But the doctor could not tell phur, casein and margarine. where the boy was, and Mr. Meade "There is water, too, a-plenty in to play all day and every day, howreturned disconsolately homeward, a fresh lain egg, but no more than ever great the heat.

turn, and to whom Philip had just ! father.

It was a heavy blow to Matthew and Martha, whose first thought was to buy Philip out at once; but Matthew Meade was not a man to do ing her duty to herself or family? anything in a hurry. He considered "And who may account for the the subject well first, and finally Mr. Ingleby's advice, coupled with Philip's own earnest supplications and urgent reasonings, together with Dr. Maule's report upon the lad's capacities, induced Mr. Meade to that are common in the poultry yield a rejuctant consent to his prodigal's remaining in the ranks. Mr. Ingleby had taken an interest in the boy for years, and his verdict was that he suffered from being educated above his surroundings, and would infinitely profit from the discipline in the ranks. He also undertook to interest his brother, a captain in the same regiment, in the new recruit. So it came to pass shortly after that Philip looking, as little Jessie thought, very smart and handsome in his infantry uniform, and feeling very gay and hopeful, marched with his regiment on board a troop-ship bound for the East, amid the thunder of a vast crowd's cheers, the weeping of women and children, and

a thousand piteous little farewell Matthew Meade, with Martha and Jessie, now a pretty playful girl of twelve, with deep blue eyes and hair of woven sunbeams, stood amid the crowd to watch the embarkation and
