The publisher desires to urge upon the notice of all who wish to contribute matter of any kind to the ADVANCE's columnswhether it be advertising, news or notices of meetings, etc.—that the paper goes to press on Wednesday afternoons and, to ensure publication, their favors should be in the office not later than Wednesday morning.

The printing of the paper is frequently delayed by persons who hold back accounts of meetings, announcements of entertain ments, etc., which they might easily send days before that on which we go to pres but they seem to consult only their own convenience and often place them in ou hands on Wednesday after the paper made ready for press, and seem to think it a hardship because they do not appear ; and, in most cases of this kind, the contributions are really free list advertisements. We want to help every deserving organization in the community, fietly, in every legitimate way, but must expect them not to delay the publication of the paper when they wish to make use of our columns. Send your matter for the ADVANCE along on Monday or Tuesday, but don't hold it back until Wednesday if you can possibly avoid doing so.

Grammar School Cadets.

The Chatham Grammar School Cadets have finished drilling until after the holidays. The boys have made good progress and the attendance has been good. It is expected that arrangements will be made to drill evenings, instead of the afternoons as heretofore. Rifles will be procured shortly and it is hoped uniforms will be forthcoming before spring. A business meeting of the corps will be held early in January to decide what uniform to adopt. When that is settled means will be taken to procure them, so that the young soldiers will be able turn out and make a good showing when the
