WOMEN WHO SHOULDN'T.

The woman who proudly declares that she cannot even hem a pocket handkerchief, never made up a bed in her life, and adds with a simper that she's "been in society ever since she was 15," should not marry. And there are others:

The woman who would rather nurse a pug dog than a baby. The woman who wants to refurnish her house every spring. The woman who buys for the mere pleasure of buying.

The woman who thinks men are angels and demigods. The woman who would rather die than wear a bonnet two seasons old. The woman who thinks that the cook and the nurse can keep house. The woman who buys bric-a-brac for the parlor, and borrows kitchen utensils from her neighbors. The woman who wants things just

because "other women" have them.

Agricultural INGERSOLL

Can Do More Work on the Farm Than His Twenty-Four Year Old Son.

Was Too Weak to Work at All-Disabled With Kidney Disease -Dodd's Kidney Pills Gave Him His Present Strength.

Ingersoll, Nov. 6.-We have a man in this district who is a remarkable example of the adage, "Health and strength go as a pair." He is a middown to a system that will be guided by good sense and sympathy. Some dle-aged man in perfect health, and people cannot get enthusiastic over glories in his strength. Yet som Mr. W. H. Bailey lives on lot five The readers of polite literature ad- genuine trouble in her voice. "It making any reply to Mr. Warrender's the eatables for Jessica, his thoughts fat with the green food they have been the district. For years Mr. Bailey were on far different things. That eating, and so intelligent looking that sapped his strength. He was not a

uneventful and simple life which it nothing but swill and scraps, it is bet- great an extent did he gain in Hardy, and don't mind the mud that and there was sadness in his smile. "I was here in the garden," Mrs. would give him the slightest concern ter to let them alone, and devote the strength that in spite of his years he could overmatch his grown-up son, a big strapping man of twenty-four. These animals have the reputation of Mr. Bailey says: "For years I have

A Pleasant Surprise

on the plains or on large plantations where land is so cheap and abundant For those who have thought that Catis not sheep farming. It is only where arrh is incurable, and to whom the Was no more out of her bearings the land is limited, and every acre constant use of snuffs and ointments than people are who use any other must be made produce its profit, that scientific sheep farming can be conducted with success and skill. Here air treatment for Catarrh, Bronchitis them, to be the cleanest and most good crop rotation is essential, for it and Asthma, Catarrhozone is a guaran- satisfactory dyes ever produced. Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and troying the foundation of the disease, and troying the foundation of the disease, and the foundation of the disease of work. The proprietors have so much faith in Large and fast Steamers Vancouver, its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
