ANOTHER FINE VOLUME.—Standard
books are ever welcome when they come
to us in forms and bindings representing
all the embellishments of the art of
bookmaking. Such a book is the Story
of the Philippines published by The
Dominion Company, Chicago, a copy of
which has just come to our desk. The
contents are well arranged, the illustra-
tions are fine, the print is clear and neat
and the binding is superb. The Domi-
nion Company is forging ahead as the
leading western publishing house making
a specialty of fine subscription books.
Having salespeople in nearly every nook
of the country, the company enjoys a
large and growing trade. As this com-
pany has a known reputation for liberality
towards its agents and fair treatment
of them, an agency in this community for
the above book or some other published
by this company, would be a source of
considerable profit to the one fortunate
enough to secure it. Interested readers
should write the company for full partic-
ulars.

The Annual Picnic of Court Aloha
I. O. F. June 29.

Court Aloha, No. 1779, I. O. F. will
hold its annual excursion and picnic on
the beautiful grounds at the Willows,
Kennebecasis, on June 29th. Arrange-
ments were at first made to hold the pic-
nic at Chipman, but the Steamer's In-
spector forbid the Manager of the "Aber-
deen" to take the picnic on Grand Lake
and in consequence the place had to be
changed. Those who wish a good day's
outing will do well to attend the I. O. F.
picnic. A large number of sports have
been arranged for the occasion and all
who are interested in this line will find
all that could be expected. No pains will
be spared to make the outing an enjoy-
able affair. Mr. L. Dunn, of Petersville,
has been engaged to supply the music.

DEATH OF STEWART PHILLIPS.—
The Monday train from the Bangor &
Aroostook brought a man from Katahdin
iron works, who was taken sick in a lum-
ber camp. He was taken from the train
on a stretcher and placed in the depot.
At the time he was so sick he was uncon-
scious and nobody seemed to know what
his name was or what was to be done
with him. He was an object of pity.
Undertaker C. E. Rackliff came along
and ordered the man taken to the city
hospital, where he was given proper care
by the hospital staff, but his life could
not be saved and he died during the
night. It was ascertained by papers
about his clothes that his name was Ste-
wart Phillips, and that his home was
in Fredericton, N. B. Tuesday morning
the remains were removed to the under-
taking rooms of Mr. Rackliff. A mes-
sage was sent to Fredericton to ascertain
if the man was known there and if he had
any relatives. The body will be held a
few days to await an answer from Fred-
ericton.—Bangor Commercial.

The above mentioned gentleman was a
son of Mr. Thomas Phillips of Rusiagor-
nish, Sunbury County.

Will Try The Golden Sands.

After a visit in the valley S. D. Strat-
ton returned to this place Monday and on
Tuesday proceeded to get together the
machinery, if such it might be called,
with which he proposed to extract gold
from the black sand on the ocean beach.
Wednesday morning he took the Edgar
for Toke's Point where he will first take
observations and if all is satisfactory, will
begin operations—otherwise he will ex-
amine localities, more especially Daymons
Point. His process for extracting fine
gold from the sand is a very simple one
and is of his own invention and he claims
will surely catch the gold if the gold is
there.

Mr. Stratton was formerly a well known
rancher of the Willapa valley but later
for several years leased the Pacific Hotel
at Oysterville. Nine years ago he left
here for Southern Oregon and for the
past eight years has been engaged in dif-
ferent forms of mining and with varying
success and, although he makes no boasts
it is generally conceded that he has not
returned here this time empty handed.
If Mr. Stratton's confidence in his process
is well founded—and he has used the
process for three years and should cer-
tainly know—and if there is the amount
of gold in the sand on this bay and Grays
Harbor that is supposed to be, Mr. Strat-
ton's fortune is assured. His experi-
ments will be watched with great inter-
est.—Willapa Harbor Pilot.

What to do with the Boy.

A conversation was held a short time
ago between husband and wife concern-
ing the future welfare of their only son,
The mother was for giving him a profes-
sion, but the father thought the profes-
sions were crowded, and suggested starting
the boy in mercantile life.
The father's reason for being opposed
to his son entering professional life was
that he had a brother, who, while very
clever, had nothing to show for his years
of labor but a mere living and a good, big
account on the debt side—the money
spent in educating himself.
The father, although not having the
education of his brother, had some years
ago engaged with The Bradley-Garreston
Co., Limited, of Brantford, Ont., first as
canvassing agent, being promoted from
time to time until now he was in the very
front rank with his company and making
lots of money. He has also seen a lot
of the world, having been sent to Australia,
South Africa, England and United
States. It was therefore not to be won-
dered that he was opposed to his son tak-
ing up a profession, and as the son in
question had a liking for money and travel,
it was finally decided that he ought to
follow in the footsteps of his father and
enlist with this old reliable Publishing
House, especially as he had just received
a good salary offered from them.
