Local Happenings.

Items of Local Interest Carefully
Prepared by the Gazette's
"Man About Town."

SCHOOL BLANKS.—Mr. Angus Daigle,
Chapman, has for sale District School
Assessment Lists and School Tax Notices.

GASPEREAUX.—The local fishermen are
supplying the residents with gaspereaux.
The catch so far has been very light.

WATER RISING.—The water in the
river is rising very fast, having risen
about two feet during Sunday and Mon-
day.

FIRST PLANTING.—Mr. Russia Wil-
liams has his garden nearly seeded. This
is very early for garden planting in Gage-
town.

BROCKVILLE ELECTION.—The election
in Brockville, Ont., on Thursday resulted
in a Liberal victory by a majority of 249,
the vote being Comstock, 1,752; White,
1,503.

LOST.—Fred Welton, of Waterborough,
lost a pocketbook containing \$5.00, on
Saturday the 19th inst. The finder will
be kindly rewarded on returning the
same.

DEATH OF A. A. MABEE.—Mr. A. A.
Mabee, sash and door manufacturer of
St. John, died at his residence on Satur-
day morning, after a lingering illness of
several months, from la grippe.

For weeks past six persons have been
kept busy packing Union Blend Tea
working from 7 a. m. to 12 midnight,
and yet Messrs. Geo. S. deForest & Sons
say they are still behind with their or-
ders. It is good to hear that some firms
are getting lots of business.

RATHER INCONVENIENT.—The repair-
ing of the Dunn bridge makes it incon-
venient for the young men of Clones. One
young man in particular went out on
Sunday to see his better half and had to
stay until morning on account of the
danger in walking the stringers after
night.

RAILWAY EXTENSION.—It is reported
on good authority, writes the Sun's cor-
respondent at Cody's, Queens Co., that
the Central Railway Co., which is now
operating from Norton to Chipman will
have the road extended through to Fred-
ericton this summer. A preliminary
survey has already been made of the line,
and the final survey will be started in a
week or two.

OUR STREETS.—As this is the pro per
time for cleaning our streets, the road
commissioner should see that all obstruc-
tions are cleared off from the streets and
all rubbish that has collected during the
winter is removed. The habit of leaving
farm machinery on the streets should be
looked after, as in some cases machinery
is left where people, during the dark
nights, are in danger of receiving severe
injuries by falling over the same. The
commissioner should see that the streets
are not obstructed.

NAVIGATION OPEN.—The ice moved in
the Gagetown Creek on Wednesday last
and the ice in the main river started to
run on Thursday. The river is clear of
ice between St. John and Fredericton.
The Stmr. Hampstead arrived at Hamp-
stead on Friday. There was a large run
of ice every day last week and it is
thought that the main body of the ice has
passed this place. A number of tugs
went up to Fredericton from St. John on
Sunday and Monday. It is expected
that the Stmr. May Queen will arrive
here to-day (Wednesday) if the running
ice does not interfere. The river boats
no doubt will go on their regular route
the latter part of this week.

SPECIAL NOTICE TO THE PUBLIC.—War
or no war I am still in the front rank in
fitting trim, having lately secured the ser-
vices of Mr. J. A. McKinnon, a late gra-
duate of Mr. J. Mitchell's cutting school
of New York. I am now fully prepared
to give my numerous customers a first
class fit, workmanship unexcelled, style
perfect, and prices that will astonish you.
I respectfully invite you to call and in-
spect my large stock, no trouble to show
goods and give you quotations at Joseph
Walker's, Merchant Tailor, second door
above People's Bank, Queen Street, Fred-
ericton, West End.

THE MARKET.—This week has been a
very quiet one in the city market. There
is an increased supply in country produce
from up river, but the demand is not at
all large. The prevailing prices at pre-
sent are: Beef by the carcass 6c. to 7c.
by the cut 12c. to 18c.; mutton by the
carcass 7c. to 9c. by the cut 7c. to 10c.;
veal by the carcass 5c. to 7c., by the cut
8c. to 12c.; pork by the carcass 6c. to
6 1/2c. by the cut 10c. to 14c.; fowls, 80c.
to \$1 per pair, turkey, 16c. to 18c.; fresh
eggs, 16c. to 18c.; case eggs, 14c.; fresh
butter, 18c. to 22c.; tub butter, 15c. to
17c.; potatoes, \$1.25 to \$1.50 per bbl.;
beets, 80c.; carrots, 70c. to 90c.; turnips,
50c. to 75c.; cabbage, \$1 per dozen heads.
—Globe.

SUICIDE BY HANGING.—Michael Con-
way, of Chatham, a laborer about twenty
two, son of William Conway, was found
this morning at 9 o'clock hanging by the
neck from a beam in the loft of his
father's barn, his feet barely clearing the
floor, and an overturned chair beside
them. The corpse was cold. The rope
used was a clothes line. It is said he left
his room at daylight and that he had been
drinking hard.

SUPREME COURT.—The following judg-
ments relating to Queens County were
delivered before the Supreme Court at
Fredericton on Friday last:—Ex parte
Weyman—Rule discharged for certiorari
to remove Scott Act conviction. Queens
v. Municipality of Queens, ex parte John
Gale—J. R. Dunn moves for rule ab-
solute to quash resolution appointing a
Scott Act Inspector; rule absolute. Ex
parte Edwin C. Lockett—J. R. Dunn
moves for an attachment against Charles
P. Weyman and Daniel Mott for disobey-
ing order of chief justice, staying all pro-
ceedings under a resolution of Queens
county council appointing a Scott Act In-
spector; rule refused. Ex parte Edwin
C. Lockett—J. R. Dunn moves for rules
nisi for certiorari to remove Scott Act
convictions; refused.

RECENT DEATHS.—Mrs. Hudson, wife
of Jabez Hudson, died at her home at
Upper Mungerville Tuesday morning from
the effects of child birth. She was a
daughter of J. Kelly of Fredericton, and
leaves a husband and four small children.
Mr. Hudson, who is at present in New
Hampshire, is a son of Judah Hudson,
whose sudden death at Rusingorish is
also reported in this paper. The Fred-
ericton friends of the deceased lady among
whom she was a great favorite, will re-
gret to learn of her sad death. Mr. J.
Hodgson arrived home at noon Thurs-
day, from New Hampshire, to attend the
funeral of his wife and infant child. The
funeral took place at 2:30 that afternoon
and was largely attended.

Judah Hudson, a well known resident
of Rusingorish, died at that place Mon-
day from heart failure, aged 66 years. A
family of five sons and four daughters
survive him.

SAD ACCIDENT.—One of the saddest ac-
cidents that has happened in Cambridge
for a number of years took place on Sat-
urday afternoon at three o'clock, in which
Mrs. Gilbert Thorne lost her life. It
seems that Mrs. Thorne was cleaning the
rubbish that had collected near the door
during the winter and had started a fire
to burn the same. The grass in the im-
mediate vicinity being quite dry became
ignited and spread for a considerable dis-
tance. Mrs. Thorne in company with
Mr. Arthur and Wilnot Perry started to
put the fire out. In some manner Mrs.
Thorne's clothes became ignited and in a
few minutes she was a mass of flames.
The two men ran to her assistance but
before the fire could be extinguished she
was terribly burned about the body.
Mrs. Thorne lived until Saturday night
at eleven o'clock when death put an end
to her sufferings. Mrs. Thorne was in her
thirty-second year and leaves a husband
and five small children. The former is
in a coasting vessel and is on a trip be-
tween St. John and Boston. The sad ac-
cident has cast a gloom over the entire
community.

MARRIED IN ST. JOHN.—A quiet little
wedding took place on the 20th day of April
at 11 Summer Street, when Mr. Harry T.
Leek of St. John was united in marriage to
Miss Minnie J. Emery, second daugh-
ter of David Emery of South Clones. The
bride looked pretty in a gown of blue
trimmed with pink silk. The bride re-
ceived the following handsome and use-
ful presents: a wicker rocker, Mr. and
Mrs. G. Emery; toilet set of mats and a
quilt, Miss Ethel Emery; picture case and
cushion, Mr. and Mrs. H. Smith; glass
berry set, W. Emery; parlor lamp, Mr.
Charles Cooper; glass water set, glass
cake basket, glass cruet stand, glass but-
ter cooler and plates, glass cream pitcher,
glass vases and mantle bed, Miss Maggie
Emery; sister of the bride, glass butter
dish and glass berry dish, Mrs. Suther-
land; handsome dinner set, Mrs. W.
Gerox; brass crumb tray and brush,
carving knife and fork and several other
useful articles, Mr. J. E. Wilson; smok-
ing irons, Mr. F. Whippel; two pictures,
bed room suite and \$25, mother of the
groom; pair of pillows and glass berry
dish, Mrs. John Cooper; sister of the
bride. The grooms present to the bride
was gold locket set with chip diamonds.

SEEDS.—What are the prices this year?
American Timothy is ten to fifteen cents
per bushel lower on equal quality com-
pared with prices last spring. Canadian
Timothy is scarce some of the largest
Canadian Seedsmen having none to offer.
Oats are about the same prices as at this
date a year ago. Peas—Extra Early,
American Wonder, Telephone and Field
are unchanged, Stratagem a trifle higher.
Turnip Seed.—Table varieties a few cents
per pound higher, while the kinds for
food growing somewhat below 1898.
Sugar Beet and White Carrot, profitable
for feeding are a little off in price, and
seed for table Beets or Carrots is un-
changed. Corn—Dent and Flint in
White and Yellow are five to ten cents
up. Sugar Corn is off in price and can
be bought low enough to sow for feeding
purposes and give good profit as green
corn. Mammoth Sugar Corn is now ad-
vertised by P. Nase & Son, on the first
page of GAZETTE.

FIRST PASSENGER STEAMER.—The
Stmr. Springfield arrived here on Tues-
day morning being the first passenger
steamer to arrive here this year.

SAILED TO ST. JOHN.—The steamer
Martello, which has during the winter
been rebuilt, started on Monday to sail
for St. John. Capt. Briegs rigged a
temporary sail with which to sail to the
city, at which place her engine is under-
going repairs. The Martello will be a first
class steamer this year. She is about 25
feet longer than she was and over twenty
inches higher. Mr. James Reece, of
Mouth of Jemseg, with a crew of four
men did the repairing on her. She has
a very small part of the old hull and her
accommodations for the crew greatly en-
larged and improved. When the Mar-
tello has her engine on board and her re-
pairs finished she will be second to none
on the river.

THIS SHOULD NOT BE.—Mr. Wilson
went to Cody's on Saturday and telephoned
to a party in St. John concerning the
death of Mrs. Thorne, and paid for a re-
ply but could not get one. On Sunday
he had to come all the way to Gagetown
to telephone to the same party, who in-
formed him the message from Cody's had
not been received. This should be look-
ed after as a system of that kind is of very
little service in any place. The urgency
of this case should have made the opera-
tors even more prompt than they would
be with ordinary messages. Those man-
aging the telephone should see that a
better service was given the people.

Killed by a Ball

DORCHESTER, April 18.—This morning
at the recess hour, while the boys of the
superior school were playing ball, a sad
accident occurred. Willie Dobson, a
boy of 12 years, who was conversing with
another boy, a short distance from the
home base, was struck on the back of
the head by a batted ball. The boy ut-
tered an exclamation, tottered a step or
two and then fell. He was immediately
carried to the drug store, where medical
assistance was summoned. It was found
the blow had been fatal, and the boy was
dead.

The deceased is the second son of the
late Walter Dobson, for many years cus-
tom officer here. He was an exceedingly
clever lad.
