"We Can Do No More"

SO SAID THREE DOCTORS IN CON-SULTATION.

Yet the Patient Has Been Restored to Mealth and Strength Through the Agency of Dr. Williams' Pink Pills.

Among the many persons throughout Canada who owe good healthperhaps even life itself-to Dr. Williams' Pink Pills is Mrs. Alex. Fair, a well known and highly esteemed resident of West Williams township, Middlesex County, Ont. For nearly two years Mrs. Fair was a great sufferer from troubles brought on by a severe attack of lagrippe. A reporter who called was cordially received by both Mr. and Mrs. Fair and was given the following facts of the case: "In the spring of 1896 I was atone of the best doctors in Ontario place. and for nearly eighteen months folyear I could only talk in a whisper and sometimes my voice left me entirely. I came to regard my condition as hopeless, but my husbana urged further treatment and on his advice our family doctor, with two others, held a consultation the result of which was that they pronounced my case incurable. Neighbors advised me to try Dr. Williams' Pink Pills, but after having already spent over \$500 in doctor's bills I did not have much faith left in any medicine but as a last resort I finally decided to give them a trial. I had not taken many boxes of the pills before I noticed an improvement in my condition and this encouraged me to continue their use. After taking the pills for several months I was completely restored to health. The cough disappeared; I ing the pills I gained 37 pounds in weight. All this I owe to Dr. Williams' Pink Pills and I feel that I cannot say enough in their favor for I know that they have certainly saved my life."

In cases of this kind Dr. Williams' Pink Pills will give more certain speedy results than any other medicine. They act directly on the blood thus reaching the root of the trouble and driving every vestige of disease from the system. Sold by all dealers in medicine or sent post paid at 50 cents a box, or six boxes for \$2.50 by addressing the Dr. Williams Medicine Co., Brockville, Ont.

UNEXPLORED REGIONS.

Canada Practically Unknown.

There is no need that adventurous travelers should sail for Africa or even for South America in order to find regions yet unexplored, if, as ed lands in Canada out of a total you.' area computed at 3,450,257 square "Was it respect when---" miles. that contain Mercury as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F.J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c per bottle. Hall's Family Pills are the best. There are 4,854 British patents for the manufacture of furniture other
