Tuesday, Thursday and Saturday mornings, from the office on Quee Street. Wiley's Building.

Terms: \$2.50 per annum, payable in advance. Address "STAR." Fredericton.

FREDERICTON, MARCH 11, 1879.

Exploded Waterspouts.

On the broad ocean whose waters plus of the year just past. are lashed into foam and fury, the proach of the terror inspiring water- are as follows:spout. If it strike his ship 'twill N. of S. Br. Becaguimec R. ... Between Oleetock R. & Trout Brook rend her canvas and mayhap throw Cano.e. her on her beam ends, but if it N. of Fair Isle Tract, burst then itis a harmless thing. The Government ship of this country has been menaced by some very Pleasant Ridge, threatening waterspouts; the first of these being predicted by Mr. ernment almanac the News.

poor Blair, some wicked persons thing to the revenue. The Government they said was go- under the '72 Free Grants act. to see the effect. The greenback to his fellow countrymen. leader, Mr. White, stared and in We quote from his report to the wardly muttered, "That ere is the Surveyor General:man I'll follow." Willis could hardly hold his seat, and Covert one to say to our friends 'Come over and would think would break his traces. join us.' We have room here for thou-Several honorable gentlemen sat sinds, and would gladly welcome them mute, and Blair looked around the perseverence, courage and integrity to House to "take in" the impression back them, their success is certain. he had made. Dismay, he thought, They will not at landing sat on the face of the Government. The day was arriving fast. On but they can have their log cabins, Tuesday next he would divide the which will be their own, and free farms House on the question and the for their work shop, and every day they ministry would fall. On Saturday work will be for themselves. With he stood up and for the second as nature never fails to reward industime read his resolution. Another try, every stroke of the grub-hoe, every spell fell upon the House; but in the delve of the spade, will tell in their those ill-omen birds is always midst of it the Secretary stood up favor; while every teeming shower, cool and collected, and taking the every drop of dew and every ray of It now fears that the Oneidas, a fatal document in his hand, he read health, good will to work and steady

downfall: made to the Government by Grand say Southern Railway for a guarantee of \$180.000, or any other sum?

With the most provoking coolness came the words.

The answer is no.

opposition at the little word "no." Have any advances been made by the Government, or assurances given to enable said company, to purchase iron for said road?

was read in loud tones, and again followed another breathless pause, pare and come and join us." I, for one, while the answer came quiet, deci- mean to do one man's work in the way sive, deadly cool- No.

tion man seemed to have fully a half inch of upper lip to spare. Wedderburn began to read again. Has any sum been agreed to be de-

to pay for said iron?

"nevermore."

prominent position at his seat, now Chief Commissioner's report, why, began to shrink back and hide be we can't say.] hind his desk. Still the secretary read:

If such application for guarantees or advances have been made, what action has been taken by the Government? and again came the killing reply. Not any by the Government.

an Opposition man to be seen: but have seen of the play we incline to Wedderburn, cool, calm and with a that belief ourselves. The body of sarcastic glitter in his eye read the play is found in Holinshed, on :-

last, on account of G. S. Railway. and to this came cool and provoking as ever,

No advances have been requested or promised.

This is enough of the document for our purpose, and it was sufficient for the poor opposition-several had slunk out before reading the last section: so that the second waterspout broke as flatly as the a.st. We should strongly recom-

be poking fun at him.

Hon. Mr. Adams' Report.

From the Crown Lands Report for the last year now before us, we find that the total receipts from the Crown Lands for 1878 are \$111,-343,93 and increase of \$8,511,80 J. E. COLLINS, EDITOR & PROPRIETOR. over those of the preceding year. The net amount on stumpage collected for 1878, reaches \$81,207,46 Richard III, act 4, scene 2:for 1878 against \$55,980.38 for 1877, which accounts for the sur-
