Publisher's Notice.

The publisher desires to urge upon the notice of all who wish to contribute matter of any kind to the ADVANCE's columnswhether it be advertising, news or netices of meetings, etc.—that the paper goes to press en Wednesday afternoons and, to ensure publication, their favors should be in office not later than Wednesday morning.

The printing of the paper is frequently delayed by persons who hold back accounts of meetings, announcements of entertainments, etc., which they might easily send in days before that on which we go to press, but they seem to consult only their own convenience and often place them in our hands on Wednesday after the paper in made ready for press, and seem to think it a hardship because they do not appear; and, in most cases of this kind, the contributions are really free list advertisements. We want to help every deserving organization in the community, freely, in every legitimate way, but must expect them not to delay the publication of the paper when they wish to make use of our columns. Send your matter for the ADVANCE along on Monday or Tuesday, but don't hold it back until Wednesday if you can possibly avoid doing so.

A Bathurst despatch of Tuesday says :the clergy.

Caraquet, where His Excellency was pleased with the grand demonstration made in his honor by the people. On the way from Caraquet to Bathurst a

stay was made at Grand Apse, where dinner was served at the res dence of Rev. S. J. Doncett. All along the route for a distance of twenty-one miles decorations were on an elaborate scale. The decorations at Bathurst were magni-

ficient. The delegate on arrival entered the church, where addresses were read-in French and English -- by P. J. Veniot and Ed. L. O'Brien respectively. His Exceltency replied in both languages, urging his heaters to be good cit zens, faithful to their church and the laws of the land. After the addresses, Benediction was given. In the evening the village and parts of the town were beautifully illuminated. To-day a public reception was held at 9 o'clock, after which His Excellency proceeded to Bathurst Village, where an address was read. Lunch was taken at the residence of Rev. W. Varrily. The Village was handsomely decorated for the occasion.

It's When You Have Toothache

That the power of Nerviline quickly makes itself felt. Any aching tooth can be releived by Nerviline in a few moments by filling the cavity with batting soaked in Nerviline. A good plan is to rub the gums with Nerviine also. There is'nt a single remedy that has one fourth the pain-relieving power of kills the pain outright and prevents it from returning. You can't beat Nerviline for toothache or neuralgis; it's the best pain cure made. Price 25:.

The Canada Eastern Railway.

likely that they would long ere this have Mr. Tiffin, General Traffic Manager of received the due reward of their inglerious | the Intercolonial Railway, whose visit to Chatham the ADVANCE referred to last week, proceeded, as we stated, to Freder-On Friday, Deputy Game Warden Verge icton over the Canada Eastern, accompanied by Supt. Hoben of that line. The | challenger. Herald of 3rd says:

Messre. E. T.ffi , general traffic manager of the I. C R., J. J. Wallace, general freight ageut, and E. S. Smiley, of S . John, arrived here yesterday afternoon in Mi Tiffin's private car, after completing a tour of inspection of the Canada Eastern Railway. In company with Supt. Hoben they inspect ed the line from Chatham Junction to Chatham on Monday and yesterday morning paid a visit to Laggieville, the eastern terminus, and afterwards came on to the

Interviewed at his car this morning by Herald representative, Mr. Tiffin explained that the object of his tour over the Canada Eastern was to inspect the traffic possibilities of the road. There was very little he could say for publication other than he was most favorably impressed with the outlook.

I am delighted, said he, with scenery along the line of railway, especially the valleys of the Nashwank and Miramichi. Let it be advertised and given the prominence that is now given to points along the main line, and I am confident that a large passenger traffic can be worked up. Mr. Tiffin, who is a practical railway man of long experience, expressed the opinion that the Canada Eastern possessed a good toid-bed, and with some improvements here and there could be put in good condition to handle the freight and passenger traffic that

This morning Messrs. Tiffin, Wallace and Smiley ca'led upon the leading business men of the city and were most kind y received on all sides. Everybody they met with had a good word to say for the Canada Eastern, and expressed themse ves as well pleased with the action of the Dominion government in taking steps to acquire the road

We also announced last week that Hon. Mr. Emmerson's bill for the purchase of Canada Eastern by the Dominion govern ment had passed its first reading. On Friday, Mr. Robinson, M. P., telegraph ed the ADVANCE that the bill had passed its third reading without division. opposition must have "climbed down," as the Osean Limited xpress at 12 15 for a is leading men spoke against the measure Tom is in the form that he was in yesterday

and would no doubt, have defeated it had they been able to do so.

The "World" and the Community. It may be assumed that it makes n difference to the people of Chatham whether the rescue of the editor of the World from drowning was made on a certain occasion with the assistance of either or both or neither of the gentleman whom the ADVANCE connection. It ought, however, to be matter of concern in the community that its newspapers employ language in dealing with that or any other subject which does no reflect discredit on themselves, those who support them or the place in which they are published. The person who penned the language employed in the World of Saturday is a School Trustee of the town and the pupils in the public schools are, perhaps, having their plastic minds impressed with his style of expression as a model in language for them in their intercourse with each other wien they may differ in opinion Boys just merging into manhood may be led by personal example from the same quarter to disregard the moral restaints which constitute the safeguards of society; the clergy who, on the one hand, enjoin temperance and sobriety in matters of diet, are hardly consistent when they countenance-some them even encourage-the examples o intemperate language and outrage on moral ethics which are so manifest in the World's columns and in the conduct of its editor We cannot but assume that every man the community whose name, appears in th columns that publication as a patron, sub scribes to its evident want of respect for the well being of the families into which conveys its moral poison, its sneers at the beliefs most of them hold dear and its dis regard for the ordinary courtesies of life

and educated. These things may be of little moment support, in maintaining that kind of paper in the town.

A Montreal despatch of Friday says:-"The first race for the Sewanhaka cup was sailed today on Lake St. Louis in a fluky wind and was won by Noorna in easy fashion by five minutes and 55 seconds. The Canadian boat had whatever luck there was in change of wind and was somewhat better handled. Conditions were in favor of the Canadian boat. The Americans take their defeat philsophically and hope that the next race will result more favorable."

The second race was sailed on Saturday i behind the White Bear, and these twe of the crews, while the strong wind tested the stability of the boats. White Bear did a remarkable bit of sailing in making the close reach on the second leg of the first miles was covered in six minutes and four seconds, which meant that the yacht sailed

challenger was never made up by the Canadian. Both yachts showed good weather qualities. Norna showed to best advantage in windward work.

A Montreal despatch of Monday says: The Noorna this afternoon on Lake St. Louis, coptured the third race for the Sewanhaka cup and the score now stands two to one in favor of the Canadian

margin of 1min. 2 sec. The wind was light and therefore favorable to the challenger.

In yesterday's race Noorna won and the cup, therefore, remains in Canada.

Newcastle "Victors" Were up Against Great Disadvantages.

says that the Newcastle Victors are "a ver nice lot of players and good fellows." would be a very unusual thing if any paper of any Miramichi organization. The Gleaner writer, however, gave the visiting team what seemed to be unfair treatment in that paper's first account of their play, but, next day, was inclined to take it back in the following fashion:-

The Newcastle team played on Thursday under a greater disadvantage than we realized. They left home early in the morning and travelled until noon, when they arrived here. Then they no sooner had their dinner than they had to hustle into their uniforms and get out and play ball against a mighty fast team. The Tartars had their batting in Ireland and became the progenitor of all suits on and they only managed to touch Linden up for 12 hits at that, Linden therefore did very well and a good deal better than most of the pitchers around the province would have done. Linden has the goods and every one of the Tartars are willing to say that he pitched very good ball. The Newcastle team found themselves stacked up sgainst Tom Hughes and when
