Experience teaches me that we need a more effective remedy than these. The best thing I have yet found is an emulsion, the composition of which is as follows :-Refined kerosene 10 gallons; whale oil soap 8 pounds; water 40 gallons. I am sure this is more effective than an emulsion of 20 per cent. kerosene with laundry soap. With whale oil soap, the oil and water mix much better than with hard soap. I believe 15 per cent. crude petroleum will kill as many or more scale than next best way is to disk in the grain 20 per cent. kerosene, but the petro-Meat from the butcher's shop as thoroughly as you can. #### to the air as little as possible. The then bake the pudding half an hour 797,675 tons. The Conductor's Second Letter

Confirms His Cure of Two Years Ago, and Proves that it was Permanent -Warm Words of Praise for Dr. Chase's Kidney-Liver Pills.

Many readers of this paper, and especially railroaders, will remember the cure of C. P. R. Conductor Berryman, of St. Stephen, N. B. In a letter received last week the conductor states that he is real well, and that his cure, after ten years of suffering with kidney disease, is permanent, not having had a touch of his old trouble for two years, Mr. Berryman's case was such a severe one, and his cure so remarkable, that many write to ask him about it. He never tires of recommending Dr. Chase's Kidney-Liver Pills, but, on the contrary, is glad of an opportunity to tell fellow-sufferers how he was cured.

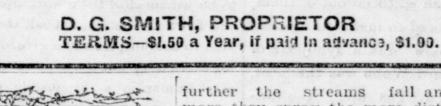

In his letter of April 14, 1900 in which his case is described. Conductor Berryman wrote:-"I have been railroading for 23 years, and for ten years suffered from a severe case of kidney disease and backache, a trouble common to railroad men. It used me all up to walk, and after walking up hill I would have to lie down to get relief, my back was so bad. I could not sleep more than half the night, and then didn't seem to get any rest. "I had used all sorts of medicines and was pretty badly discouraged when I heard of Dr. Chase's Kidney-Liver Pills. After using two boxes of this treatment I found it was helping me, and five boxes have made a complete cure. I now rest and sleep well, my back is strong, and the old trouble has entirely disappeared. Many people to whom I have recommended these pills have been cured. Anyone wishing further par-

ticulars write me. There is no doubting the efficiency of Dr. Chase's Kidney-Liver Pills as a thorough cure for backache, kidney disease, and liver complaint. They have a direct action on the kidneys, liver and bowels, which is bound to strengthen, invigorate, and regulate these organs. One pill a dose, 25 cents a box.
