derived from Scott Act fines should be spent in the enforcement of the act only, and that it would be illegal to pass Ald. Watt's The Mayor said the framer of the act had nothing to do with the present law relating to the disposition of moneys collected under

Ald. Loggie still contended that his view was the right one, and he argued that when the money was transferred to the police account it would not be available solely for Scott Act purposes. Ald. Watt pointed out that there were

heating and lighting the court room where cases were tried, etc. Ald. Flanagan said the policemen wero Scott Act inspectors and it seemed perfectly clear that it was right to pay them from the Scott Act moneys; there were also other Scott Act expenses, such as those of the

court, law expenses, etc. The motion was altered so as to transfer \$600 of the Scott Act money to the police account and so passed. Ald. Watt submitted a bill of \$6.80 paper procured from St. John for poll book.

Ald.
