TO REMOVE TABLE LINEN STAINS.

White table linen, which may be boiled and bleached, is easily washed, yet a great many pieces are ruined by careless laundresses, who do not attempt to take out the stains until they have been "set" with water and soap, or even boiled in. A stain that has been treated in this way is a difficult thing to remove. It is an important matter to

then with glycerine, and then wash- to shut it, will make a cake heavy. ed out with warm, not boiling, water, and a simple, pure soap. The Exposure and Hardships of Camp Life Bring on Kidney Disease, Backache and Rheumatism-The Lumberman's Favorite Remedy is Dr. Chase's Kidney-Liver Pills.

Pills prove their marvellous control over kidney disease, backache and accompanying ills. Exposure to cold, dampness, sudden change of temperature and the strain and jar of active vigorous life, frequently bring on derangements of the kidneys, bowels and bladder, and consequent pains and aches in back and limbs. Mr. John Orr, lumberman, Trenton, Ont., states-"Through exposure to all sorts of weather in the lumber camp, and as a result of the strain of my work, I became a sufferer from kidney disease, which in my case took the form of very severe pains across the back, over the kidneys and down the hips. When in the woods cutting down trees these pains would come on me with such force that I would have to give up work of the Congo. and return to camp, entirely used up. "Finding that a number of the boys in camp used Dr. Chase's Kidney-Liver Pills, I decided to try them,

Liver Pills are the greatest medicine there is for kidney disease.' Dr. Chase's Kidney-Liver Pills have by far the largest sale in Canada of any similar preparation. They come a large feature of the caout- Little Colin-"No fear ! I did that
