The publisher desires to urge upon the notice of all who wish to contribute matter of any kind to the ADVANCE's columnswhether it be advertising, news or netices of meetings, etc.—that the paper goes to press en Wednesday afternoons and, to ensure publication, their favors should be in the office not later than Wednesday morning.

The printing of the paper is frequently delayed by persons who hold back accounts of meetings, announcements of entertainments, etc., which they might easily send in days before that on which we go to press but they seem to consult only their own convenience and often place them in our hands on Wednesday after the paper made ready for press, and seem to think it a hardship because they do not appear ; and in most cases of this kind, the contributions are rany free list advertisements. We o every deserving organization in the con ity, freely, in every legitimate way, but must expect them not to delay the publication of the paper when they wish t make use of our columns. Send your matter for the ADVANCE along on Monday or Tuesday, but don't hold it back until Wednesday

if you can possibly avoid doing so.
