#### To Our Readers.

The ADVANCE will be obliged to mamarous readers if they will enable as make reference in our local columns matters and events in which they are inented, or may think their friends may be. This they can do by giving the information m person at the office, or writing to us stbont it. Many things proper to be noticed in the ADVANCE's columns do not appear therein, simply because our attention is not called to them by those who would like to see reference to them in the paper. but have omitted to do their part in making them known. Come, therefore, or write and tell us your local news.

#### C. P R. Immigration Litersture.

The Canadian Pacific Railway Company Thave just ussued two excellent immigration pampulets for 1900 - "Western Canada" and "British Colambia"-which contain a great Wdeal of useful and accurate information about the Country west of Lake Superior, and are of special interest to those who contemplate settling either in the Canadian Northwest or British Columbia. Large editions of those pamphlets are distributed gratuitously in Great Britain and the United States, as well as throughout. the Dominion, and are eagerly read by those who are seeking a new home and desire to know something of the best country in the world in which to find one.

#### Norton Clayton's Death.

FREDERICTON, N. B., Feb. 20.-The enquiry into the cause of the death of the immigrant boy Norton Clayton was concluded by Coroner Couthard last evening.

Mr. McKeown who attended the enquiry in the interests of the provincial government submitted a list of several questions to Arrived opposite the store of Mr. J. J. the jury and their answer was "that Ciay- Melanson, in the Village, where seveal illumton had died from the effects of frizen feet, ated mottoes spanned the street, a fine ed. that his feet were frozen on account of display of fireworks took place which added dampness and exposure to cold in the barn, very materially to the beautiful decorat one that he was missing from home three days, to be seen on every hand, that he left home for fear of being punished for wrong doing, that he had r. ceived a was not too harshly treated by her.

SPLENDID ILLUMINATIONS

The Right Reverend Thomas F, Barry, D. D., B shop of Thuggs and Cosjutor-Bishop of Chatham, reached Bathurst on the accommodation train at 5 30 on Wednesday

evening 14th, from Chatham, where he had spent a day after his consecration at St. John on the previous Sunday. At a joint meeting of the Catholics of the Town and Village of Bathurst held the previous Friday evening, it was decided to celebrate His Lordship's home-coming by a public reception. Consequently, when the train reached Bathurst on Wedn sday evenan immense crowd of citizens teams and on topt was at the I. C. R. station to welcome Righop Barry. As the train pulled into the depot Father Purcell, His Lordship's assistant. JACON WHITE, T. M. BURNS.

accompanied by Messre, Jacob White and A. E. Doucet, church committee men, entered the par, and after welcoming Bishop Barry, conducted him to the station platform where he was greeted by soveral mem-N A. Lund y. bers of the clergy. A procession was immed. iately formed with Mr. John Kenny se mar-

shall. The church committee, Mesars. Jacob White, A.E. Doucet, and Wm. J. Melanson, with their secretary, Mr. J. J. Harrington, occupied the first team; next came His Lordship accompained by Rev. Father Purcell, of Bathurst, and Rev. Father S. J. both, speaking in French and also Crumley, of Blackville, then Rev. W. Varrily, of Bathurst Village and Rev. W. E. purse of gold. Sormany, of St. Therese, followed by a team containing Mesers. T. M. Burns, M. P. P.,

Henery White and P. J. Veniot, members was pleased with the reception tendered him of the school summittee. Following close by the Children of Mapy and that because they were children of the Blessed Virgin, to behind were a large number of cit zers teams and on foot. The line of procession whom he himself had a particular devotion. was through Bathurst Villinge to the town, as he was ordained on a feast day of the down Water Street to King Street, along Blessed Wirgin, (the feast of Our Lady of King to St. Andrews and to the Sacred Snows), and was consecr ted Bishop on the appivergary of Qur Lady's first apparition at Heart Church.

Lourdes in France, He thanked them for All along the line of march the houses the kind wishes expressed in the addresses were beautifully and artistically illuminated. and for the accompanying gift. A short programme of music was perform-

illuminated all along the line of march and

5.00

In the course of his remarks he said

In reply to the Mayor Ald. Snowbill said regarded him as their Soggarth Aroon, Here, beneath the roof of that church that, so far as the occupation and opening which your zeal has erected to the service of up of streets, etc., was concerned the Com-God, whose graceful spire and gilded cross pany was asking for nothing more in their reaching heavenward, proclaim that Christ new charter than they had in the present is first amongst us within the shadow of that oble pile of masonry, fitting abode for an one. The reason why they wanted the new episcopal dignitary and in sight of that splendid school building wherein education charter was in order that they might extend the usefulnese of their business by eplarging finds a lome, we offer you our hearifelt its operations; they wanted to supply congratulations on the exilted dignity to which you have been raised, and hope that power and heat, as well as light. They you may for many years continue to rule could now supply power and heat but could over the destinies of the parish, as you now not collect bills therefor under their present reign supreme in the hearts of the people. organization, should disputes arise He Signed on behalf of the Parishioners : showed that there was a demand for electric HENRY WHITE, J. J. HARRINGTON, power and heat and said the Company desired to keep Chatham abjeast of the times. The French address was signed on behalf Tney had given Chatham the first electric. of the F each people of the parish by W. J. light service is the province and by enlarging Melanson A G. Doucet, P. J. Veniot and their operations could run their plant day and night. They would want to put certain

of their wires underground also, which was ONE PRESENT. another reason why they sought enlarged On Satur'ay afternoon last, Bishop Barry | powers. They now supplied light more was ten lered a reception by the Children of cheaply by metre than it was supplied any where in Canada-save in one place-and Mary of Bathurst town and Village parishes. that was run by water power. The Company Two addresses-one E glish and one Freuch -were presented to him and he replied to was asking for no exclusive rights or privileges. As to selling out, they had the works in English. He was also presented with a now on a paying basis and hardly cared to do so, but if the ratepayers wanted to have

> them run by the to vn, they would pipt with them at a fair valuation. Meantime they would withdraw their present application and ask extension only for power and heating purposes. They would be sorry if the Conncil were to stand in the way of the Company in improving Chatham's electric service. The electric business is making advances and Chatham ought not to be prevented from keeping up with the times. In reply to Ald. Watt Ald. Snowhall said the company would sell out to the town on a valuation to be aree trined by arbitration in the usual way.

Father Percell, who accompanied His well timed speech and said that if the town Lordship, also spoke and reminded those did not make better strides in the electric present that not only was their Coadjutor business than it had done in regard to the The houses in the town were tastefully Bishop a devoted child of Mary Immaculate, proposed water system they would never get but also our dear Bishop Rogers was, like the electric light. It would be unfair and a severe flogging at the hands of Mrs. Storey the church grounds were decked with flags Babop Barry, ordained at a feast day of the dog-in-the-manger policy for the town to and that considering all circuustances, he ad m tipes.
