his relations towards all with whom he came in contact, of sound views and wellbalanced judgment in the discharge of his eiv:c duties, he stood for all that is best in the social, economic, and moral life of the community.

"To the many and general expressions of egret at his demise, we desire to add our tribute of sorrow and respect, and to assure the members of his family and relatives of our deep sympathy with them in their hour of trial and bereavement."-

### The Small-Pox Question.

Any intelligent physician will admit that minor adments like colds, coughs, chills, cramps, headache and stomash trouble you don't eatch small-pox because semeoue Nerviline is just as good as any doctor. It else has it, but because your condition favors breaks up a cold in one night, cures soreness Low vitality always encourages sickin the chest, and for neuralgia, toothache ness and at this season especially, everyone and rheumatism you can't get anything half should take Ferroz-ne which destroys so good as Nerviline. The fame of Nervidisease germs and makes the system so line for cramps, colic, and pain in the strong and healthy that sickness can't exist. stomach extends far and wide. Good for Ferrozone is a vitalizing tonic that makes everything a liniment can be good for and rich, red blood, builds up the narves, cures costs but 25c. for a large bottle. nervousness and drives away tired languid

feelings. To get strong and keep strong use Ferrozene; it assures health and costs but 50c. at all druggists'.

## McClure's Magazine.

McClure's is pre-eminently a living magasine, intended for readers who are thorough-

ly alive in interests, activity and enjoyment. It does not appeal to mere idle curiosity and never to an instinct for the sensational, but strives to afford a richer mids defendants in a writ issued by E. B. enjoyment and to satisfy a deeper and more Eddy, president of the E. B. Eddy Company, lasting interest. McCiure's is meant for asking \$50,000, dam ges for alleged defama- Murphy, of Neponset, Mass., by his Protestpeople who are living and working in the tion and libel contained in a circular issued present; it tries to make current events by them, calling on labor to support the speaks well of the progress we are making and movements more intelligible to its read. striking paper makers in Hull in their efforts towards a brotherhood of religions.
