The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to care in all its stages in linat is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Cararra being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken inmucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
