S. KERR & SON Oddfellows' Hall. BEST STOR IHE PATRONISE. TO

I beg to return thanks to my patrons for their favors during the year now closing and to remind them that the most important feature of any business is to make the next year more successful than the last. With that special object in view I have selected my replace Mr. Blair as the Liberal leader stock from best houses in the Dominion of Canada and United States and bought it at the lowest prices, so as to still enable me to observed, Mr. Blair and Mr. Tweedie increase my business by selling goods cheaper than I ever did before.

Call and prove my assertions when we show you my new stock at rock bottom prices. Thanking you for past favors, I await your visits,

> ROGER FLANAGAN. Water Street, Chatham.

**Agents Wanted** Either on full or part time. Are you satisfied with your income? Is your tim

ally occupied ? If not, write us. We can give you ment by the month on good terms or tract to pay you well for such business as you secure for us at odd times. We employ both male and female representatives. The next three months is the very best time to sell our goods No de posit is required ; outfit is absolutely free.

We have the largest nurseries in Canada-over 800 acres-a large range of valu ble new specialties. and all our stock is guaranteed as represented If you want to represent the largest, most popular and best known nursery, write as. It will be worth your while

Copies of these resolutions were ordered be sent to the various Boards of Trade and the authorities at Ottawa. In the discussion general opposition to scheme which did not benefit the Lower Provinces, and particular opposition the Grand Trunk for this reason develop-

Canada's Wonderful Trade Increases.

Ottawa returns show a remarkable growth in the trade of the Dominion for the last six months of the year 1892. The aggregate trade for the half year was \$231 342,201 compared with \$213,231,609 for the same time last year or an increase of \$18,110,592. The trade of the past six full speed ahead. At all events the steammonths is about \$11,000.000 greater than for the whole year 1896. This increase is pretty well divided between imports and the

exports.

oroduce of the mine of about three million dollars, a decrease of about one million in the fisheries. On the other hand the forest wealth shows an increase of over three willions, animals and their products over seven millions, agriculture over five millions and manufactures nearly one million dollars better than for the same time in 1901. There is an increase in the an duty of \$2,135,473.

A correspondent of the St. John Globe indictments against all three. They also who has spent some time looking over the trade returns of the Dominion gives some comparative figures made therefrom, showing the growth of trade during the two last periods of seven years each Exports were as follows :

In 1888, .....\$ 90,203,000 1895..... 113,638,803 1902..... 211,640,280 disgusting and disgraceful cases, to in increase during the first period of about have made any suggestion for the con-26 per cent. and in the latter period of about 87 per cent.

The imports are shown to be

In 1888.....\$110,894 630 1895.... 110,781,682 1902..... 212,270,158

showing no increase during the first period and during the latter an increase of about latur' by 10 votes? We orter be thankful 971 per cent.

Goods entered for consumption were : 

burg for bunker coal.

root crops can be easily and economically grown in nearly all those portions of Canada The wife of Dr. Martin, of Boston, where swine raising is carried on extensively whom he charges with attempting to palm the fact that roots can be profitably fed on him a bogue baby, one of which he without injury to the bacon, and with and she are not the parents was, before positive benefit as far as the general thrift her macriage to Dr. Martin, Mrs Elizabeth of the animal is concerned becomes Starr Keefer, known in this province siderable importance to our farmers. as an advocate of womans' suffrage and a
