hearty welcome, for she is a general favorite in her old home.

Prof. Bailey and son, of Fredericton, started from Newcastle on Monday morning for the Northwest Miramichi on a geological survey. They will be in the Miramichi and will make their headquarters at Col. Call's camp at his famous salmon pool on that river.

A correspondent writes.—Mr. A. Gordon and Miss Rachel Gordon of Boston, who are visiting friends on the Miramichi, drove to Chatham and Millerton last week visiting some of their many friends there.

Mr. Charles McLagan, of the Bank of Nova Scotia, Chicago, is paying a welcome visit to Miramichi friends and relatives, who are glad to observe that he is even better-looking than ever.

Miss Stella McKenna, of Picton, is visiting Mr. Lottin Kane.

Rev. W. F. Purcell returned on Saturday morning from Nova Scotia, where he had been visiting friends for the past week.

The St. John Globe says: Hon. Peter Mitchell some three weeks since, under the advice of his physician, Dr. Shephard, Montreal, went to Newcastle, Miramichi, to get relief of a stomach complaint, from which he was suffering, and he has strictly adhered to the diet prescribed: porridge and milk, and for drink entirely confined to six or seven tumbler of new milk, with one-third or fourth of soda, each twenty-four hours. This, with the effect of air and complete rest, has had the effect of restoring Mr. Mitchell's health, and he is now able to move out almost every day. He hopes in two or three weeks more to be able to get back to Montreal, restored to health.

KLONDIKEERS.

Mr. Samuel Freese of Doaktown, who headed a party which left the Miramichi in March to seek their fortunes in the Klondyke has returned home and doesn't appear to be in love with that part of the Dominion. The party reached the Yukon and did some prospecting, but became discouraged, sold their outfits and made for the coast. Then, Mr. Freese came home.

Isaac N. Brown, a York county man, appears to have had an experience different from that of Mr. Freese and his party.

Writing from Dawson City under date of July 5, Mr. Brown says: "I went up to the Bonanza mines, saw E. J. Ward, of Kings county, N. S. He had seventeen men all winter working for him at \$1.50 per hour. His boss got \$20 per day. I saw Mr. Ward pay his boss for 234 days' work \$4,500. Gold is worth \$15 to the ounce. I saw Warren Shaw, of Woodstock at this mine, and he treated me very kindly. He told me he had cleared \$3,000 working at \$1.50 per hour for Mr. Ward. I also saw Thomas Hartley and Oscar Tompkins, from New Brunswick. I have heard of the George Black party, but have not met them. I took my first lesson at cleaning up gold. I worked seven and a half hours for Mr. Ward, for which he paid me \$5.60."

Newcastle Man's Death.

Bangor despatches of last Friday and more recent dates have brought news of the death at Brewer, Me., of Edward Stewart, son of Mr. James Stewart of Newcastle, whose body was found on Thursday morning last by the side of the track of the Brewer Street Railway. The remains were found by two men named Walter Wetmore and Herbert Vandenberg. They were near the track and there was a pool of blood which had come from the mouth, nose and ears of deceased. There was a small wound on the back of the head near the left ear. Stewart and a man named Andrew Gallant of South Brewer had the night before left Bangor together about 10 o'clock and Gallant, on hearing of Stewart's death came forward and stated that they had reached Brewer and walked down Main Street together, when Stewart and Gallant the last car to South Brewer, at a point a short distance from where the body was found. Gallant was looked up but soon liberated. An inquest was held by coroner S. A. Hall, of Brewer, and the verdict was that Stewart had come to his death by some mischance or accident. The despatches say that besides the members of the family of deceased in Miramichi had two sisters, Mrs. George Robinson, with whom he lived, and Mrs. Thomas Nutter, living in South Brewer. The remains were laid to rest in the cemetery. Deceased was a mild man and unmarried.

Later despatches say that the police authorities are hardly satisfied that Stewart's death was accidental and they are still working on the case.

Miramichi Men in the West.

The Deadwood Daily Pioneer-Times of 7th says:—"The Deadwood & Delaware Smelting Company has recently resumed staking in the new shaft, in Ruby Basin, over which the immense new steel shaft house was put up several months ago. The old Horseshoe hoist at the head of Fantaal gulch, in the upper end of Terry, is running again after an idleness of several years, and the company is now working its mining ground from that shaft. The boilers have been set up at the mine, where in Ruby Basin, and in a short time the hoisting will be done by steam. The shaft is about 40 feet deep at present, and sinking is still in progress. Tom Hurley has charge of the operations, and John L. Schofield has charge of the timbering."

Mr. Schofield will, no doubt, be recognized by many of our local readers as a former resident of the Miramichi and an ex-Municipal Councillor of Northumberland.

From another issue of the same paper learn that Victor E. Schofield—a son of John L.—is a member of Company I, 1st South Dakota Infantry, which was at San Francisco, on route to Manila. He is the special correspondent of the Times and from the tone of his letter as his regiment was about to embark, he and his comrades were enthusiastic over them prospects of helping Dewey to capture the Philippine capital.

A Red Cross Nurse's Death.

Miss Dorothy Phinney daughter of Mr. R. Phinney of Ribicouto, and niece Mr. J. H. Phinney, Esq., of Newcastle, died at her post last week, serving as a Red Cross nurse.

New York despatch of last Thursday says:—"When the war broke out Miss Dorothy Phinney was head nurse at the Kings County Hospital. She was an adopted citizen of this country, having come here from New Brunswick. She went to the Red

Cross headquarters and offered her services.

At the same time Miss Alice Neuman, an under nurse at the Kings County Hospital, volunteered. Both were sent to the front at once. They went on the St. Paul to Tampa, and for four weeks they ministered to the fever-stricken soldiers there. Miss Phinney was transferred to the Letter Hospital at Chickamauga Park. They had to work hard there, and finally Miss Phinney began to feel the strain. She would not give up, and day after day went about her duties when she ought to have been in bed. One morning she found it impossible to arise. The hard work and the hot weather had weakened her constitution so that it could not resist the fever, and she died. Miss Phinney was a graduate of the Lowell General Hospital and a post graduate of the Sloan Maternity Hospital."

A Richibouco despatch of Monday says: The remains of the late Miss Phinney, the Red Cross nurse, arrived here by train this afternoon, accompanied by her brother Fred, who met the body at Boston. A large number of friends met the remains at Kent Junction and accompanied them to New Brunswick, where the funeral services were conducted by Rev. Messrs. Fraser and Lawson, who also conducted the services at the grave.

Prohibition Campaign.

The central committee met at the Canada House, Chatham, Monday afternoon, Aug. 16th. There was a good attendance, ten members being present. Thos. A. Clarke was appointed chairman, D. P. McLachlan, secretary, and George Stothart, treasurer. The question of raising funds for the campaign was discussed and it was decided to ask all the temperance committees to preach a temperance sermon sometime before the 15th September, and ask that the collection taken at that service be donated to the Campaign Fund. Also that the Temperance and other societies favorable to Temperance be asked to contribute an amount equal to twenty-five cents per member. The parish committees are requested to bring this matter before the Pastors in the different parishes and also to solicit private subscriptions in their respective districts. The Chairman, Secretary and Treasurer were appointed to call on the various committees of account. A sub-committee consisting of Mrs. Leishman, Mrs. Salter, Rev. D. Henderson, George Stothart, Rev. Mr. Young and D. P. McLachlan, was appointed to procure and distribute through the channel of the Parish committees such literature as they thought to be advisable. A sub-committee was also appointed to communicate with Temperance workers in the different parishes with a view to arranging public meetings in each district. A lot of other miscellaneous business was got through and altogether the meeting was a very successful and hopeful one. D. P. McLACHLAN, Sec.

Death of R. H. Grindlay, Esq. of Blackville.

After quite a long illness, Wm. H. Grindlay, Esq., of Blackville, died on Thursday last, of heart failure. He was one of the best known and most respected men of Northumberland, not only prominent in the affairs of the rising and progressive village in which he lived, but also in those of the county. He was an elder of St. Andrew's Presbyterian church, Blackville, and for many years—and up to within a year of his death—superintendent of the Sunday School of that church. He was appointed postmaster of Blackville at the time of confederation and held the office at the time of his death. The funeral took place on Saturday afternoon at 3 o'clock and was largely attended. The Sunday School children marched in procession and dropped flowers into grave. The services at the house and grave were conducted by Revs. T. G. Johnston and Thos. Corbett. The pall-bearers were Messrs. Thos. DesBrisay, James Wetmore, James L. Harris, Jas. Bean, F. H. Jardine and Geo. Harper.

Rev. T. G. Johnston preached the funeral sermon in St. Andrew's church, Blackville, on Sunday morning, the congregation being a large one.

Mr. Grindlay leaves a widow, who was a daughter of the late Alexander McLaggan, and one son—Mr. R. M. Grindlay, of the firm of McLaggan, Grindlay & Co. He was a native of Stirling, Scotland, and came to Nova Scotia when 25 years old, later removing to Miramichi. He was 66 years of age at the time of his death.

A Japan Boy's Fighting in Cuba.

The following letter, written at Santiago by Corporal A. C. Sweeney, of Co. E, 2nd Massachusetts volunteers, a son of Mr. George Sweeney, late of Napan, to his brother R. J. Sweeney of Ashol, Mass., will be interesting to our local friends of the family, but because of its realistic description of the fighting at and beyond El Caney:—

SANTIAGO DE CUBA, Aug. 1, 1898.

DEAR BROTHER—I received your welcome letter a few days since, and I will try to tell you some of our experience. Our first real fighting began the 1st of July. The night before we marched up to within 2 miles of El Caney through streams and mud, and rested on our arms that night. I was on an outpost with four men at 4 in the morning. We had orders to join our company and started for somewhere. We did not know where. But we soon found out. After marching about 1 1/2 miles the bullets began to eat the twigs and grass around us. We were then ordered to form in line of battle and advance just as we started.

Poor Geo. Brooks was killed. A bullet entered just below the throat and came out the small of the back.

We advanced to within 60 yards of the enemy's breastworks, lay flat on the grass and fired—we in the open field, while they were entrenched. They admit having 5000 men there. They lost one thousand killed and wounded. We had but 3,000 and lost 1000.

Besides Brooks being killed in our company, Lieut. Haggood was shot through the right lung. I helped carry him to the rear. Jas. Nolan was shot through both legs. Fred Hastings was shot in the side. Dave DeTour was shot in the groin. The bullet struck the brass buckle on his belt and glanced. If the bullet had varied an inch he would have been killed. Willard of Orange was shot through the head. Breolin, of the 1st Regt. Pa. Inf., was shot in the back. Hal Morse was shot through the fingers. Burdick's sleeves were shot through.

The fight lasted from six in the morning till four in the afternoon, when the Spaniards retreated, but that didn't end our work. We were ordered to fall in, and started for a new field of operations. After marching a while we were halted; after waiting three or four hours we were ordered to advance and faced the other way and did the same thing. We were then ordered to throw off our rolls and prepare for action. We marched into the field but did not do much that day. Nelson Spruit and I were lying side by side when a bullet cut the grass between us. It was a close shave, but there were lots of them.

Well, you know the city surrendered with 20,000 Spaniards. The heat is something terrific; runs up to 130° and, then, in the afternoon the rain comes in torrent and we have no place to get under. The only place is a little room enough for two men to crawl under. We expect to sail for home in

a few days and I tell you we will be a happy crowd.

My war spirit is well satisfied now, and I am thankful that I am among the lucky ones, but, as I wrote you before we landed, I never expected to be killed, but when the bullets flew so thick I hardly thought I could escape getting hit; when I saw so many falling, after the first few rounds I had no thought of anything but to try to hit a Spaniard.

The sharpshooters bothered us; they got in trees and as they had smokeless powder we could not always locate them. We had to dig trenches with our tin cups and knives. It was slow work, but there were lots of us at it, and there was lots of joking notwithstanding the danger.

When on the march it was so hot we threw away everything we had except what was on our backs. I threw away even my razor, towel and writing material. I was lucky that I didn't use tobacco. It was not to be had. One man paid \$35 for a pound; \$5 a plug was common. I expect to be home by Oct. 1st, as Spain must yield soon.

Your affectionate brother,

DORRIS.

Farmers' Institute Meetings.

BATHURST, AUG. 11.—The meetings which are being held in the town of Bathurst, the commissioner of agriculture and his institute staff are arousing much enthusiasm. The series now being held are designed for the French speaking districts, and this is the first time when a regular organized attempt has been made to give them equal privileges with their English speaking brethren.

At the three meetings already held the audience has been large enough to hold the audience which gathered. At Petit Rocher fully 400 people were in attendance, and at his request, I order the main-brace to be applied."

It need scarcely be explained that to "apply the main-brace" is an order to serve out a glass of grog all round. Intemperate abstainers were dreadfully shocked at the idea of the Prince of Wales encouraging the consumption of intoxicating liquor, but the 35,577 officers and men who had been on duty all day long honestly felt that by six bells (11 p. m.) the order was timely and welcome. I order the main-brace to be applied."

I order the main-brace to be applied."

It need scarcely be explained that to "apply the main-brace" is an order to serve out a glass of grog all round. Intemperate abstainers were dreadfully shocked at the idea of the Prince of Wales encouraging the consumption of intoxicating liquor, but the 35,577 officers and men who had been on duty all day long honestly felt that by six bells (11 p. m.) the order was timely and welcome. I order the main-brace to be applied."

It need scarcely be explained that to "apply the main-brace" is an order to serve out a glass of grog all round. Intemperate abst
