A GRIST MILL PLANT FOR SALE :- The | the ditch and watched it as it sped by. subscribers offer for sale a full and complete outfit of Grist mill machinery and plant, consisting of bolt, smutter, French burr stones, etc., all in good order. Apply to DAMERY & McDonald.

REV. G. FISHER RESIGNS :- The resignaa meeting last Monday in the church at pany there. Dalhousie-to take effect at the end of November.

MOOSE ON THE RAILWAY : - A Blackville letter says that on Wednesday of last week as the section men were retoroing to that place from up the Canada Eistern railway, a moose was seen on the track and that it ran ahead of their trolly until it was shot by Mr. Herbert Moorhouse.

THE DEATH of Mr John Robinson, sent. of Newcastle, father of the general game warden. John Robinson, and Rev. W. R. and Charles E. Robinson, is announced and will cause general regret in a large circle of respected citizen.

OBIT :- Mrs. White sister of Mrs. Beni Flood, of Chatham, and daughter of the late Jonn McMshon, died in New York on Monday. Mrs. Flood was with her at the time. Deceased had lived in New York a good many years and leaves a husbaud to mourn his loss.

MR. GEO. JOHNSTONE'S DEATH .- Many people who knew Mr. George J. histone were surprised and shocked to learn of his sudden death which took place at Bartibogue on Sunday. Deceased was for years a resident of this town. Of late years he has been fishery warden on the Bartibogue and made his home there. The deceased was 61 years of age. - Advocate.

DROPPED DEAD : - Mr John McDona'd, a about 65 years, dropped dead at his home for trial at the next sitting of the Supreme last Sunday morning. His sudden death | con t is attributed to heart disease. He was, apparently, in the best of health and spirits a very short time before his death, which came as a shock to his immediate friends highly.

THE FAMILY HERALD AND WEEKLY STAR. of Montreal, have begun the distribution of their new pictures "Alone" and "Purity. A few copies have been received in this locality and those who have been fortunate enough to get them propounce them the best they have ever seen. The Family Herald has also much improved during the past year and the combination of the two pictures and that best of all family papers is certainly a Buy a bottle of Fuller's Blackberry Cordial big dollar's worth.

MR. WILSON IN AMHERST :- An Amherst despatch to the Transcript says :

"Mr. H. Cumberland Wilson, organist o Christ Church, has under rehearsal "The Gipsy Giri" which he will place before the public about the middle of November in the Parish House. "After Evensong on Sunday evening last,

Mr. Wilson gave an organ recital and Miss Mabel Pugsley sang as a solo : "Lead Kindly Light.'

A FRIEND IN NEED :- Saturday's St. John Gazette says

Six French priests, who landed this week at New York en route to this province from France, arrived at the Union Depot by the Boston train yesterday. They got on the train, and stood hopelessly looking about. Chris. Nichols, the I. C. R. interpreter, offered his assistance, and they at once put themselves in his hands. He found that they were going to Rogersville, N. B., and put them aboard their train and looked after them, earning their everlasting gratitude.

Nova Scotia lumber merchants, two or three lower part of the county, especially, and in strangers, supposed to be New Yorkers, Chatham, Mr. Bushrod Smith of Bay du and Mr. Crowe, the well-known promoter. Vin was claimant of damages, Robert were at the Halifax Hotel yesterday and it Murray, E q., K. C., prosecuting for him, looked as though there was another big and Mr. Thos. McMaster was defendant, lumber deal in progress. Mr. Crowe was his case being managet by Mr. J.D. Brown. seen by a Chronicle reporter but and he Mr. McMaster had borrowed Mr. Smith's hat no information to give. It was reported horse to drive to Chatham for a doctor to that Mr. Crowe was promoting a company attend his wife, and on its return Mr. to purch se the Davidson property at Smith found that the animal was iil. He Bridgewater, and later it was stated the attributed the trouble to over-driving by Davidson property had been sold for Mr. McMaster, and after valuely endeavoring \$1.500,000 - Helifax Chronicle.

TO BE TRIED IN MARCH :- J. J. Harrington, who represented the crown in the preliminary examination of Frank Lyman, on charge of murdering Barns Mason, at Bathurst, is at the Dufferin. Mr. Harringtou says Lyman will appear before the Circuit Court in March next, for trial. Ole Hammel and Adolf Pedersen, the two foreigners who were arrested as witnesses and sent to Bathurst, have returned to this city and are residing in Carleton. They will be required to give testimony during Lyman's trial before the Circuit Court, - splendid for Cramps, Colic, Dysentery, Telegrath.

REPOWED LEPROSY CASE :- The Sydney, Chatham, N. B. N. S , Record says :- "Dr. Smith, of the Dr. HAMILTON'S PILLS CURE CONSTIPATION Tracadie, N. B., leper lazarette, is expected in Cape Breton in a few days to examine a man at Margaree, said to be afflicted with degrosy. According to the report, a few years ago a man married a young woman whose father died of leprosy. Several children were born to them and most of them are scattered throughout Cape Breton. It is the father who has the distate now. The wife and children, it is said, have no outward indication of the disease yet, but it is altogether likely they, too, will become afflicted The father will be taken to the laz eretto at Tracadie."

has a museum of his own in which are many specimens, both mounted and alive, of the fishes, and game and fur-bearing animals of institution, might be productive of great. Canada. He takes a great pride in entertaining friends at his home, which is near Aylmer, and displaying his treasures. was doing this on Sauday, his guests being U. S. Consul-General and Mrs. Turner, of Ottawa. Amongst the live animals which Mr. Cormier was showing was a powerful black bear named Pete. Cormier was giving meat to the big brute when it grabbed him by the neck and drew him within the embrace of its strong paws and then dealt successive blows with its sharp claws, fearfully lacerating his head, shoulders and hands. Realizing the great peril of her host, Mrs. Turner, without thought of herself, rushed at the animal and her sudden attack proved diverting to the Turner seized the form of the warden and dragged him to a safe distance. Thus by the timely and beroic interference the

visitors saved at least for the moment, pay for help got scant attention. the life of the popular game warden The whole attack and rescue occupied less time than it takes to record the incident. Mr. Cormier was taken into the house and Drs. Quirk and Church were summoned. Before their arrival, Mr. Cormier had lost much blood and was very weak. On examination it was found that one of the bear's claws had penetrated within the sixteenth of an inch of the jugular vein. It required fifty stitches about the head, neck and arms to sew up the wounds, and at this writing the of physicians and nurses to administer to condition of the game warden is serious. The bear has been shot, and Mrs. Turner is the recipient of congratulations for her

Mr. Cormier's friends in New Brunswick will regret to hear of his misfortune and wish him a speedy recovery.

The Claims of King's College, Windsor, N. S.

Rev. S. Weston-Jones, Rector of Windsor. N. S., who has been in the Deanery Chatham for nearly a fortnight, assisted Archdeacon Forsyth in the services in S. Mary's and S. Paul's, Chatham, last Sunday, addressing the congregations, morning, afternoon and evening on the subject of King's College, Windsor, and presenting its claims on the people of the Church of England in the Maritime provinces. He a speaker of more than average ability, and his presentation of the facts connected with the foundation and subsequent history of the college was very interesting. He claimed, and made the fact appear in a very convincing manner, that to convey any part of the chartered rights or funds of King's to any other university, the basis of whose teaching was not the Christian religion as represented by the Church of England, would be an the message at Bamfield Creek, Fanning indefensible breach of trust. He showed that the charter was granted and the funds from both public and private sources, which go to make up its endowment, were given on the basis of such teaching. He freely admitted that mistakes had been made in | building committee, had called for subscripthe early days of the college in narrowing | tions to the hospital fund and a genorous the tests for its matriculants and, later, response had been made Hon, L. J. Tweedie, was too exclusive to admit of its becoming He said people were often heard saying they an institution for all classes, but under the wished for the good old times, which were plans of those who were now working to better than the present times, but he make its claims upon the church people of questioned that. Mr. Hooper, Rector of Moncton. There was great cheering for Governor Mr. N. E Cermier, Chief Game officer of Snowball as Mayor F. W. Given read and the Mattawa district, province of Quebec presented him with an address. Receiving this His Honor stepped forward to the stone and directed its placing by the workmen in charge, when he, in a very practical way. applied the cement and tapping the sone with his trowel declared it "well and truly laid." Continuing, His Honor said : Hospitals, as we know them, are of quite

recent date. When we consider the age of the world before the Christian era, we wonder what man was doing, as he made so little progress from a hamauitarian standpoint, beyond providing for his individual comfort.

Before the Christian era those afflicted with contagious diseases were banished outside the city gates and no provision was made for their comfort, or even protection. The pool of Bethsida, a house of charity, vas the first we hear of as affording any protection for the affleted and this. we are told, was only a collection of sheds 4 lbs. Pearl Tapioca for around a pool, and those who could not A thousand years later, or in the year

1080, the first public hospital was established in England. During the eighteenth century

appeared to be moved with sympathy for the sffl cted, and from 1710 to the end of the century, fifty hospitals were added in Great Britain, and the charitable movement has continued to grow and to spread until now every town of a few thousand inhabitants has its home and its competent staff the comfort of the aff cted. Even in Burns' day he was led to say

"Man's inhumamity to man makes countless thousands mourn." This may still be so, but now man's sympathy for fellow man affliction, as displayed in such institutions as you are now erecting, alleviates th sufferings and adds to the comforts, if not the joy of countless thousands.

We view with wonder the vast institu tions that have grown up in the larger cities of the world, many of them having a daily average of from 500 to 800 patients in their wards. What could the world do without them? They have become a necessity of the age, and man's sympathy and generosity is ever enlisted for their support and

The greater comfort or success in treatment f disease does not necessarily follow the larger institutions, but smaller residences such as you are erecting, meet the approval both of the medical practitioners and the patients. They are, as they should be, under the eye, guidance and sympathy of
