BRIGHT'S DISEASE CURED. Bright's Disease has invariably yielded to a treatment of Dodd's Kidney Pills, no matter how firm a hold fit had secured on its victim. Possibly the most talked of case of recent date is that of Alice Maud Parker, of Shubenacadie, Hants Co., N.S. The town on the banks about ten miles It Creeps Stealthily into the Sys, full story of this case will be found in the current number of Dodd's Magazine. Herewith a short statement from the young lady's mother is appended:

Two doctors pronounced my daughter's illness Bright's Disease, and gave her up to die. Her eyelids swelled till she could hardly see; her! legs from her ankles to her knees swelled. Her belt in health was twenty inches, when she was at her worst it was 48 inches. Then she gave up all other treatment and started to take Dodd's Kidney Pills. By the time she had taken the first box I saw a change. It took a long it. To-day my daughter is in perfect | air to the earth. health.
