#### S. Mary's Chapel.

At the evening service in S. Mary's Chapel on Sunday last, a very handsome chance screen which has been erected in memory the late Miss Hocken was dedicated to Glory of God, with special prayers an appropriate hymns. There was a large con gregation present and a sermon with reference to the memorial was delivered by the Rector.

The screen which is made of ash an walnut is an admirable piece of workmanship and reflects credit upon the builders Mes rs J. McDonald and Co., who have skillfully carried out the design furnished

by the Rector.

At the base of the screen, in the centre th re is a handsome Memo ial Brass bearing the inscription, "This ch neel screen erected to the Glory of God, and in loving memory of Elizabeth Hocken. In Paradise, February 5th. A D. 1900. O Lord, in Thehave I trusted: let me never be confounded. The Brass is the workmanship of Messre R. H. Green and Son, German St., St. B., and is highly creditable to that rrm. The . creen is a very hand some addition to the interior furnishings of S. Another improvement in S Mary's is the new electric lamp for the pulpit, the gift of a memier of the Vestry. The Mayor asked if Mr. Fisher had re-
