## BUSINESS NOTICE.

The "Miramichi Advance" is pub-lished at Chatham, Miramichi, N.B., every Thursday morning in time for despatch by the earliest mails that day.

It is sent to any address in Canada or the United States (Postage prepaid by the Publisher) at One Dollar and Fifty Cents a Year. If paid in advance the price is One Dollar.

Advertisements, other than yearly or by the season are inserted at eight cents per line nonpareil, for first insertion, and three cents line for each continuation.

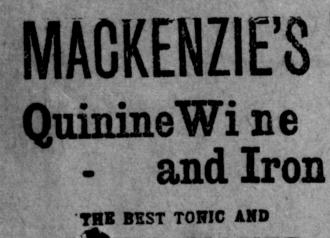

Yearly, or season advertisements, are taken at the rate of \$5.00 an inch per year. The matter, if space is secured by the year, or season, may be changed under arrangement made therefor with the publisher. The "Miramichi Advance" having its large circulation distributed principally in the Counties of Kent, Northumberland, Gloucester and Restigouche, New Brunswick, and in Bonaventure and Gaspe, Quebec, in communities engaged in Lumbering, Fishing and Agricultural pursuits, offers superior inducements to adver-tisers. Address,

Editor Miramicht Advance, Chatham, N.B.

hundred vards.

"I was quietly wading through the

rank growth, and had reached the

of deep black mud. This slough was

nearly circular in form, and in dia-

meter perhaps rather more than one

"As far as I could see along its

margin there was a hard, well-defined

path, apparently made by wild ani-

mals in coming to drink. Exactly

in its centre a small pond of water

still remained, and on this was float-

ing a solitary wild duck, its head

and without reflecting that I could

not retrieve the bird, even if I should hit it, I fired. The duck immediately

sprang up and flew off unhurt, but a

shrill squeal showed that my bullet

had found an unexpected mark in

the tall grass on the opposite side

of the slough. The next moment a

"You may think there was no rea-

son why a hundred or so of little,

"But I knew enough about these

savage little brutes to be well aware

could reach a tree. I should be torn

"It was to be a simple, straight-

away race for life, and I stood not

on the order of my going, but went

"There was one thing in my favor.

The slough being about one hundred

yards in diameter, one-half of its

circumference was, of course, about

one hundred and fifty yards; and

of this half-circle to get on my

track, I should have just so much
