## An Old and Highly Respected Resident Cured of Kidney Disease and Liver Troubles by Dr. Chase's Kidney-Liver Pills.

Mr. John Wilson, a retired carpenter who has lived in Welland, Ont., for 30 years, writes :- "Some years ago I was attacked with kidney trouble, and I became so run down and emaciated that my entire appearance was suggestive of physical decline. As time went on the complaint grew worse and became complicated with liver trouble. I had bad pains across the back and up the spinal column; bad spells with my heart, pain under the right shoulder, bilious headache about half the time, indigestion, fever and restleasness at night and depression of spirits.

"At times I was incapacitated for work, and had speat probably one hundred dollars in different medicines with no perceivable results. Doctors' advice proved likewise of no avail.

"Finally on the advice of a friend I began taking Dr. Chase's Kidney-Liver Pills, and in a short time the bad symptoms began to gradually disappear, and by the time I had used five or six boxes I was enjoying better health than I had in many years, all of which is due to the virtues of Dr. Chase's Kidney-Liver Pills.

"Since my recovery I have advised others to profit by my experience. Some have done so and are well, while others did not and have succumbed to this dreadful disease. I a a living witness to the value of this great medicine, and I am full of enthusiasm in imparting the good . we to others who are afflicted as
