To Our Readers.

The ADVANCE will be obliged to its numerous readers if they will enable us to make reference in our local columns to matters and events in which they are interested, or may think their friends may be interested, by giving the information in person at the office, or writing to us about it. Many things proper to be noticed in the ADVANCE's columns do not appear therein, simply because our attention is not called to them by those who would like to see reference to them in the paper, but have omitted to do their part in making them known. Come, therefore, or write and tell us your local news.

The Presbyterian Review.

The Presbyterian Review, published by The People Publishing Company, Toronto, contains a large amount of interesting matter in its issue of Nov. 29, just to hand. On the front page of the cover is an excellent picture of the Rev. D. C. Hosack, M. A., LL. B., editor. There is also an illustrated article on the work of Rev. Wm. Meikle, who has been stated pastor of Cooke's Church, Toronto, during the vacancy; also on Rev. A. B. Winchester, minister-elect of Knox Church, Toronto; on Rev. A. J. McLeod, late Principal of the Regina Industrial School. The number contains an excellent reproduction of the central figures of those about the Moderator's desk at the Historical Moment when the Covenant of Union was signed uniting the two Scottish churches, and the news of the churches is exceptionally well arranged, and of the advertising pages the most interesting is the full-page illustration showing the mills and Toronto and Montreal warehouses of The Consolidated Pulp & Paper Company, Limited.

Distressing Accident.

Last Saturday afternoon, several ladies were skating on the Miramichi, well over the north side, opposite Chatham, two of them, Willie Lawler, 12 years old, son of Mr. John Lawler, and Harold, 14 years old, son of Mr. George Johnston, broke through. Young Lawler appears to have gone down and been carried under the ice by a strong flood tide that was running, for he was never seen afterwards. Johnston clung to the edge of the ice and it is said several persons approached the place, but failed to reach him. Gilbert Perry saw the mishap from his ice boat, which he ran as near as possible to the spot and rushed to the rescue. He lay down with great daring and successfully reached the fast weakening and chilled boy, to reach a hockey stick to him and finally succeeded in getting him out. Everybody says that young Johnston owes his life to Perry, who did what others had not or could not do. No trace was again seen of Willie Lawler. A crowd of men was soon at work in searching for the lost boy. Holes were made in the ice in different places and grappling commenced. The search was continued dur-

ing Saturday night and all day Sunday, and up to yesterday afternoon the boy was not found. The bereaved family have the sympathy of the community in their affliction.

THANKS FOR LIFE-SAVING:—Mr. George Johnston desires the ADVANCE to express his grateful thanks to Gilbert Perry for his brave and successful efforts in saving the life of his son, Harold, on Saturday last, when he broke through the ice on the Miramichi River and was in great danger of drowning; also to all others who rendered the aid assistance.

Chelmsford Insulted.

The Chatham World says of ladies of Chelmsford—married and single—that they are "frisky female church goers," that they shock others on the way to and from church and that they do to "attract attention of the men," etc. Further reference of this kind are to the effect that their conduct is considered "a disgrace to the place." We have not seen, for a long time, so brutal an attack on ladies anywhere. The women of Chelmsford are quite as reputable and well-behaved as any anywhere on the Miramichi, and do not deserve to be attacked by the World or its editor. We have a letter on the subject under consideration and are informed that there is an intention to thrash the slanderer. He has a well-earned immunity from that kind of thing, however, and that is why he so flagrantly abuses his privilege.

Rev. Father O'Leary's Present.

Upon the return of Father O'Leary from South Africa, suggestions were made in regard to a testimonial which should fittingly express the admiration of Protestants for kindly acts which the reverend gentleman

dollars which a license would have cost him, he would not have driven to the extent of endeavoring to shield himself behind Mr. Bean's free license and of dragging the Natural History Society and its Museum into his self-invited difficulty.

Considering all the circumstances, too, it would have been better had Dr. Cox accepted the results of his law-breaking in a more reasonable and humble spirit, in the first place, and taken his just punishment with better grace in the second. If however, he is determined to keep up a fight over the matter, and single out for his vengeance an individual who has nothing to do with the prosecution, we suggest that he confine the warfare to the court that is to deal with the case, and cease the work of manufacturing public sentiment in connection with it through the press. Before he gets to the end of the business he will have to learn that he must stand in just the same position in the eye of the law as any other person who violates it, and all his threats and squirmings won't help him in the least.

Doaktown Notes.

Winter is upon us. There is about 10 inches of snow in the woods.

Yarding logs is in full swing and every camp is in need of men. Most crews are short-handed.

Men's wages for working with the axe were never better in Miramichi district.

The river is still open here. The thermometer has not yet been below zero this fall.

Moose, deer and Caribou are getting very plentiful in the woods. They keep coming in from Maine being chased out of that country by wolves.

The burned down bridge over Bartlett's River north of Doaktown has

than half of that by the ordinary method. Mr. Stavert's ability was recognized by his promotion to managing positions and after being placed in charge of several small branches he was made manager of the Moontown branch.

From there he went to Jamaica and spent five years in establishing a branch there. After this he spent brief periods at several branches, engaged in expert work, and then went to Newfoundland to open the branch at St. John's. This was just after the great financial crash of a few years ago, and the enterprise has since proved a marked success.

From St. John's, Mr. Stavert was sent to Boston, and he had just succeeded in getting the branch here in good running order when his services were sought by the Bank of New Brunswick, as a result of the recent death of Manager Schofield. The offer carries with it a higher salary and enlarged authority, and as is well known, the Bank of New Brunswick is one of the strongest and most conservative in the country: At present there are no branches, and there is considerable speculation as to whether Mr. Stavert's advent will bring about any change in its policy in this respect.

In Mr. Stavert's departure the Canadian Club will lose a valued member and officer, for he was treasurer of that organization.

Chatham Curling Club.

The rinks of the Chatham Curling Club were arranged on Friday evening last at a meeting of the skips. Sixteen were required, exclusive of some of the Newcastle members who will probably themselves arrange their rink. Four honorary members of the club, Messrs. E. Hutchison, Hon. L. J. Tweedie, Hon. J. P. Barhill and C. A. C. Bruce are also to form a rink outside of the regulars.

On Friday evening the skips arranged the members—with exception of themselves—in sixteen rinks, making them as nearly equal in playing strength as they could, and then drew for them by lot. The result was as follows:—

R. A. Lawlor, Skip. Geo. Watt, Skip. D. G. Smith, D. Chesman, E. Rudlock, R. A. Loggie, J. Ken. Breaun, J. Midgley, W. C. Winslow, John Nicol.

Hwd. McKendry, Skip. Ed. Johnson, Skip. Jas. Mcintosh, Fred Chesman, Jas. Miller, Arthur Ruddock, Fred. Eddy, Chas. Archibald, H. K. B. Marsland.

Arthur Johnson, Skip. Mich. S. Hooker, Skip. Chas. Ruddock, Rev. J. M. Maclean, Chas. Robinson, Fred. Muirhead, Dr. H. G. Vaughan, Roy Maher.

Alex. Brown, Skip. Alex. Burr, Skip. R. A. Snowball, W. A. Loudoun, W. L. P. Weidon, G. Frank Ward, Frank McNaught.

W. J. Connors, Skip. C. P. Hickey, Skip. Fred. Tweedie, Harry Stinson, W. D. McLoon, Gordon McNaughton, Jas. Gilmore, J. K. Loggie.

A. S. Ullok, Skip. Geo. Hildebrand, Skip. Jas. Nicol, Norman Edgar, E. R. Vickery, Wilfrid M. Robertson, J. R. McKenzie, A. D. Cotter.

Wm. McLaughlan, Skip. Sid. Heckbert, Skip. P. H. C. Benson, Wm. Johnston, Wilmut Strong, W. B. Stevens, W. Gilbert, David Sailer.

W. B. Snowball, Skip. R. Murray, Skip. Geo. E. Fisher, John Russell, R. H. Anderson, Geo. Lounsbury, Edw. Burd, Peter Archer, Saml. Ball.

Chatham Club is in the playing rink. The younger members are taking more interest in its work than ever before and are vying with the older ones in promoting an interest in the game. The accommodation for ladies at the Club's rooms have been improved and will further enlargements are contemplated.

The St. John, Fredericton, Moncton, St. Stephen and Campbell Clubs, or some of them, are expected to send rinks this winter, and the players here say they are confident that the old Club will be able to maintain its former prestige in competition with any of them.

CRUIERS' MEETING:—The regular monthly meeting of Chatham Curling Club was held at the rink on next Monday evening, 17th, at 8 o'clock. Don't forget it, as business of importance—including the final passing of the Bye-Laws—is to be dealt with.

THE FIRST CURLING of the season in the Chatham Club's rink took place on Tuesday afternoon. It was not a regular game, but a dozen or so of the members tried the ice, which was in excellent condition. Janitor Crosby has done his best this year in the early preparation of the rink ice.

THE EARLIEST RECORD that we have seen of the game on the Miramichi is that in the possession of postmaster Wm. Wilson, which was given to him by the late Dr. Thompson of Chatham. The memorandum is as follows:—

Curling on the Miramichi, at Douglastown in 1837, the players were:— James Gilmore, John Wye, Chas. Wishart, John Porter, W. Waterson, W. L. Scott, J. Alexander.

Another memo is as follows:— Hugh Bain, Alex. Loudoun, H. Wye, D. Ferguson, R. N. Nelson, J. A. Neilson, John Brown, T. H. Fleiger, A. D. Sheff, John Pallen, Jas. Gray, D. Davidson.

But two members of the rinks that played on the Miramichi thirty four years ago are now living, viz. Dan'l Ferguson, Esq., Collector of Customs, Chatham, and Mr. Jas. Neilson, now living in Boston, but who, although up in the eighties, is still actively engaged in building steam engines and boilers and, we understand, proposes to construct a steamer at Chatham during the next season.

The Chatham Curlers of 1866 had a rink on the site of that in which the Chatham Club now plays. It was enclosed by a high fence, and, some say, had a roof covering it.

The following rinks played a game on Tuesday evening:— E. Bourke, J. Ken. Breaun, Chas. Ruddock, W. J. Connors, R. Johnson, Fred Chesman, S. Heckbert, Sp. 12. W. H. MacLaughlan, Sp. 8.
