NOTES AND COMMENTS

Lord Roberts of Kandahar recently presided at a meeting of the Military Society of Ireland in Dublin, at which a lecture on "Instruction in Infantry Training" was given by one of the officers of the garrison, Col. Henderson. The lecturer pointed out the changes that had been necessitated in methods of war by the increased fire-power possessed by the infantry of the two crease of fire-power given by modern singly they were at my mercy. in sealed packets

The Steele, Briggs Seed Co.'s

Enormous annual trade in Farm and Garden Seeds has been attained by 26 years of constant vigilance and care, and in supplying merchants and growers with the very highest standard of quality that can be procured, and at most favorable prices consistent with "Good Seeds," which is the first essential for a good crop.

Among our many introductions of merit

The Steele, Briggs' Improved CARROT Short White CARROT

It may be properly called "Little Glant." Seldom exceeds sixeen inches in length, and has been grown to measure twentystands nearly one-fourth out of ground, with a strong, handsome top, broad and heavy at the shoulder, tapering evenly to a point, as perfect as if turned in above ground, and a light creamy white under ground flesh rich white, solid, sweet and very nutritious. Under good cultivation has yielded one thousand bushels per acre.
