man to her husband in a railway was alongsile of him.

les. in a subdued tone. "I thought you hadn't; but don't you remember it was that pair of slippers I presented to you the Christmas before we were married that led to our union? You remember how nicely they fitted, don't you? Well, Charles, one day, when we were going to a picnic, you had your feet up on a seat, and when you weren't looking I took your measure. But for that pair of slippers I don't believe we'd ever been married.

A young unmarried man, sitting by, immediately took down his feet from a scat.

## TURKISH SULTAN'S WEALTH.

There is an amazing collection of iewels in the Sultan's treasury at the Sultans since Mahomet II. are there, all glittering with rare and large gems of the purest water. There are also the Royal Throne of Persia, carried off by the Turks in 1514, and covered with more than 20,000 rubies, emeralds, and fine pearls, and the Throne of Suleiman 1. from the dome of which there hangs over the head of the Caliph an emerald 6in. long and 4in. deep. jects in the collection.
