SICKNESS AND DEATH :-- A Rogersville correspondent of the Moncton Times writes : -"Rarely in the history of our village has the holiday season approached amid such general gloom. Sickness in some form prevails in almost every household, and not a few have been visited by death. Much sympathy is felt for Mr. and Mrs. O'Brien in the loss of their bright little boy, Everest, who died very suddenly on Wednesday evening, 19th inst., of membranous croup. The little fellow was playing about up to the day before his death, and the sadness of the blow, coming as it does so near this festive season, makes it seem more sad." ----
