### To EDITOR QUEENS COUNTY GAZETTE.

In reply to Chipman correspondent regarding the appointment and qualifications of Dr. H. McDonald as a member of the Board of Health, I would state that he was nominated by Councillor Langley as Dr. H. McDonald.

I am not in a position to say what his qualifications are as a physician. If the Board of Health is composed of physicians I should say unless the said Dr. H. McDonald is a recognized member of the N. B. Medical Association he cannot consistently act in such capacity but if composed of physicians and laymen he should of course be recognized as a member but not as a physician.

H. B. HAY.

"I knowed it would go worse wit me," said Meandering Mike, "but I couldn't help it. I've got such a merry disposition." "You wouldn't be out yet if de judge could have kep' you in," commented his comrade. "No. He says to me dat what I needs is refinement. An' I says, 'Judge, I've had it. Two months ago I was refined,' an, dat's what prejudiced my case."
