## WONDERFUL SUCCESS

Not One Failure on the Part of  
Dodd's Kidney Pills.

When Used in the Treatment of  
Kidney Diseases—They Cure  
Even Where Physicians  
Have Given the Patients  
Up to Die.

SHOGOMAC, N. B., Jan. 2.—There are,  
perhaps, not more than three or four  
subjects, upon which all members of a  
community hold the same opinion.

Everyone knows that death comes to  
us all, for instance. That is a subject  
that admits of no argument.

There is another question on which  
every person resident in this district  
agrees. That is that Dodd's Kidney Pills  
are a positive, unfailing cure for all forms  
of Kidney Disease; that there is no other  
medicine within the reach of man, that  
can cure these complaints; and that  
Dodd's Kidney Pills have never been  
known to fail in any case of Kidney Com-  
plaint.

Of course the people of this district  
could not possibly hold different opinions.  
Dodd's Kidney Pills have had such a won-  
derful success, that no other conclusion  
could be reached.

Every time they have been used they  
have effected a thorough and permanent  
cure, no matter how hopeless the case  
had seemed—and in several instances the  
patients had been given up by their phy-  
sicians. Not once have they failed.

An idea as to the esteem in which our  
people hold this great medicine, can be  
gained from the following statement made  
by Mr. Charles Shaw, one of our wide-  
awake merchants. He says: "Dodd's  
Kidney Pills are more appreciated and  
have done more good than any other  
medicine we sell. They give the very  
best results, when used as a blood puri-  
fier and tonic."

Any victim of Kidney Disease should  
begin the use of Dodd's Kidney Pills at  
once. They are sold by all druggists at  
fifty cents a box; six boxes \$2.50, or sent,  
on receipt of price, by The Dodd's Medi-  
cine Co., Limited, Toronto, Ont.

### Big Profit in Poultry.

OTTAWA, Dec. 28.—The commissioner  
of agriculture received advices to-day  
of the sale of trial shipments on Ontario fat-  
tened poultry sent from St. John to  
Liverpool about a month ago. The birds  
met a ready sale in Liverpool at 16 cents  
per pound, wholesale. The chickens  
were sent plucked but not drawn, and  
weighed an average of 5 1/2 pounds each.  
The wholesale price therefore was equal  
to \$1.76 per pair. The chickens when  
put up to fatten were worth 50 cents per  
pair. The food consumed per pair during  
the fattening cost 31 cents making a total  
cost of 81 cents per pair, without allow-  
ing anything for the labor of attending  
them. The packing cases cost at the rate  
of three cents per pair, and the transpor-  
tation and selling charges would cost, in  
the usual course of business for such  
chickens, not more than 22 cents per  
pair, a total of \$1.06, leaving 70 cents per  
pair for the labor and profit.

### Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Tex.,  
has found a more valuable discovery than  
has yet been made in the Klondike. For  
years he suffered untold agony from con-  
sumption, accompanied by hemorrhages,  
and was absolutely cured by Dr. King's  
New Discovery for Consumption, Coughs  
and Colds. He declares that gold is of  
little value in comparison with this mar-  
vellous cure; would have it, even if it  
cost a hundred dollars a bottle. Asthma,  
Bronchitis, and all throat and lung affec-  
tions are positively cured by Dr. King's  
New Discovery for Consumption. Sold  
at any Drug Store. Regular size 50  
cents and \$1.00. Guaranteed to cure or  
price refunded.

### Situation is Serious.

MANILA, Philippines, Dec. 29.—De-  
tails regarding the occupation of Iloilo by  
the insurgents have just been received  
here. The American expedition com-  
manded by Brigadier General Miller ar-  
rived there yesterday and found that the  
Spaniards had evacuated the place on  
Saturday on board the steamer Churnea  
and had been transferred to the Island of  
Mindanao, in accordance with an agree-  
ment arrived at with the insurgents. The  
latter entered Iloilo and occupied the  
trenches on Monday at noon. They im-  
mediately established a municipal govern-  
ment and placed guards over foreign prop-  
erty. The insurgents were fairly quiet and  
orderly, although there was some looting  
at night. But five of the natives were  
shot, which had an exemplary effect upon  
the rest. The only foreign warship in the  
harbor was the German second class cruiser  
Irene.

NEW YORK, Dec. 29.—A despatch to  
the Herald from Manila says: Admiral  
Dewey considers it absolutely necessary  
that a first class statesman be sent to  
Manila to thoroughly investigate the sit-  
uation here and ascertain the aspirations  
of the Filipino republicans. He further  
states that the United States must accept  
their responsibilities in the Philippines

which have been acquired by conquest.  
If they should shirk this duty they would  
put themselves back two hundred years  
in the world's history.

NEW YORK, Dec. 29.—Colonel Kimball  
of the quartermasters' department in the  
army building, has received orders from  
the War Department to secure at once an  
iron ship for use as a cable ship to lay  
cables to connect the islands of the Philip-  
pines. The department has ordered for  
this purpose 166 miles of marine cable,  
weighing 525 tons.

The new Filipino cabinet is composed  
as follows: President of the cabinet and  
Minister of Foreign Affairs, Mabani;  
Minister of War, Luna; Minister of the  
Interior, Aranota; Minister of Agricul-  
ture and Commerce, Baconcaino.

LONDON, Dec. 29.—A correspondent of  
the Globe, writing from Hong Kong on  
Nov. 26th says: It would be a great  
mistfortune, if, through hasty action or  
ignorance of the actual state of affairs,  
the Filipino natives rise against the  
Americans. Hitherto, although the  
Americans have often given great provo-  
cation, the Filipinos have shown great  
forbearance and a strong dislike to come  
to blows. They do not want to fight and  
if the Americans only meet them half way  
all will go well. There is much to be  
gained by a just, statesmanlike settlement  
with the natives, while there will un-  
doubtedly be great losses through a con-  
tinuance of arbitrary treatment. The  
just aspirations of the people ought to  
be taken into consideration, and I believe  
they would be if only the proper men  
are sent out by the President to settle  
the question of the future government of  
the islands on the spot after proper deli-  
beration and a very careful investiga-  
tion. Such a commission would discover  
that the Filipino leaders have been loyal  
to the Americans. I am now informed  
that they refused to consider the over-  
tures of Germany and France. When  
Prince Henry visited Hong Kong he  
caused the Filipino leaders there to visit  
him, and informed them that he was em-  
powered to promise the natives full re-  
cognition of their national government if  
they would cede to Germany as a quid  
pro quo a small coaling station. France,  
more recently, made similar advances,  
and in each case the reply was "We can-  
not settle anything with you. The Ameri-  
cans promised us independence, and we  
wish to wait to see what the Americans  
will do for us."

### Brave Men Fall

Victims to stomach, liver and kidney  
troubles as well as women, and all feel  
the results in loss of appetite, pains in  
the blood, backache, nervousness, head-  
ache and tired, listless, run-down feeling.  
But there's no need to feel like that.  
Listen to J. W. Gardner, Idaville, Ind.  
He says: "Electric Bitters are just the  
thing for a man when he is all run down,  
and don't care whether he lives or dies.  
It did more to give me new strength and  
good appetite than anything I could take.  
I can now eat anything and have a new  
lease on life." Only 50 cents, at any  
Drug Store. Every bottle guaranteed.

### Statement from Sagasta.

NEW YORK, Dec. 28.—A despatch to  
the World quotes the London Mail's  
Madrid correspondent as saying:—

Intimate friends of Senor Sagasta sup-  
plied the following statements made by  
him a few days before his illness  
became serious:—

"The time when the peace negotiations  
were in progress was in time of greatest  
bitterness to me.

"Many a night I could not sleep and  
many a day I could not eat, so great  
was my anxiety, so deep my fears that  
what has happened would happen.

"I know the Americans, and I guessed  
what they were going to do.

"As a rule a victorious nation makes  
generous concessions to the vanquished  
people in order to make their victory  
more humane, and to honor the foe.

"From the United States we have now  
no generosity but only with levity and  
deceit, carried to the extreme of interpret-  
ing capriciously an important word in the  
text of the protocol in order to violate the  
principle they had agreed to. We have to  
suffer all this to prevent greater evils.

"In Cuba our army though themselves  
dishonored by accepting peace without  
having fought against their foe.

"Now that is all ended and we must  
look ahead to the future.

"Elements are not wanting for our re-  
generation and our work will be seen in  
time.

"The lesson inflicted upon us has been  
hard but it will be fruitful."

### A Klondyke Company Loses Money.

TORONTO, Dec. 28.—The Globes Lon-  
don cable says "Klondyke trade and  
transportation company of which Sir  
Charles Tupper is chairman has just issued  
its quarterly report to the end of Novem-  
ber. The loss on trading was nearly  
27,000 pounds, 23,000 being in connec-  
tion with the Teslin route account.

Against the loss stands an asset shares  
in other companies whose nominal value  
amounts to 47,500 pounds.

## First Symptoms.

### Banish the Little Aches and Pains that Lead to Serious Diseases.

### Paine's Celery Compound is the Medicine that Gives the Surest and Best Results.

Physicians with the most extended  
practice are well aware that there is no-  
thing known to medical science equal to  
Paine's Celery Compound, for regulating  
the nervous system and banishing dis-  
ease.

Men and women naturally love life, yet  
it is astonishing how careless and indif-  
ferent they are about the first symptoms  
of grave troubles.

The sharp and piercing pains in joints  
and limbs, those ominous pains over the  
kidneys, that debility, nervousness, in-  
somnia, ugly eruptions on the face and  
body—all are signals and warnings of  
grave diseases and sufferings. Paine's  
Celery Compound used promptly will  
speedily banish every dangerous symp-  
tom, keep the body and nerves in perfect  
condition and add power to the mental  
faculties.

The most sensible and rational way of  
getting rid of rheumatism and neuralgia;  
the true mode of building up the shatter-  
ed nervous system, is through the  
use of a nerve medicine and blood regu-  
lator and cleanser like Paine's Celery  
Compound. When the nerve centres are  
made strong, and the tissues and veins  
supplied with healthy blood, rheumatism  
and neuralgia must quickly leave the  
body.

Are you, dear reader, tired, dull, ner-  
vous, all-gone, miserable, full of despond-  
ency or irritable? If so, use Paine's  
Celery Compound without delay, and en-  
joy true and vigorous life. Carelessness,  
delay, and indifference will surely drag  
you down to greater misery and increased  
peril.

### A Sad Christmas.

WATERFORD, N. Y. Dec. 27.—A special  
to the Standard from Alexandria Bay  
says:

"Yesterday noon three children of  
Charles Hagerman were playing on the  
ice in the north shore of Wells' Island,  
in the St. Lawrence, when it broke and  
they all fell in and were drowned. A  
fourth child, who was on shore and had  
just warned the others, ran to the house  
and notified her mother. Mrs. Hager-  
man rushed to the scene, and in her en-  
deavors to rescue the children, broke  
through the ice and she too was drowned.  
The little girl who was on the shore at-  
tracted the attention of William Watson  
and Charles Kinney. Kinney dove to  
the bottom of the river and came up with  
one of the children on his back. While  
endeavoring to climb out on the ice, the  
boy slipped off his back and went to the  
bottom. Kinney was saved by means of  
a plank which Watson procured near at  
hand. The family consisted of Charles  
Hagerman, his wife and nine children.  
Hagerman was in Canada when the drown-  
ing occurred, and arrived home an hour  
later to take Christmas dinner with his  
family. Arriving home, he went to the  
river and alone recovered the four bodies.
