its favoring a repetition of the experience. An independent representative is a possibility and an independent newspaper a blessing, but an independent party is an impossibility. It is

A Long-Needed Railway.

Messrs. Mackenzie and Mann a charter to build a railway from Halifax to Yarmouth by the Atlantic coast route. The charter-granting is to be followed by a contract for the construction of the work, and the actual building of the road will be commenced this season The line will run via Margaret's and Mahone Bays, Bridgewater, Liverpool, Sable and Jordan Rivers, Shelburne, Bay to Bridgewater, part of the Nova Scotia Central, and fifty miles, from Barrington to Yarmouth, are already constructed. This will leave 160 miles of the whole distance of 219 miles from Halifax to Yarmouth to be built. of sixty miles from New Germany to Caledonia, so that the whole mileage of railway contemplated under the charter is 279. As no branch at Lockeport is mentioned we assume that that impor-

and family left St. John on Saturday many. She was a lady greatly beloved evening at eight o'clock. General Virjoen was obliged to a number of bills and a schedule of proposed burn his, and blow up his Long Tom; but in | water rates. spite of this we have not come to last ex-

republics when they declared war against mighty power of England? You will answer, We have trusted in God's help and foreign intervention. "What reason have we for refusing so place further reliance on God?" I have seen last European papers :

I firmly believe complications will take place in Europe within the next few months. which will gain our good fortune. Knowing leaders of our deputation I cannot believe they would sit there without hope of intervention, knowing how we struggle and strive, for I know they love their fatherland sufficiently to frankly ask the British to end the war if in their opinion intervention is hopeless. The fact that these men remain in Europe convinces me that our case is not hopeless. When armistice comes I shall ask opinion of my nation. If they refuse to give in their determination will be mine also. I do not approve of sending messengers to Europe, it shows our hand.

Hope you received Natal newspapers, stating Milner going nominally on leave : truth being he is not allowed a free hand. In later English papers I have seen Kitchener and he cannot pull together.

Following upon this letter of ex-President Steyn's, Botha, DeWet and Delarey held

meeting, the result of which was embodied in the documents which we published on July 9. It will be remembered that those three leaders arrived at a resolution, which was published by Messrs. Burger and Styen | Committee was authorised to have the work on July 2, to the effect that-No peace will be made and no peace conditions accepted by which independence and

cuted by taking all measures necessary for the maintenance of independence and innight Sir Heury Campbell-Bannerman said that, in view of the patience with which the he thought it opportune to secure a state-

overrun with Boers, and he asked what prospect there was of repelling the invaders. what the condition of Cape Colony would be explained to be chargeable to capital after the war, and what was the prospect account; while a good deal of it was for coal of famine as a result of the government's supply for future use. The committee 'policy of devastation." Mr. Chamberlain replied that farm burning three lights be under meter system; recomhad been entirely abandoned and replaced mended, also, a number of other regulations, by the policy of concentration camps. He including a raise of from 10c. to 12c. per contended that these were humane and satisfactory. A vast majority of the Boers acknowledge themselves beaten and would

rreconcilables who are carrying on a guerilla war that is rapidly degenerating into brigandage and absolute murder. The government has telegraphed Lord Kitchener to inform the Boer leaders that shooting natives in British employ was contrary to civilized usage, and that all guilty persons of this class if captured would be court martialled and executed. Incursions into protected districts must be more

De Wet and Schalkburger do not say that the war was caused by the Jameson raid. They say they are fighting for their independence, It is nonsense to speak of offering terms to men who say it must be a fight to the finish. This is now the policy of the

ing" of soldiers from behind hedges, and
