SOON GOT RID OF THE PATIENT. One of my patients, said the hardworked doctor, was a fussy old lady who fancied herself afflicted with every disease under the sun. One day I chanced to meet her in the street when she immediately began to run through a long list of complaints from which she believed herself to be suffering. I was in a hurry, as an important case was waiting for my treatment, and I resolved to teach this old fidget a lesson. First I took her hand and felt her pulse. It was in splendid condition, as I expected. Then I told her to close her eyes and put out her tongue. When she had done this I stole off on tiptoe and turned the first corner. How long she remained in this attitude I can't say, but since then she has never troubled me with her imaginary

Osler, variously afflicted and have yet to To him the Hall had ever been an spoke, and then turned away with will have me, I will make her my has not escaped "improvement." William Hendrie, John Stewart, ed in such a way as to allow deer Crowther, W. G. Cassels, H. M. Pellatt, David Smith, T. D. Brown, He was never so happy as when G. W. Lewis, J. Stewart, J. Long, stalking in the deer forests, accom- A. R. Boswell, P. Leadlay, Peter panied by his favorite keeper, Don- MacDonald, Richard Brown, G. N. Palances due from ald Macintosh. And of these two men Reynolds, A. Foulds, V. H. E. several amusing anecdotes are told. Hutchison, T. G. Brough and others.

INVITED

several amusing anecdotes are told.

One of them relates how Macintosh found a big rock in the Tana waters, and said to Sir William that he would that Mr. E. B. Osler do take the very much like to have it placed upon his grave when he died. As the same idea had already occurred to Sir Messrs. A. R. Boswell and W. G. Provincial Government securities..... 98,117 06 William he announced that "masters should come first and servants af-

The secretary read the report of terwards." The keeper, with the customary license of old retainers, the directors to the shareholders, promptly disputed the point, and after a lengthy argument induced his master to agree that the first one as follows: to die should have the stone. Poor To the shareholders: The directors beg to submit the "Mac" died first, and the rock now
