To Young MEN :- Rev. J. A. McGlashen will preach a special sermon to young men on Sunday evening in St. Andrew's Church. Young and old however are cordially invitad and all will no doubt find the servic

tion of building. It is generally admitted by street railway promoters that Fredericton is a good centre for a profitable street railway, with its mills below town and above town, each employing a large number of

people, nearly all of whom reside in the city. The proximity of the enterprising town of Marysville and of the villages of Gibson, St. Mary's and Nashwaaksis, together with the inducements which the city proper offers all tend to make the street railway franchise a valuable one.-Gleaner.
