DEAD FEAR FROM HOME—A Bathurst despatch of 17th inst. "The death of Fredrick Bishop, eldest son of Mr. Samuel Bishop, merchant of this place, occurred at the hospital, Dawson City, on September 16th. The sad news, though not quite unexpected, reached here on Tuesday by a letter received by Mr. Gallant, of St. John, from her husband, dated Dawson City, Sept. 26. The late news from Mr. Bishop was that he had a serious attack of typhoid fever. The deceased was in his 22nd year and had many friends, who sincerely regret to hear of his death. Great sympathy is shown by Mr. and Mrs. Bishop and family in their sad affliction.

THE NEWCASTLE ELOPEMENT—Gauthier the man who eloped with the barber's wife at Newcastle passed through that place per I. C. R. the other day en route to Boston. Passengers on the Maritime express, report that quite a scene was witnessed at the I. C. R. station at Newcastle. It appears that Gauthier and Mrs. Dillon had been spending the week at Campbellton and that Mrs. Dillon finally decided to return to her old love. Her husband met and forgave her with a span of horses and covered buggy drove her home from the station. Gauthier said that he expected Mrs. Dillon in Boston in a short time.

PERSONAL—Mr. R. C. John Dunn, architect, of St. John, is in town to arrange the preliminaries in connection with plans for the proposed school building on Wellington street, between St. John and Canard.

MR. H. A. Austin, ex-M. P. P. was in town this week.

MR. E. T. P. Shearer, resident Dominion engineer, St. John, is in Chatham examining the harbor front and Dominion wharf, with the view, it is said, of defining the location of blocks to be built on the former by private parties, and repairs to the latter.

MR. HALL, the popular junior of the Bank of Montreal staff, Chatham, has returned to

having a uniform time, on the Miramichi river, hereby agree to adopt a time thirty minutes faster than Eastern Standard (commonly called "Newcastle") time to be known as "Miramichi Time" and it shall come into effect on the morning of Thursday the twenty-fourth day of November 1898.

The foregoing was signed by residents of Newcastle including its clergy, and leading citizens up-river, in Douglastown and elsewhere.

The following also shows that the Chatham Town Council is in line with the people they represent on the subject—

At a meeting of the committee of the whole, held in the committee room of the Town Hall, Monday evening, the Town Council, on motion of Mr. Robinson, seconded by Mr. Snowball, unanimously adopted the following resolution—

Whereas, it is desirable to establish a uniform time on the Miramichi and

Whereas, Newcastle and other sections of the county have expressed a willingness to adopt a time thirty minutes faster than Eastern Standard time;

That this council, at the time for the Town of Chatham, a time thirty minutes faster than Eastern Standard time, that the janitor of the Town Hall be instructed to ring the bell at noon, on Thanksgiving Day, and each day thereafter, according to that time.

T. M. GAYNON, Town Clerk.

Chatham, Nov. 22, 1898.

The clergyman, school authorities, banking people, manager of the Miramichi Steam Navigation Company's boats and others in Chatham have agreed to adopt the new time, which beginning this morning will be indicated daily by Mr. Gould's regulating clock at the watchmaking establishment on Water Street. It will be exactly six minutes slower than the time that has been kept by him heretofore and by which the "Newton" has been run.

Everybody will be glad that the confusion which has heretofore existed on the Miramichi because of the difference between Chatham and Newcastle times is, at last ended.

Blair Robertson's send off.

[Continued from 2nd page.]

[At this point Mr. Alex. Wilson, Mr. Robertson's successor in the management of the Bank of Nova Scotia at Newcastle entered the dining room, having just arrived by the express train from St. John.

Mr. Wilson would find the people hospitable and that north shore people stood by the banks always and treated them honorably.

Vice-chairman Street proposed the last of the regular programme toasts—"The Lumbering Interests," and asked what even the banks would do in this part of the country without them? He called upon Messrs. W. A. Hickson and Geo. Burchill to respond.

Col. Call said that Hon. Allan Ritchie, who was one of the gentlemen to have responded to this toast, was prevented by illness from being present.

Mr. Hickson said the lumber market had not been so depressed for years as it was at the present time and that the banks would make more money out of the lumber trade than the lumber manufacturers would for the next six months, until the ships came in again.

Mr. Burchill said that he had been in the city for some time and that he had seen the banks and that he had seen the banks and that he had seen the banks.

Mr. Robertson said that he had been in the city for some time and that he had seen the banks and that he had seen the banks.

interest in it and gave the subject his thoughts and study. At the present time Newcastle Field Battery was fully equipped for active service, which it never had before, and he had been asked to make application for any supplies that might be required to complete its equipment.

He did not know why these preparations were being made, but thought some serious trouble must be anticipated.

Mr. Armstrong, who was suffering from a cold, said he could not sing, but he recited "Banty Tim" instead, and was applauded for doing so.

Mr. Jas. Brown was next called on for a song, but made a speech instead, in which he added his testimony to the high appreciation in which Mr. Robertson was held in the community, and the general regret over his removal from it.

Mr. Street proposed the Educational Interests and Principal F. P. Yorston made a very pleasant and appropriate reply, closing with warm and friendly words for Mr. Robertson.

Mr. Burchill proposed the ladies coupled with the names of Dr. Hayes, P. B. Wheeler, John Sargeant and D. Doyle.

Dr. Hayes said it was a pleasure to him to say that the old guns of the battery, which had been burned some years ago, had been obtained and would be set up in the park. A friend of his at Quebec had promised to supply cartridges for them and it was expected to mount them next spring with a grand celebration at which he hoped Mr. Robertson, who had taken such pride in our park which he had aided in many ways, would be present.

The matter of adopting a uniform time for Chatham and Newcastle was discussed at the suggestion of Col. Call, and on motion of Mr. G. C. Smith, the desirability of adopting "Miramichi Time," viz an even half hour faster than Eastern Standard, or railway time, was affirmed by a vote of 31 to 3 after Col. Call, and Messrs Smith, Ferguson, Pedolin, Malby, Morrison, H. Williston, Lawlor and J. L. Stewart had discussed it.

At 3 a.m. "Auld Lang Syne" was sung, Mr. Robertson was cheered and cheered again, and then "tossed" by some of his athletic friends, and the celebration closed. It was a grand affair and all were present will have pleasant recollections of the event for many a day.

Of Interest to Ladies.

Referring to the reception of our new governor-general, Lord Minto, an Ottawa correspondent says—

Lady Minto's complexion is very bright, as are her dark eyes. When speaking or smiling her face brightens wonderfully.

She wore a long fur-lined coat of crimson cloth, with a very handsome tippet and muff of mink. Her small toque was of lawn-colored velvet, covered with sequins edged with mink and trimmed with two ostrich feathers to match.
