Catarth Philanthropy This is how it operates: Mr. Thomas Sisson, of Pearl Lake, Que., had suffered from catarth for years, and being informed by his father, who had found catarth alone was the only positive cure for that disease, he forthwith commenced its use, and before long was entirely rid of his former enemy. Then by means of his philanthropy six friends were also permanently cured of Catarth, for Mr. Sisson sent each of them a complete Catarth cure outfit, and states that they would not part with them for twice their cost. He says a great deal more about the merits of this great preparation, but his action in sending for six or five for his friends stands for conviction that he has discovered a remedy of superlative value. Druggists all sell Catarth cure; ask them to let you try it. We guarantee every dollar outfit to cure Catarth, Broucheitis and Ash-mas. Small size 25c.; a trial sent for 10c. by N. C. Polson & Co., Kingston, Canada, or Hartford, Conn., U. S., or C. P. Hickey, Chatham.

Canon Forsyth being the celebrant, assisted by Rev. T. W. Street. The Chapter met at the Rectory at 10 o'clock and after prayers and the reading of the minutes, read and considered John III and IV. On Tuesday afternoon there was a meeting in the church, of the S. S. T. A. at which an able paper was read by the Rev. P. G. Snow, his subject being "Religious Education of the Young," and an interesting and instructive model Bible lesson was given by Rev. James Spencer, the lesson being an explanation of Acts 13, 32—34. On Wednesday there was a meeting of the Chapter at 10 o'clock at which a paper was

read by Rev. W. J. Wilkinson entitled "Udenominationalism." This was afterwards discussed. The committee appointed to consider the matter of Camp, Visitation made a report and the matter was set aside for the present. After arranging for the time and place of next meeting with work to be done and transacting other business the Chapter adjourned. The services in addition to the corporate communion already mentioned were as follows:—On Tuesday, Evensong was said at 7:30 o'clock, after which a striking address was given by Rev. G. L. Freshburn on the "Manifestation of Christ in the Church Services." An address was also given by Rev. P. G. After the benediction had been pronounced the National Anthem was heartily sung. On Wednesday Matins and Litany was said at 9.15 a. m. and the Deceany service was held at 7.30 o'clock, the preacher being the Rev. T. W. Street, who delivered an interesting and instructive sermon which was listened to by the large congregation present. Miss Spencer is the organist, and the singing by the choir and clergy of the hymns and canticles as well as the parts of the Communion service sung, was well rendered.

tion this winter. Game Warden Robinson's efficiency has been such as to make him a terror to the poaching fraternity and realizing that his chances for detecting the law-breakers would be improved by his doing it by deputy, he sent Mr. C. H. Bering, who has been his assistant for some time, to the parties and their probable scene of operation. Bering made his way across the country from the Chaplin Island road and on "the cold Sunday," 20th Jan. he came upon Victor and J. H. Fournier and John Pett (or P. t.) in the woods between Beaver Brook and Mill Stream, having in their possession, on a toboggan, which they were having hauled behind a bob-sled, the carcasses of two caribou—80 quarters and the skins. These men live at Beaver Brook Station, Victor Fournier being a section m.n., and his brothers, John, and Pett "bands," who are occasionally employed on the railway. When Bering came upon them they had no idea of his identity and Victor charged him to "say nothing about this as we are afraid we'll be caught," to which Bering replied that Mr. Robinson had sent him to look after this business, "and," said he, "you couldn't be caught worse than you are now."

The men, seeing the bad case they were in, made the best of it and Fournier assured Bering that the meat and skins would be left the size of meat and started out with Pett, meeting Warden Robinson on the way. The latter brought Pett before Police Magistrate Cameron in Chatham on 21st Jan., when he pleaded guilty, claiming that the Fourniers were only helping him to get meat and skins, but they were not here to let them. After considerable searching he found one quarter at Pett's and two others buried in Victor Fournier's gar-

ment. This they can do by giving the information in person at the office or writing to us about it. Many things proper to be noticed in the ADVANCE's columns do not appear therein, simply because our attention is not called to them by those who would like to see reference to them in the paper, but have refused to do their part in making them known. Come, therefore, or write and tell us your local news.

The church bell tolled during the hour before the service and during the last few moments, while the organist played The Dead March in Saul. The hymn, No. 537 a. & m. "Peace, perfect peace" was then sung, after which the Rector began the Special Memorial Service compiled by the Bishop of the Diocese, and

The Rector then began the Evening Prayer Office with the sentence: "I know that my Redeemer liveth," etc. The usual Office of Evening Prayer followed, with proper Psalms and Lessons and Special Prayers adapted from the Office for the Burial of the Dead. After the 3rd Collect, Hymn 401 a. & m. "And now the laborer's task is o'er," etc., was sung. Then the remaining portion of the Office was said, and Hymn 437 a. & m. "For all Thy saints who from their labors rest," etc., followed before the sermon, after which the service ended with Hymn 228 a. & m. "Jerusalem the golden" etc., followed by the Benediction and the National Anthem.

McLean, who said in referring to Her Majesty a womanly and quietly virtuous and of her example on people of both sexes and of every station. The drapings of the Cathedral are elaborate and bear testimony to the veneration in which Her Majesty's memory is held by the Roman Catholic people of the Miramichi. At the services on Saturday and Sunday last special prayers were offered in connection with the sad event.

Union Memorial Service. A memorial service was held in St. Andrew's church, Chatham, last Saturday at 10:30 a. m. Rev. D. Henderson, the pastor of the church, presided, and with him in the pulpit were: Revs. D. MacIntosh, J. M. Maclean, W. C. Matthews and A. W. Lewis. St. Andrew's church was magnificently draped, pulpit, choir gallery, organ gallery and along the side walls in royal purple, erape, black serge, etc. The pillars were shrouded in the same colors, and the draping along the gallery front was very effective. The congregation, on the special service about to be observed. These are worthy of being preserved as mementoes. Printed in black and silver, bearing on their faces an excellent portrait of her late Majesty, they are most tasteful and appropriate. The service was begun promptly at half past ten o'clock, Miss Elgar, organist, St. Andrew's church, playing a prelude. Revs. J. M. McLean and W. C. Matthews led the devotions of the congregation, while Rev. Messrs. MacIntosh and Lewis delivered eloquent and impressive panegyrics on Her late Majesty Queen Victoria. Psalms xxii, and I. Cor. xv., 42-53, were read by Rev. Mr. Henderson, while such hymns as O God Our Help in Ages Past, and Rock of Ages, etc., were sung, the choir of St. Andrew's appearing at their best. Blessed are the Dead was the anthem, beautifully rendered by the choir. The church bells were tolled for three-quarters of an hour, from 9:30 a. m.

Municipal Council. [Continued from last week.] FRIDAY AFTERNOON, JAN. 18. E. P. Williston was reappointed Auditor on motion of Coun. Tozer. Chatham parish officers were appointed on motion of Coun. Conroy; Blawieck officers on motion of Coun. Swin; Hardwicke officers on motion of Coun. Lewis. Coun. Lewis moved that the road commissioners for 3 and 4, Hardwicke, be paid \$5 extra each, to be charged to the parish. Coun. Crocker moved that S. Thomson's bill of \$10, for copy of Derby assessment list, be reduced to \$5 and passed. Carried. Coun. Flett reported recommending that J. A. Rundle's petition be granted, that the lot asked for be leased to him for \$15 a year and that expiring leases be renewed till 1918, when all the lease be put up at auction. Coun. Watt said he lease would be no good and the rent could be collected. It was the duty of Councillors to look after the public interests as if they were their own. To ratify such an arrangement would be contrary to law. The lease should be sold at auction. Coun. Ryan would treat all alike, and would not make a scapegoat of M. Rundle. Coun. Anderson said the report should be sent to the Council to renew other leases in the same way. Coun. Doyle said Mr. Rundle wanted to be put on the same footing as the rest. Coun. Watt moved that a committee be appointed to deal with the matter and report next session. Coun. Ryan thought it of no use to appoint another committee. Coun. Flett asked what further report another committee could bring in. Coun. Davidson said the effect of the amendment would be to stand Mr. Rundle off for another year. It would be unfair to shut the application. It should be dealt with at once. Mr. Rundle had bought an assignment of the lease on the supposition that it would be renewed as usual. Was it fair, because of his inadvertence in negotiating to grant the lease renewed, that he should be penalized in this way? Coun. Conroy said the Council could not lease the property by resolution. A body could bring an action in equity involving the county in costs of \$400 to \$500 if this were done. Coun. Doyle said Mr. Rundle was willing to have the lease sold at auction, and moved that the petition be referred back to the committee. Carried. Alawick officers were appointed on motion of Coun. Conroy. Coun. Swin reported from the County Accounts Committee that R. C. Bies and B. Savoy's bills for witness fees be laid over till January. Coun. Savoy had understood from Justice Niven that they were witnesses in an assault case. If they had been called for the Queen and their fees certified to they should be paid. Laid over till January. Scott Act Account with S. C. Treasurer, \$569 on hand, and interest a count with S. C. Treasurer, passed. Dr. Desmond's bill of \$19.32, passed at \$13.80, committee having found he was en-

tion this winter. Game Warden Robinson's efficiency has been such as to make him a terror to the poaching fraternity and realizing that his chances for detecting the law-breakers would be improved by his doing it by deputy, he sent Mr. C. When Bering came upon them they had no idea of his identity and Victor charged him to "say nothing about this as we are afraid we'll be caught," to which Bering replied that Mr. Robinson had sent him to look after this business, "and," said he, "you couldn't be caught worse than you are now."

The men, seeing the bad case they were in, made the best of it and Fournier assured Bering that the meat and skins would be left the size of meat and started out with Pett, meeting Warden Robinson on the way. The latter brought Pett before Police Magistrate Cameron in Chatham on 21st Jan., when he pleaded guilty, claiming that the Fourniers were only helping him to get meat and skins, but they were not here to let them. After considerable searching he found one quarter at Pett's and two others buried in Victor Fournier's gar-

ment. This they can do by giving the information in person at the office or writing to us about it. Many things proper to be noticed in the ADVANCE's columns do not appear therein, simply because our attention is not called to them by those who would like to see reference to them in the paper, but have refused to do their part in making them known. Memorial Services in S. Mary's and S. Paul's. On Saturday last, the day of the late Queen Victoria's funeral, a solemn and appropriate memorial service was held in S. Mary's Chapel at 10:30 o'clock a. m. The Church had been very handsomely draped in black and purple colors, the Union Jack being tastefully hung around the pulpit and the text "We mourn for our beloved Queen." The church bell tolled during the hour before the service and during the last few moments, while the organist played The Dead March in Saul. The hymn, No. 537 a. & m. "Peace, perfect peace" was then sung, after which the Rector began the Special Memorial Service compiled by the Bishop of the Diocese, and

The Rector then began the Evening Prayer Office with the sentence: "I know that my Redeemer liveth," etc. The usual Office of Evening Prayer followed, with proper Psalms and Lessons and Special Prayers adapted from the Office for the Burial of the Dead. After the 3rd Collect, Hymn 401 a. & m. "And now the laborer's task is o'er," etc., was sung. Then the remaining portion of the Office was said, and Hymn 437 a. & m. "For all Thy saints who from their labors rest," etc., followed before the sermon, after which the service ended with Hymn 228 a. & m. "Jerusalem the golden" etc., followed by the Benediction and the National Anthem.

At Chatham Pro-Cathedral. The death of the Queen has been the subject of no little attention at the Pro-Cathedral, Chatham. On Sunday 27th, a general reference was made to it by Rev. Father J. M. McLean, who said in referring to Her Majesty a womanly and quietly virtuous and of her example on people of both sexes and of every station. The drapings of the Cathedral are elaborate and bear testimony to the veneration in which Her Majesty's memory is held by the Roman Catholic people of the Miramichi. At the services on Saturday and Sunday last special prayers were offered in connection with the sad event.

Union Memorial Service. A memorial service was held in St. Andrew's church, Chatham, last Saturday at 10:30 a. m. Rev. D. Henderson, the pastor of the church, presided, and with him in the pulpit were: Revs. D. MacIntosh, J. M. Maclean, W. C. Matthews and A. W. Lewis. St. Andrew's church was magnificently draped, pulpit, choir gallery, organ gallery and along the side walls in royal purple, erape, black serge, etc. The pillars were shrouded in the same colors, and the draping along the gallery front was very effective. The congregation, on the special service about to be observed. These are worthy of being preserved as mementoes. Printed in black and silver, bearing on their faces an excellent portrait of her late Majesty, they are most tasteful and appropriate. The service was begun promptly at half past ten o'clock, Miss Elgar, organist, St. Andrew's church, playing a prelude. Revs. J. M. McLean and W. C. Matthews led the devotions of the congregation, while Rev. Messrs. MacIntosh and Lewis delivered eloquent and impressive panegyrics on Her late Majesty Queen Victoria. Psalms xxii, and I. Cor. xv., 42-53, were read by Rev. Mr. Henderson, while such hymns as O God Our Help in Ages Past, and Rock of Ages, etc., were sung, the choir of St. Andrew's appearing at their best. Blessed are the Dead was the anthem, beautifully rendered by the choir. The church bells were tolled for three-quarters of an hour, from 9:30 a. m.

A memorial service was held in the Church of St. John the Evangelist, Bay du Vin, on Saturday, February 2nd, the day of the funeral of her late Majesty Queen Victoria, and E. press, at 7 o'clock p. m. All who could do so availed themselves of this showing honor to the memory of their beloved Queen. The form of service used was that drawn up by the Lord Bishop of the Diocese. Suitable hymns were sung and an appropriate sermon delivered by the Rector, Rev. W. J. Wilkinson. At the conclusion of the service the National Anthem was sung.

Municipal Council. [Continued from last week.] FRIDAY AFTERNOON, JAN. 18. E. P. Williston was reappointed Auditor on motion of Coun. Tozer. Chatham parish officers were appointed on motion of Coun. Conroy; Blawieck officers on motion of Coun. Swin; Hardwicke officers on motion of Coun. Lewis. Coun. Lewis moved that the road commissioners for 3 and 4, Hardwicke, be paid \$5 extra each, to be charged to the parish. Coun. Crocker moved that S. Thomson's bill of \$10, for copy of Derby assessment list, be reduced to \$5 and passed. Carried. Coun. Flett reported recommending that J. A. Rundle's petition be granted, that the lot asked for be leased to him for \$15 a year and that expiring leases be renewed till 1918, when all the lease be put up at auction. Coun. Watt said he lease would be no good and the rent could be collected. It was the duty of Councillors to look after the public interests as if they were their own. To ratify such an arrangement would be contrary to law. The lease should be sold at auction. Coun. Ryan would treat all alike, and would not make a scapegoat of M. Rundle. Coun. Anderson said the report should be sent to the Council to renew other leases in the same way. Coun. Doyle said Mr. Rundle wanted to be put on the same footing as the rest. Coun. Watt moved that a committee be appointed to deal with the matter and report next session. Coun. Ryan thought it of no use to appoint another committee. Coun. Flett asked what further report another committee could bring in. Coun. Davidson said the effect of the amendment would be to stand Mr. Rundle off for another year. It would be unfair to shut the application. It should be dealt with at once. Mr. Rundle had bought an assignment of the lease on the supposition that it would be renewed as usual. Was it fair, because of his inadvertence in negotiating to grant the lease renewed, that he should be penalized in this way? Coun. Conroy said the Council could not lease the property by resolution. A body could bring an action in equity involving the county in costs of \$400 to \$500 if this were done. Coun. Doyle said Mr. Rundle was willing to have the lease sold at auction, and moved that the petition be referred back to the committee. Carried. Alawick officers were appointed on motion of Coun. Conroy. Coun. Swin reported from the County Accounts Committee that R. C. Bies and B. Savoy's bills for witness fees be laid over till January. Coun. Savoy had understood from Justice Niven that they were witnesses in an assault case. If they had been called for the Queen and their fees certified to they should be paid. Laid over till January. Scott Act Account with S. C. Treasurer, \$569 on hand, and interest a count with S. C. Treasurer, passed. Dr. Desmond's bill of \$19.32, passed at \$13.80, committee having found he was en-

tion this winter. Game Warden Robinson's efficiency has been such as to make him a terror to the poaching fraternity and realizing that his chances for detecting the law-breakers would be improved by his doing it by deputy, he sent Mr. C. H. Bering, who has been his assistant for some time, to the parties and their probable scene of operation. Bering made his way across the country from the Chaplin Island road and on "the cold Sunday," 20th Jan. he came upon Victor and J. H. Fournier and John Pett (or P. t.) in the woods between Beaver Brook and Mill Stream, having in their possession, on a toboggan, which they were having hauled behind a bob-sled, the carcasses of two caribou—80 quarters and the skins. These men live at Beaver Brook Station, Victor Fournier being a section m.n., and his brothers, John, and Pett "bands," who are occasionally employed on the railway. When Bering came upon them they had no idea of his identity and Victor charged him to "say nothing about this as we are afraid we'll be caught," to which Bering replied that Mr. Robinson had sent him to look after this business, "and," said he, "you couldn't be caught worse than you are now."

The men, seeing the bad case they were in, made the best of it and Fournier assured Bering that the meat and skins would be left the size of meat and started out with Pett, meeting Warden Robinson on the way. The latter brought Pett before Police Magistrate Cameron in Chatham on 21st Jan., when he pleaded guilty, claiming that the Fourniers were only helping him to get meat and skins, but they were not here to let them.
