He was an owner in the lake at South Branch and had been fishing there for the past twenty years. He was a member of the St. Andrew's Presbyterian Church, a Liberal in pelities and one of the

most prominent citizens of St. John. An able bodied man, who in his early days was an athlete of no mean order, he hardly had any illness to speak of. He was an excellent, strong swimmer and his friends know of many exhibitions of long distance swimming given by him. Besides his interests in Wm. Thomson & Co., he also had interest in other lines of business and was a director of the Bear Gulch Gold Mining Company. Personally Mr. Thomson was of hearty disposition and numbered

very many friends. J. Alfred Porter, of the Thomson firm, has cabled the sad news to Robert Thom son, who is at present traveling in Europe with his wife and daughter.

R. P. Foster was thirty-five years old and was the son of the late E. H. Foster, of St. Martins. He was for some years a clerk in the Bank of New Brunswick here and later fer some years was manager of the Reval Bank of Canada branch in Fredericton. For the families of the two men there will be keenest sympathy in their hour of sad bereavement.

At 2,45 o'clock this afternoon news was received by telegraph that the bodies of Mesers. Thomson and Foster had been recovered. They were found near where the boat was anchored. The bodies were expected to reach Gaspereaux station about 3 o'clock, and a special train will bring them to St. John.
