Last year we had a balance to credit of contingent fund of \$1784.88, and hile we have only \$391.88 to the credit of the same fund this year, last year we had to pay the valuators about \$1400, also large bills in connection with oard of Health matters. Last year our deposit oank was \$4442 33. This year we have to our cred in bank \$5597.63. Last year we had a deficit in Almshouse account of \$2690.15. This year it is

finding them correct. The report of Inspector Menzies was subnitted, as follows: During the year 36 prosecutions were instituted which resulted in 31 convictions, resulting in the

imposing of fines amounting to \$1600 and costs amounting to \$311,15. Of this amount \$1102.60 of fines were collected and \$205.30 of costs. Uncollected costs, \$105.85. Attorney's fees \$204. Inspector's salary \$500. Travelling expenses \$148.92. Surplus on hand Dec. 31st, 1901, \$336.19.

The act has been enforced throughout the county with the same vigor and care as in former years, and although the number of prosecutions has some-what increased from last year, I believe the amount of liquor illegally sold has materially decreased, and that very few if any violations of the law have

escaped detection and prosecution. JOHN MENZIES. Inspector Menzies' return passed. [Continued on 3rd page]
