

This Paper One Year, Farm Journal nearly 5 Years

PAY UP AND GET BOTH PAPERS AT PRICE OF ONE.

We want to get 500 new subscribers to THE ADVANCE, and are going to do it if we can; we therefore continue our arrangement with the Farm Journal at a rate longer by which we can send THE ADVANCE and the Farm Journal the remainder of 1900 and all of 1901, 1903 and 1904, both for \$1.00 paid in advance.

You know that this paper is, and the Farm Journal is a gem—practical, progressive—a clean, honest, useful paper—full of gumption, full of sunshine, with an immense circulation among the best people everywhere. You ought to take it.

Miramichi and the North Shore, etc.

ELECTION CLERK.—R. T. D. Aitken, Esq., has been appointed election clerk by the Returning Officer, Col. R. C. Call.

CIGARETTE-SMOKING is said to cause shortness of breath. If it is so the remedy is to leave them off. But if the shortness comes from a cold or asthma, the remedy is Adamson's Botanic Cough Balsam. 25¢ all Druggists.

PERSONAL.—Mr. Geo. Fleet, formerly of Nelson and a graduate of the Advocate office, Newcastle, was in town on Tuesday and made a pleasant call at this office. He is, as he has been for many years, foreman of the great Rand-Avery railway and steamboat printing office, Boston, a position which he fills with ability and credit to his native place.

HARVEST THANKSGIVING SERVICES.—Special services of Harvest Thanksgiving will be held in S. Paul's and St. Mary's churches on Sunday next, at the usual hours. The special offerings will be for St. Mary's Repair Fund, to pay off balance of debt. It is hoped that there will be a general attendance at all the Thanksgiving Services and liberal offerings.

MIRAMICHI MARBLE WORKS.—Now is the time to place your orders for cemetery work and avoid the spring rush. We have now on hand and coming one of the largest stocks of marble and granite monuments, headstones and tablets ever shown on the north shore, all from the latest designs and worked from the best material the market can produce. Call and get our prices. They are right. JOHN H. LAWLER & Co.

SEVERED AN ARTERY.—A young man named McNeil, belonging to Restigouche County, met with a painful accident yesterday, at Hogg's cutting factory, where he is employed. While skylarking with another workman, his left hand came in contact with the blade of a knife which the other was using at the time, and the point entered near the base of the thumb, making a bad gash and severing an artery. He was removed at once to the hospital, where the wounds were dressed by Dr. Atherton. He will probably be laid up for several weeks.—From Herald, Oct. 3rd.

THE NEW RESTIGOUCHE HATCHERY.—The Dominion government have just completed a new salmon hatchery at Flat Lands, Restigouche county, N. B. The dimensions are 100x30 feet. The building is one and a half storey, and when fully equipped will be the best in Canada. Mr. A. McG. McDonald, the government fishery expert, has reserved a large space in the building which will, next year, be fitted up with enamel tanks where young fry will be kept, after hatching, for six months, when they will be liberated in the streams. Before liberating them Mr. McDonald will brand them, so that parties reaching them will recognize where they came from.

TO OUR READERS.—The ADVANCE will be obliged to its numerous readers if they will enable us to make reference in our local columns to matters and events in which they are interested, or may think their friends may be. This they can do by giving the information in person at the office, or writing to us about it. Many things proper to be noticed in the ADVANCE's columns do not appear therein, simply because our attention is not called to them by those who would like to see reference to them in the paper, but have omitted to do their part in making them known. Come, therefore, or write and tell us your local news.

Hunting and Killing Gulls.—We understand that some people are in the habit of shooting at sea gulls in rivers and bays on the North Shore, and that quite a number of these birds are killed. It may not, therefore, be amiss to state that the law on the subject, 62nd Vic. Cap 8, Sec. 4, sub sec. 4, provides, under head of "offences at all seasons":

"Everyone is guilty of an offence and liable to the penalty hereinafter provided who at any time or season hereafter, in any part of the Province:

(a) Hunts, takes, kills, injures, traps, snares, shoots, wounds, kills or destroys—any sea-gull, phalarope or any small birds which frequent the fields and woods (except such birds as are specified in the provisions made in this Act, and excepting also black-birds, crows and English sparrows) or removes, damages or destroys the nests or eggs thereof.

The minimum penalty is \$5. It will, therefore, be well for those who have heretofore practiced this kind of "sport" to discontinue it.

Northumberland and the Election.—High Sheriff Call, who is appointed Returning Officer for Northumberland in the pending Dominion election, has made, we think, a record in getting out his proclamation, as he had it posted at Mr. E. Johnson's, express office at two o'clock yesterday, Wednesday, and also at the Court House, Newcastle.

Although it does not appear that there will be any opposition to Mr. Robinson in Northumberland—certainly none that will be successful, as he is supported by both Liberals and Conservatives—some particulars respecting the constituency in its relation to a Dominion election will not be out of place. Under the new law, not more than three hundred electors must be on the list of each polling station, so while there are 23 polling divisions in the County there are thirty-six stations—that is it would require thirty-six ballot boxes to receive all the ballots. In divisions, like that in the town of Chatham, for instance, although all the voting would be done at or near Masonic Hall, there would be five stations there. All persons, the initials of whose surnames are from A. to C. (noting at one, D. to H. at the next, I. to M. at the next, M. to R. next and S. to Z. next. To a lesser extent the same conditions would prevail in several other divisions. There are 7088 voters on the electoral lists of the County.

Table with 4 columns: Station, Voters, Divisions, Stations. Lists various stations like Alnwick, Blackville, Blissfield, etc.

A portion of the voters who would poll at Loggieville and also a few who would poll at Rogersville—those of that settlement who reside within the bounds of Gleneg—should be credited to Gleneg, but we have no means of knowing the exact numbers. The Chatham parish voters at Loggieville also go to increase the number of Chatham's voters as shown opposite Chatham list.

There were 4,603 votes polled in Northumberland Dominion election of 1900. Of these Mr. Robinson received 2,225, Hon. Mr. Mitchell 1,718 and Mr. Morrissey 660.

A Sensational Story.

The following item of "news" was published in the sensational press under date of 5th inst., purporting to have originated in Philadelphia:

Information was received in this city today from Boston of the disappearance several days ago of Rev. Father Duncan Evangelist of the Society of St. John the Evangelist, which is an order identified with the Episcopal church in this country, but whose headquarters is at Cowley, near Oxford, England. Father Converse was formerly pastor of St. Clement's church, and succeeded Father Martin, who became the head of the order, and who some time ago accepted the Roman Catholic faith. Father Converse was born in Ohio fifty five years ago.

he endeavored to in force game warden Wyse to back-date the licence which he applied for, after he knew that his violation of the law was likely to get him into trouble. It is a futile and chivalrous evasion for Dr. Cox to intimate that anyone has objected to his not "having a licence in his pocket at the very time." His offence was that he treated the law with contempt by not having a licence at all—in his pocket or anywhere else. The law says (62 Vic. Chap 8, sec 6):

Everyone is guilty of an offence and liable to the penalty hereinafter provided, who, during any open season for moose caribou or deer:

(a) Hunts, takes, kills, injures, traps, snares, shoots, wounds, kills or destroys—any moose caribou or deer without being the holder of a licence so to do, as provided for in Sec. 30.

Sec. 30 provides—amongst other things—that the licence may be obtained from the Surveyor General, Chief Game Commissioner or any Warden, and a subsequent section (41) fixes the price at \$2.

Dr. Cox entirely ignored the law and he now endeavors to set up a law of his own, viz.—that men may first go hunting and afterwards obtain the licence to do so. It is needless to say that there are men who do this, but it is somewhat in the nature of a surprise to find Dr. Cox ranging himself with them and advocating the practice. The law should, however, be upheld and he must be made to understand that he is not above it. It is not to his credit that a person of his position should set the example he has done in the community to those who may be all too ready and willing to follow it and take their chances for escaping detection, just as he did.

As to his denying that he wanted to have the licence back-dated by Mr. Wyse the circumstances and that gentleman's statement are against him.

He refers, in sarcastic vein, to the

high water which would reach 400,000 bales, worth at least \$20,000,000.

The first telegram from Skaguay to Seattle over the Canadian Government line has been received. The time occupied by the message in transit was seven hours.

Hay Fever Serious this Year.

Hay Fever this season appears to be of a very virulent type, developing in many instances into congestion and inflammation of the lungs. Evidently Hay Fever should not be trifled with, and the most fortunate discovery to this class of sufferers is that marvellous microbe killer, which during the past two years has been found so absolutely certain in all cases of Hay Fever, Asthma, Bronchitis, Catarrh. It is very strange how people will persist in using snuff, ointments and washes which are not only disgusting to use but are useless. Catarrhine is very pleasant—it is carried by dry air through the most remote air cells to the lungs. It quickly destroys the germs and cures simply because there is nothing left to excite disease. It is to be had from Druggists, or the originators, N. C. Polson & Co., Mt. Clemens, Kingston, Ont., will send it to any address in Canada or United States, post and duty paid, for \$1.00, and C. P. Hickey, Chatham also sells it.

After the ceremony nuptial Mass was celebrated by the Rev. Father Duffy. Mr. W. J. Davis, A. Mass, L.C.M., the talented organist of the chapel, played a beautiful selection of Music on the organ during the service; and also Mendelssohn's Wedding March when the bridal couple were leaving the church.

A sumptuous dejeuner was given in the Royal Hotel, where a very large company sat down to table. The catering, as carried out by Miss Col, was all that the most delicate taste could desire, and reflected the highest credit on an establishment already noted for its excellent cuisine.

The happy couple left by the one o'clock

the I. C. R., for his kindness in accommodating members of Synod in securing return passage.

To the press for reports of proceedings of Synod. There was great enthusiasm when the Moderator put the resolutions, to which, as he said, only one response could be made. A closing address was made by the Moderator, a hymn was sung by the Choir and the Synod adjourned shortly after 11 p.m.

As soon as the adjournment took place, the Citizens' Band which was waiting outside, struck up and played several pieces as a serenade, concluding with Auld Lang Syne and God Save the Queen. This was a much appreciated compliment, and together with other attentions which the visitors received during their stay here, caused them to take away with them a good opinion of the Miramichi and its people.

Much credit was given to Rev. D. Henderson, pastor of St. Andrew's Church, for the perfection of the arrangements for the reception and entertainment of the visiting clergy and elders.

Wonderful Results.

FROM TAKING DR. CLARKE'S WONDERFUL LITTLE RED PILLS Editor of the Daily Echo.

Sir,—I feel it a duty, I owe to my fellow sufferers to say that, after 12 years of indelible tortures from indigestion and debilitated constitution, I am now, I believe thoroughly well. I am hundreds of dollars seeking relief that never came, until I tried Dr. Clarke's Little Red Pills, 12 boxes of which did the work. I am now in perfect health and want the world to know what cured me. E. S. Smith, St. John's Newfoundland.

Chas. Ritchie writes—"I believe if it had not been for Dr. Clarke's Little Red Pills I would have now been in my grave, as I was a long sufferer from stomach troubles. They are the greatest remedy on earth."

Dr. Clarke's Little Red Pills are a positive and certain cure for rheumatism, asthma, paralysis, catarrh, coughs, lame back, indigestion, all stomach and liver troubles, female complaints, even when the diseases have been standing for many years. The most stubborn cases will yield. For sale by leading druggists and sent direct by mail, by addressing Canada Chemical Co., Peterborough, Ont. 50 cents per box, or 3 boxes for \$1.00.

Dr. Clarke's Sure Cure for Catarrh. Same price. \$1.00 will be paid for any case that it will not permanently cure.

Shipping News.

PORT OF CHATHAM. Entered from Sea. Oct 8—Sch Joseph Hay, 165, Philippe, Perth Onlay, Don. P. M. Co Ltd. G. Cal.

At the residence of the bride's father, Mr. W. H. Spencer, the wedding ceremony was performed by Rev. Mr. Morton, assisted by Rev. Mr. Rogers. The bride was Miss Col, and the groom was Mr. W. H. Spencer.

MARRIED.

On Thursday forenoon the first business was the augmentation fund. The aim of the scheme is to assist weak and poor congregations and to bring the stipend of every minister up to the minimum amount of \$750. In this respect the Presbyteries are in advance of other churches. The report was presented by Rev. Elwin Smith, and Rev. E. S. Bayne moved its adoption in the following resolution:—

"The synod receives the report and records its gratification, commends the fund to congregations and reminds the Presbyteries of their duty to the fund, and allocates \$10,000 to the various presbyteries within the bounds of the synod."

Rev. W. H. Spencer seconded this motion and reminded the presbyteries and pastors that they were responsible for the enlightening of congregations in reference to the aims and working of the scheme.

It is to be regretted that 38 congregations failed to contribute to this scheme. The congregation of Woodstock, of which Rev. Mr. Ireland is pastor, was referred to with praise as having become self-maintaining. The committee paid the grants in full last year without drawing on the reserve fund. The fund is in a very satisfactory state and the synod is gratified that the maritime church has always made such a liberal and intelligent response to its appeals on behalf of one of its most deserving schemes.

The widows' and orphans' fund was presented by Rev. Dr. Seidwick, in a most encouraging report. He recommended this form of insurance to young ministers as admirably adapted to their peculiar circumstances and as offering better terms than the ordinary insurance companies. The moderator, Rev. Mr. Morton, spoke strongly in support of this scheme and said no student should be allowed to graduate until he had passed an examination on this subject.

Rev. A. Rogers presented the report on the aged and infirm ministers' fund. The sum of \$4,200 was received during this year. There are now 23 annuitants, and the income is insufficient for the demand. Rev. Mr. Rogers recommended that the regulations allowing non-contributors to receive half of the regular amount be rescinded. Only 15 out of 39 ministers in the St. John presbytery belong to this fund.

Rev. A. McLean Sinclair moved the reception of this report. He said it was not an insurance or benevolent fund, but a church fund and ought to be supported by presbyteries and ministers.

Principal Pollock seconded the adoption of the report. He said that he was not contented with this fund, though both aged and infirm, but could see no reason why other ministers did not join it. It must be because of their wonderful faith.

On Thursday the Synod adjourned at twelve o'clock and boarded the Steamer St. Nicholas, which was generally placed at their disposal by Hon. Senator Snowball. The large number of excursionists were accompanied by Mr. Snowball, and an hour was spent most enjoyably on the river, many of the participants in the trip pronouncing it one of the best they ever experienced. The weather was delightful and the river much admired.

After the trip the members of Synod attended the laying of the corner-stone of the new St. John's church and at 3.30 reassembled.

Rev. Robert Murray, editor of the Presbyterian Witness, gave an interesting account of the Century Fund and introduced resolutions affirming the need of energetic prosecution of the canvass for securing the \$1,000,000 required before the end of the year.

Dr. Campbell, the general agent of the fund also addressed the Synod on the subject.

Reports on Christian Life and Work; Young People's Societies and S. Sabbath Schools were discussed at the evening meeting, and before the close the following resolutions were moved by Rev. D. Falconer, and seconded by Rev. T. C. Jack:

1. The thanks of the Synod are hereby tendered to the minister, session and trustees of St. Andrew's church for the use of this handsome building, and to the choir for their effective singing and in leading the services of praise at the evening meetings of Synod.

2. To the committee of arrangements, and especially to the convener, Rev. D. Henderson, for their successful labors in providing accommodation, and to the citizens of Chatham for their generous hospitality and innumerable kindnesses, which heighten the enjoyment of the Synod.

3. To the honorable Senator Snowball for the delightful excursion, enabling the members of Synod to form some idea of the grandeur of the Miramichi river and the magnitude of its industries.

4. To the railway and steamship companies for their reduction of fares, particularly to the Intercolonial and Canadian Eastern Railways for special privileges, and to Mr. Jas. Kelly, the travelling agent of the I. C. R., for his kindness in accommodating members of Synod in securing return passage.

5. To the press for reports of proceedings of Synod. There was great enthusiasm when the Moderator put the resolutions, to which, as he said, only one response could be made. A closing address was made by the Moderator, a hymn was sung by the Choir and the Synod adjourned shortly after 11 p.m.

W. S. LOGGIE CO. LIMITED. Chatham, N. B., 6th Sept., 1900. ADVANCE'S presentation of the facts, as those of "the learned phrase and pious doctor of the law, whose polite and dignified distinctions have of late proved so entertaining and instructive." We have not indulged in anything in connection with the matter beyond a plain and truthful statement of the circumstances of the case, and those who know the offender will realize that "the polite and dignified distinctions" of a certain "learned phrase and pious doctor" will not divert the attention of law-abiding people in the community from his methods, or cause them to fail in proving that his example is not an honest one to follow. For a man who is in the position of a moulder of the moral perceptions of the young, Dr. Cox is a peculiarly untrustworthy person.

CANADIAN PACIFIC RY. THANKSGIVING DAY Excursion Tickets One Fare for the Round Trip. Going October 17th and 18th, good to return October 22nd, 1900. The Popular Route to Montreal, Ottawa, and Toronto is via St. John, N. B., and CANADIAN PACIFIC RAY. SUPERB PALACE SLEEPERS, MAGNIFICENT FIRST-CLASS COACHES, UNEXCELLED DINING CARS. A. J. HEATH, D.
