J. E. COLLINS,

PROPRIETOR.

Chatham, Aug 30, 1880.

Every year increases the populari-
ty of this valuable Hair Preparation;
which is due to merit alone. We
can assure our old patrons that it is
kept fully up to its high standard;
and it is the only reliable and perfect-
ed preparation for restoring GRAY
OR FADED HAIR to its youthful color,
making it soft, lustrous, and silken.
The scalp, by its use, becomes white
and clean. It removes all eruptions
and dandruff, and, by its tonic prop-
erties, prevents the hair from falling
out, as it stimulates and nourishes
the hair-glands. By its use, the hair
grows thicker and stronger. In
baldness, it restores the capillary
glands to their normal vigor, and
will create a new growth, except in
extreme old age. It is the most eco-
nomical HAIR DRESSING ever used,
as it requires fewer applications,
and gives the hair a splendid, glossy
appearance. A. A. Hayes, M.D.,
State Assayer of Massachusetts, says,
"The constituents are pure, and care-
fully selected for excellent qual-
ity, and I consider it the BEST PREPA-
RATION for its intended purposes."
Sold by all Druggists, and Dealers in Medicines.
Price One Dollar.

Buckingham's Dye.

FOR THE WHISKERS.
As our Renewer in many cases
requires too long a time, and too
much care, to restore gray or faded
Whiskers, we have prepared this
dye, in one preparation; which will
quickly and effectually accomplish
this result. It is easily applied,
and produces a color which will
neither rub nor wash off. Sold by
all Druggists. Price Fifty Cents.
Manufactured by R. P. HALL & CO.,
NASHUA, N. H.

**Ayer's
Hair Vigor,**

For restoring Gray Hair to
its natural Vitality and Color.

A dressing
which is at once
agreeable,
healthy, and ef-
fectual for pre-
serving the
hair. Faded or
gray hair is soon
restored to its
original color,
with the gloss and freshness of youth.
Thin hair is thickened, falling hair
checked, and baldness often, though
not always, cured by its use. Noth-
ing can restore the hair where the
follicles are destroyed, or the glands
atrophied and decayed. But such as
remain can be saved for usefulness
by this application. Instead of foul-
ing the hair with a pasty sediment, it
will keep it clean and vigorous. Its
occasional use will prevent the hair
from turning gray or falling off, and
consequently prevent baldness. Free
from those deleterious substances
which make some preparations dan-
gerous, and injurious to the hair, the
Vigor can only benefit but not harm
it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desir-
able. Containing neither oil nor
dye, it does not soil white cambric,
and yet lasts long on the hair, giving
it a rich, glossy lustre and a grateful
perfume.

Ayer's Cathartic Pills,

For all the purposes of a Family Physic,
and for curing Constipation, Jaundice,
Indigestion, Puff Swellings, Headache,
Rheumatism, Eruptions and Skin Diseases,
Biliousness, Dropsy, Tumors, Worms,
Neuralgia, as a Dimer Pill,
for Purifying the Blood.

Are the most ef-
fective and con-
genial purgative
discovered. They
are mild, but ef-
fectual in their
operation, moving
the bowels surely
and without pain.
Although gentle
in their operation,
they are still the
most thorough and
safe cathar-
tic medicine that
can be employed:
cleansing the
stomach and bowels,
and even the
blood. In small doses of one pill a day,
they stimulate the digestive organs and
promote vigorous health.

AYER'S PILLS have been known for
more than a quarter of a century, and have
obtained a world-wide reputation for their
virtues. They correct diseased action in
the several assimilative organs of the
body, and are so composed that obstruc-
tions within their range can rarely with-
stand or evade them. Not only do they
cure the every-day complaints of every-
body, but also formidable and dangerous
diseases that have baffled the best of
human skill. While they produce power-
ful effects, they are, at the same time, the
safest and best physic for children. By
their aperient action they gripe much less
than the common purgatives, and never
give pain when the bowels are not inflamed.
They reach the vital fountains of the blood,
and strengthen the system by freeing it
from the elements of weakness.

Adapted to all ages and conditions in
all climates, containing neither calomel
nor any deleterious drug, these PILLS may
be taken with safety by anybody. Their
sugar-coating preserves them ever fresh,
and makes them pleasant to take; while
being purely vegetable, no harm can arise
from their use in any quantity.
