THE LUNAR ECLIPSE on Tuesday evening was plainly visible, the sky being clear.

THE CITIZENS' BAND turned out on Monday last and played in front of the Town Hall. Their music was much appreciated.

ST. ANDREW'S congregation, at the request of its pastor, Rev. D. Henderson, made a Christmas collection which yielded out its debt and left a credit balance of \$25.

THE DEATH of Mrs. Wm. Cherry took place yesterday morning after a tedious illness. Much sympathy is felt for the bereaved husband and family.

PRESENTS: It isn't a question of who receives Christmas presents, but who didn't? It would take a whole newspaper to recount them all.

SEASONABLE GIFTS: Miss Ida Edges, organist of St. Andrew's Church, Chatham, was presented by the choir with a handsome desk on Thursday last. Mr. Abe Simons, the Church sexton, also received a \$5 gold piece.

A PLUMBER FOR CHATHAM:—Mr. L. E. Dwyer, plumber and tinsmith, of Sussex, is now in the employ of Mr. G. R. Marquis, and will attend to plumbing work in any part of the county. He comes highly recommended. Mr. Marquis is the only man in the county who has a plumber in his employ. \$30.00.

NEW YEAR'S DANCE:—The members of the Citizens' Band, who gave a successful dance about a month ago, are, at the request of a number of ladies and gentlemen, going to repeat it in the Masonic Hall, on Monday, January 2nd, and all ladies having invitations to the last dance, are cordially invited to attend that of the New Year.

CHRISTMAS DAY was observed in the usual manner at the Pro-Cathedral. Masses were said at 8, 9 and 10 o'clock. At 11 o'clock St. Michael's Band played appropriate music before and after the high mass, under the direction of Mr. T. M. Harrington, and received very favorable comment. The usual Christmas collection was taken up and amounted to the handsome sum of \$500.

AT THE COUNTY ALMS HOUSE there were fine Christmas decorations and the best of fare. Dr. J. B. Benson remembered the inmates as usual and the Commissioners furnished a regular Christmas dinner. Keeper Templeton and his estimable wife, the matron of the institution, deserve great praise for their official efficiency as well as kindness to those in their charge.

SUPR. HOBBEN REMEMBERED:—The agents of the Canada Eastern Railway presented the popular superintendent of the road, Mr. Thomas Hobben, with an address and a handsome gold headed cane last Saturday afternoon. Mr. Hobben, who was taken completely by surprise, made an appropriate reply to his valued and capable subordinates.

THE ARMY:—Next Sunday and Monday, Brigadier Pagniere, the provincial leader of the Salvation Army (accompanied by his musical family, and a colored banjo and guitar player), will conduct special New Year's services at the S. A. Barracks, Chatham. Go and see the children in their musical dress etc. In addition to the meeting Monday night there will be a goose supper. All are invited.

SUDDEN DEATH:—Mr. Joseph Simpson, of Tatouche, went from his home to his barn on Friday morning last to feed his cattle and as he did not return when expected, his son-in-law, Mr. Geo. Morrison, went to look for him and found him lying dead upon some straw in one of the stalls. He had evidently been seized by heart trouble, to which it is said he was subject, and lay down and expired where he was found. He was one of the best and most highly respected citizens of Tatouche and leaves a widow and three daughters.

MIRAMICHI MARBLE WORKS:—Now is the time to place your orders for cemetery work and avoid the spring rush. We have now on hand and coming one of the largest stocks of marble and granite monuments, headstones and tablets ever shown on the north shore, all from the latest designs and worked from the best material the market can produce. Call and get our prices. They are right. JOHN H. LAWLER & CO.

UNRIVALLED TOURIST SLEEPING CARS:—For the accommodation of passengers holding second class tickets, are run by the Canadian Pacific Railway on Trans-continental Express, train leaving Windsor Station, Montreal, at 2 p.m. every Thursday and running through to Seattle, also at 7 p.m. every Friday from Carleton Junction to Vancouver. Passengers to Calgary and west thereof accommodated in these cars on payment of small additional charge for berth; each berth will accommodate two passengers.

MASONIC:—The following were installed as the officers of Miramichi Lodge, No. 18, F. & A. M., for the ensuing year on St. John's night, 27th:— F. O. PETERSON, W. M. W. B. GOULD, S. W. P. LOGGIE, J. W. MARQUIS, Treas. Wm. Johnston, Sec. Jas. McLatoh, S. D. John Brown, J. D. S. D. Heckbert, S. S. R. H. M. Gilker, J. S. W. C. Smythe, I. G. Jas. Anderson, Tyler. Al. S. Robinson, D. of C. Finlay Anderson, I. P. M. Grand Junior Warden F. E. Danville, installed the W. M., who then installed the other officers.

HOMES AGAIN:—A very wide circle of friends are rejoiced to know that Wm. Kerr, Esq., is at home again, and appears to be well. He went to New York for treatment of an alleged malignant tumor and was told nothing could be done to save him. Then, he went to Boston, where the physicians told him an operation would give him one chance in five hundred for his life. He said he would take the chance, and he did. Now he seems to be almost fully recovered and is

is said it was only an abscess that he had. At all events everybody admires his pluck and congratulates him.

PERSONAL:—Mr. and Mrs. D. T. Johnston, of Bathurst, spent Christmas in Chatham, as guests, at the Benson household, of Dr. J. B. and the Misses Benson. Mr. Johnston returned to Bathurst on Monday night, but Mrs. Johnston will stay here until after New Year's day.

Mr. and Mrs. Hiram Malby, of Campbellton, spent Christmas in Chatham at the home of Mr. Angus Ulick, Mr. Malby's brother. Mrs. Malby, by invitation, assisted in St. Mary's choir on Christmas evening. She will remain in Chatham until the New Year.

Hon. Senator Snowball left for Ottawa on Monday night, and we understand that he is to go to England via New York, leaving the latter place on Saturday.

Hon. Provincial Secretary Tweedie is to leave for Ottawa to-morrow on business connected with the fisheries question.

R. B. Bennett, Esq., M. P. E., of Calgary, a former alderman of Chatham and one who has done well through the political training and experiences with which he left Chatham only a few years ago, after graduating from the office of Hon. L. J. Tweedie, Q. C., and being that gentleman's partner for a year, promises to pay a welcome visit to Chatham next week.

Hon. Senator Adams lies at his home in Newcastle in a very critical condition, which causes the greatest solicitude in the community.

Dr. A. O. Earle and Mr. H. E. Puddington, St. John barristers, are in town.

The many friends of Rev. Joseph Trudelle of Carleton are sorry to learn that ill health has compelled him to give up his parish.

The members of St. George's congregation Bathurst, presented their pastor, Rev. T. W. Street, with a handsome pair of fur gloves and Mrs. Street with a beautiful nightgown. They also presented Miss Helen Bishop, organist, with a purse of money.

Miss Elizabeth Sutherland, organist of the Methodist church, Bathurst, was presented with a nice filled purse as a Christmas present.

Mr. Frank Harrison, organist of St. Luke's Methodist Church, Chatham, was presented with a Christmas purse of \$20. Mr. W. T. Harris made a very neat presentation speech on behalf of the choir and Mr. Harrison, who was most agreeably surprised, made a suitable acknowledgment.

J. J. Harrington, Esq. of Bathurst spent Christmas in Chatham.

About "Evangelists." Two deaconical ministerial associations, the Presbyterian and the Methodist, at this week's meetings, discussed evangelists and sensational services. The Rev. Wm. Paterson, at the Presbyterian meeting, gave an account of the evangelistic work which he had been engaged in with Mr. D. L. Moody, and advocated plain, earnest preaching of the old-fashioned gospel. The Presbyterian Association adopted a strong resolution expressing the opinion that, as a rule, evangelistic services should be exclusively conducted by the regular pastor.

At the Methodist ministers' meeting, sensational Sabbath evening preaching and theological discourses were condemned in a resolution led by the Rev. W. H. Hincks. (Witness.)

A Shipping Case. His Honor, Judge Wilkinson, sat yesterday at the town council chamber as commissioner for the purpose of taking evidence in a suit brought by the owners of the S. S. Thomas Wayman, of Newcastle on Tyne, against Charles Taylor, Sons & Co., of Liverpool, charterers of that vessel. The cause of action is a claim for three days' demurrage while loading at Miramichi in 1897. The commission was taken out by defendants to secure evidence to show that the loading was done with all proper despatch. Messrs. Weldon and McLean, who were represented here yesterday by Dr. A. O. Earle and H. F. Puddington, are solicitors for defendants and Messrs. Davidson & Aitken appeared for the plaintiffs.

A Contrast. A big moose was killed on the upper Miramichi the other day by Dr. Heber Bishop, of Boston. He and his assistants got the carcass out whole and conveyed it by the Canada Eastern Railway to Fredericton. The doctor wanted to take it to the States and have it mounted for the Sportsman's Exhibition, which is to be held in New York next spring. It was, however, detained by the Customs authorities, as the export of whole carcasses of game is prohibited. On Tuesday, however, Collector Ruel received a telegram from the department at Ottawa granting a special permit for the big moose to be exported, as this was made a special case on account of the New York Exposition.

The treatment thus accorded to Dr. Bishop is a pleasing contrast to that to which the Surveyor-General of New Brunswick was subjected by the United States authorities last March, when they insisted on his paying some \$315 duties on the exhibit which the Province sent to the Sportsman's show in Boston and was returned to the province.

A Seven-Bear Rock-Den. A report which seems to be reliable, but is nevertheless extraordinary, comes from Cain's River, that a find of seven bears in one den was made a few days ago by Sabbes River, a branch of Cain's, by Patrick Cashen, who is said to have taken the whole lot. Most people, in this part of New Brunswick at all events, know that while the bear is a roving animal in the summer season, it hibernates in the winter—that is, it seeks, late in the fall, some snug shelter in or under a hollow tree, or beneath a rock which promises seclusion, and there lies in a semi-dormant or torpid state until spring, when it emerges in fairly good physical condition. Bears often den alone, but quite as often are found in pairs, or three together. It is not usual to find four or more hibernating together. When there are found they generally consist of an old she-bear and two cubs of the preceding season; and sometimes a den of four or five, in which two parent bears and their cubs have made up a winter party, as discovered, but such finds are unusual. If Mr. Cashen or any other of the Advance's friends can verify the reported find by him of seven bears in one den

Campbellton Water Works.

The arbitration which has been going on at Campbellton for a long time in connection with the taking over by that town of the water company's works and franchises appears to have almost ended. It is understood that the arbitrators, Messrs. Geo. McLeod, Chas. S. Gregory and J. Emile Vanier, placed their award, which is understood to have been unanimously agreed upon, in the custody of the Bank of Nova Scotia, Campbellton, together with a draft for their fees and expenses, amounting to \$8,033.39. The award would not, of course, be made known to either party—the town or the company—until this amount was paid. The arbitrators also left with the bank a check for \$1,307.00 payable to the town and another for \$1,301.75 payable to the company, and chargeable upon their fee and expense account, when it should be paid. This \$2,608.75 represented advances made to the arbitrators on account of expenses during the progress of the enquiry.

Christmas Services in S. Mary's and S. Paul's.

The great Festival of Our Lord's Nativity was celebrated with appropriate services in S. Mary's and S. Paul's on X'mas eve and Christmas day—Saturday and Sunday last. The last evening of the Festival was said at 7.30 p.m. in S. Mary's on X'mas eve and the usual midnight celebration of the Holy Eucharist followed, beginning at 12 o'clock. The 2nd celebration of the Holy Eucharist was at S. Paul's at 8 a.m. on X'mas day, and there was also evening prayer and sermon by the rector at the parish church at 3 p.m. Morning prayer was said at S. Mary's at 11 a.m., being preceded by carol singing by the Sunday School children, and followed by the celebration of the Holy Eucharist with sermon. Evening prayer was said in S. Mary's at 6.30 and was followed by a sermon by the rector. Owing to illness and absence of members of the choir, the X'mas eve and midnight celebration services were not of the usual festive character and at S. Paul's several members of the choir were unable to attend. Notwithstanding, however, X'mas eve was altogether appropriate to the occasion, the organist and singers performing their part admirably. The procession of hymns at all services was 59 H. A. & M. The other hymns being 60, 62 and 582. The anthem at the 11 a.m. service was "Sing, O Heavens", Cairns, Te Deum, Jackson, Venite, Chant, A. M. & Benedictus &c., Kyrie &c., Woodward, Credo, Gilbert. At the evening service the proper psalms were sung to Chants A. M. & Magnificat, Adhiam, Nunc Dimittes, do.

The Churches were handsomely decorated with evergreen and flowers, and there were good congregations, 30 communicants being at the 8 o'clock celebration at S. Paul's.

The rector was the recipient of a Christmas gift from the Sunday School children.

News and Notes.

A Portland M. B., despatch of 25th says:—Edward L. Baker, through his attorney, Hon. W. H. Looney, has brought against the Portland S. S. Company, on account of the death of his wife, Mrs. Beula M. Baker, who was on board the Portland when she went down. The suit is for \$10,000. The wife is quite long dead, after reciting the facts in relation to the loss of the Portland, charges the company with carelessness in allowing the Portland to sail from Boston in the face of the storm when they knew the storm was threatening, in not providing a boat suitable for the exigencies of the service and in allowing their steamer to go to sea improperly outfitted, manned and equipped. This suit is returnable at the April term of the supreme court.

A Constantinople despatch of Dec. 24th says that Hatuz Pasha murdered Ghani Bey in a restaurant there, escaped, and is still at large. The official press bureau prohibits any mention of the affair in the newspapers. It appears, however, that Hatuz Pasha, after a slight altercation, placed the muzzle of his revolver close to the head of Ghani Bey and fired. Ghani was dead after a few hours of suffering. Ghani was the Sultan's favor and promotion by committing numerous crimes. He was sent to restore order in Epirus after the Greek-Turkish war. At the head of three hundred lawless companions he robbed, pillaged and murdered by wholesale until he was summoned home, only to be promoted to a colonelcy. Then he continued his inquiries at Constantinople. He would enter a shop, draw a revolver, and compel its owner to open his safe and give up the contents.

Captain Henry Deason Barry, assistant director of the Naval Intelligence Department, British Admiralty, had been appointed to the command of the British squadron in Newfoundland waters, the appointment to now effect next season, with the rank of commodore, and the cruiser "Comus" as his flagship. The squadron will be increased by heavier vessels than have heretofore been assigned here. Captain Barry's appointment, which is out of the regular order of selections, is understood to be due to the desire of the Imperial Secretary of State for the colonies, Mr. Joseph Chamberlain, to have in command of the squadron an officer whose abilities can be utilized in the many delicate complications certain to result from a settlement of the French shore question as regards the Gulf of St. Lawrence. Barry will also organize the proposed naval reserve among the fishermen of Newfoundland.

The annual meeting of the MICHAMICHI STEAM NAVIGATION COMPANY will be held in the Committee Room of the Town Hall, in the Town of Chatham, N. B., on Friday, 30th of Dec. 1898, at 11 a.m.

The annual meeting of Chatham Board of Trade will be held in the Town Hall on Tuesday evening, Jan. 10th 1899.
