THINKS CHATHAM IS ALL RIGHT: - Mr Robert Smith, of St. John, was here Thursday, on a visit to his daughter, Mrs. Easign Wright, S. A., He worked here 25 years years ago and says the town is much changed for the better. He pointed out many places built up since then and thinks Chatham is a fine, healthy spot.

FIRE AT AMQUI, P. Q .: - Amqui was the scene of a big fire Monday afternoon, destroying a lot of lumber piled in the lumber yard connected with the saw mill of Price Bros. The I. C. R. track was burned for quite a distance, and men and material were taken from Campbellton to repair the damage.

A BIG OFFER :- During the month September we offer the following :-The Daily Montreal Star, 1 year The Farm Journal for 4 years The MIRAMICHI ADVANCE, 1 year. The three papers as above stated for \$1.75 cash in advance. This is an offer never before made and it will be open for this month only.

A WONDER is Lewando Baldwin who is to appear at Masonic Hall, Chatham, next Wednesday evening. He is the armless man

from the Chatham lock-up. So far, we have not heard of any civil business that is likely to claim the attention of His Honor, who nevertheless, will be heartily welcomed to the Miramichi.

How THEY DID IT :- Returning officer Call's analysis of the ballots cast in the late civic election in Newcastle shows that the Barker house, where it is attracting a great big-figure votes were as follows :--For the independent ticket, Messrs. Creaghan, Fish, Ferguson, Lawlor, Morrissy, Rundle, Sinclair and Street : 196 ballots. For "the people's" or "temperance"ticket, Messrs. Bannon, Clark, Falconer, Gremley, Hennessey, Morrison, Phinney and Stothart:

80 ballots. For Messrs. Clark, Falconer, Gremley, Morrison, Phinney and Stothart : 43 votes. The figures show that the old monkey and pussy operation with the fire and chestnuts played quite an important part in the game Messrs. Hennessey and Bannon were merc lessly slain in the house of their "friends."

ST. ANDREW'S CHURCH REPAIRS and renovations are rapidly approaching completion. The church is very much improved in appearance, as it will be in comfort. The painting on the inside of the building is very rich looking, and quite artistically done. The the best. church is being visited every afternoon by large numbers of citizens, who all seem

admire the work that has been done. The repairs cost over \$5,000, and the amount is already almost fully met by subscriptionsa fact which reflects much credit on the congregation. Arrangements are made to have the church re-opened on the last Sunday of the month, and we are informed that the opening services are likely to be elaborate-

in keeping with the great improvement effected on the edifice. The pastor, Rev. D Henderson, is to have the assistance of sev eral of the best well known clergymen of his church. We shall give our readers the

### St. John Lumber Shipments.

During July and August 54,875,000 sup. ft. of deals, etc., cleared at St. John for British ports. Over 6,000,000 feet cleared in the last week in June, and this added to the other makes a total of about 61,000,000 feet in a little over two months, or an average of over a million feet for each working day. Of the total, nearly 18,000,000 feet cleared in the closing two weeks of August.
