

The Templars.

The annual session of the Grand Lodge I. O. G. T. was brought to a close last Wednesday, and it was said by old hands to be the most successful and enjoyable ever held. A large number attended an interesting public meeting in the evening and heard lively speeches and witnessed the public installation. Rev. Thos. Marshall, P. G. C. T., was installing officer, assisted by representatives Beamish and Case. He installed officers as follows:

G. C. T.—T. H. Colter, M. P. P., Keswick.

G. Coun.—John Farley, Jacksonville.
G. V. T.—Miss Laura A. Scott, Albert Co.

G. S. J. T.—A. E. Pearson, Kings Co.
G. S.—W. R. Robinson, Newcastle.

G. T.—A. Palmer, M. P. P., Queens Co.
G. C.—Rev. A. E. Ingram, St. John.

G. M.—J. F. Whitenect, Grand Manan.
P. G. C. T.—Ald. W. D. Baskin, St. John.

G. A. S.—W. R. Gould, Chatham.
G. G.—Ch. S. Mills, St. Stephen.

G. Sen.—Wm. Inch, Queens Co.
G. D. M.—Miss Cassity, Newcastle.

G. Mess.—C. Wilmot, St. John.

Messrs. Robinson, Baskin and Marshall were appointed delegates to the Right Worthy Grand Lodge, and Messrs. Gould, Marshall and Robinson were appointed a committee to revise and consolidate the by-laws.

The committee on political action reported their disappointment at the failure to obtain a prohibitory law at the present session of parliament, and confirmed their determination to support any legitimate effort to aid in securing a prohibitory law for the dominion, and that nothing short would satisfy them as a temperance body.

The business was completed about noon and it was decided to meet next year in Woodstock.

Fraternal greetings were sent to the National Division, S. of T., then sitting in St. John, by G. C. T., Thos. Colter, M. P. P., and G. S., W. R. Robinson, in behalf of the lodge.

The representatives elected to the Right Worthy Grand Lodge, were Messrs. Robinson, Baskin and Marshall, with alternatives, Messrs. Colter, Gould and Farley.

On the Platform.

By request of the temperance people of the city Rev. J. Shenton gave a parting address in the Temperance Hall on Sunday night. Although the weather was very warm the hall was filled on the occasion. Mr. Wm. Rossborough occupied the chair and in complimentary words referred to the noble work performed by Mr. Shenton since his residence in the city, and in no phase of the fight did he shine brighter than during the Scott Act campaign. The several temperance organizations united in a parting address, which after some personal references, was read by Mr. H. H. Pitts, and is as follows:

Rev. Job Shenton,
Dear Sir,—The temperance bodies of this city, the names of whose representatives are hereto attached, before your removal to your new charge, beg to present you with expression of their regard and esteem.

We feel we owe it to ourselves individually to say that we regard you highly for your work's sake and, on behalf of the societies we represent, to thank you for your readiness at all times to aid us in forwarding the cause of temperance. Since your residence in Fredericton you have not ceased both privately and publicly in a straight forward and manly way to defend and support the Canada Temperance Act and constantly to denounce the causes which led to the violation of the law and increase of drunkenness.

We wish to thank you also for the ready compliance with the request of the temperance societies to preach a temperance sermon in your church on the anniversary of Her Majesty's birthday, which was by your temperance friends highly appreciated and will no doubt have a beneficial and lasting effect upon all who heard it.

The temperance organizations of this city are much indebted to you, in conjunction with other faithful workers and advocates for the present comparatively favorable condition of the temperance cause in this place.

Had it not been for a few staunch and decided temperance workers, with whom you stood shoulder to shoulder, the cause of temperance would have been crushed and the drink traffic again let loose upon society to be only regulated by license and the sale of intoxicating liquors not prohibited as now under the Canada Temperance Act.

We regret that the rule of your denomination made it necessary for you to leave this city, but our regrets are somewhat modified by the knowledge that you will not cease your labors in this good cause, but like Paul will continue to reason of righteousness, temperance and a judgment to come.

Our prayer is that you and yours may long be spared to prove to the world the advantage of "a well ordered life and a Godly conversation."

We are satisfied you will not forget the temperance cause here; that not only in your prayers, but if need be in your presence, you will assist the work and cheerfully give the workers here a helping hand.

Wishing you success in your new field of labor, in the bonds of temperance and christian union, we subscribe our names as the representatives of our respective orders in this city.

Mr. Shenton made an appropriate reply and said he had just come from his own church where he had to say good bye. It is hard to say farewell but he would not soon forget the kindness and courtesy extended to himself and family. He made some happy hits respecting the Scott Act fight when he was privileged to work side by side with Revs. Dr. McLeod, Mowatt, Crawley, and such laymen as Hugh O'Brien, Nat. Smith, Todd, Pitts, Rossborough, and others.

Rev. B. H. Thomas also spoke referring to temperance work in Woodstock and Carleton County, and especially of the good work being done by the Orange temperance societies. After singing by the choir the meeting closed with the benediction by Rev. Mr. Shenton.

County Council.

WEDNESDAY MORNING'S SESSION.

The committee on Public accounts presented bill from Deputy Sheriff Hawthorn amounting to \$11.50, which was ordered to be paid.

A bill from Dr. Currie for \$2.50 for services and medicine for a prisoner in the County jail was ordered to be paid.

Coun. Lawson presented the following resolution:—

Whereas, by resolution of this board passed at last January session, Alonzo C. Dow, then Collector of Rates for the Parish of Canterbury, was referred to as a defaulter.

And Whereas, said collector was removed from office because of his apparent default.

And Whereas, it has since transpired that Mr. Dow had paid to Mr. Wilson the sum of \$125.00 in Dec. 1889, which was not credited to him, but which was paid over to the county by Mr. Wilson on the 6th inst., and that a draft sent by Mr. Dow in Nov. 1890 for \$140.00 went astray and did not reach the Secretary-Treasurer until February last, Therefore

Resolved, that the said Alonzo C. Dow be exonerated from blame in the matter.

Resolution was carried after being discussed by Couns. Lawson, Kinghorn, Jamieson, Mowatt, Goodspeed, Nason, McNally, and Fullerton.

Coun. Fullerton referred to the fact that some hundreds of dollars had been taken from the county funds and expended for road purposes: which amount he thought should be returned to the county. \$257.70 had been refunded by the Government but over \$300.00 still remains.

Coun. Graham said that the Ex. Secy. Treas. had advanced amounts for road purposes to certain parishes in addition to regular grants which amounts were deducted from the following year's grant. The advances now amounted to \$297.07. Had the council had the spending of the road money this year, this sum could have been deducted. Had spoken to Mr. Colter about it, who would look into the matter, and was willing to refund the amount.

Coun. Pinder thought money ought to be returned, and that the people should not be assessed for it.

Coun. Goodspeed said in his parish they had asked for an advance from the Government, which advance was retained from the next year's grant. Thought the amount in the question had been advanced at the request of the Councillors.

Coun. Fullerton said if the Government would refund it all right, if not the parishes that had received the benefit of it should do so.

Coun. Nason thought the Ex. Secretary Treasurer was not to blame.

Coun. Kinghorn said the fault did not lay with the Government. They had given the amount and would not pay it again. The roads had received it.

Coun. Pinder said the money had been spent on the roads and should be deducted from next year's grant to the parishes that had received the benefit of it.

Coun. Scott said Dumfries had not received more than their share. He wanted to see the money returned to the County.

The Secy. Treas. suggested that a committee be appointed to look over the accounts for the last 5 years and find out

what parishes had received the money, and ask the Government to retain the amount.

On motion of Coun. Inch, John Billings was appointed Constable for the Parish of Bright.

Moved by Coun. Pinder, that pound district No. 11 be authorized to assess themselves a sum not exceeding \$20.00 for the erection of a pound.

Mr. Wilson asked that \$20.00, donated by him to Victoria Hospital on behalf of the County be refunded to him.

Spoken to by Coun. Fullerton, Nason, McNally and Goodspeed and on motion of Coun. Pinder the Council refused to pay it.

Coun. Goodspeed moved that Michael McNeil and Wm. Peppers be added to list of constables for the Parish of St. Mary's. Carried.

Jos. Nobles was appointed wild land commissioner for Bright on motion of Coun. McKeen.

Coun. Pinder presented a resolution expressing disapproval at the action of the Government in expending themselves this year the \$3000.00 formerly granted to the Council for road purposes.

Coun. Pinder thought this was done to punish the Council for turning Mr. Wilson out of office.

Coun. Fullerton said he would not blame the government. Had heard that the money was placed largely in the hands of the commissioners appointed by the Councillors. Believed however that the principle was wrong and would support the resolution.

Coun. Kinghorn said government would accept any suggestion as to how the money should be spent and the amount required thought the Councillors could expend the money better as they knew more about the roads.

Coun. Goodspeed said the old system had faults. Reports were not always to hand. Thought government might expend money as well as the Council. He had not found the government unwilling to take the advice of the councillors. Thought the government were not persecuting the Council, but were taking away a lever which councillors were using to persecute them. Could not blame the government. Thought they could do the work better, but there were abuses on both sides.

Coun. Scott could not agree with Mr. Goodspeed.

Coun. Goodspeed said he had only referred to the use of the money as a lever because opponents of the government had so referred to it and he thought it would be used the same in the hands of either party.

Resolution was then put and carried.

Moved by Coun. Kinghorn that a committee be appointed to ascertain the amounts advanced to parishes on account of roads, and also to which parishes said advances had been made, with a view to having the \$307.77 returned to the county. Carried.

Wm. Henry was appointed Collector of Rates in the Parish of Prince William.

Wm. Gould was appointed field driver in Dist. 14, North Lake.

Coun. Pinder presented a petition asking that a bye-law be passed prohibiting cattle from running at large in Campbell Settlement.

On motion of Coun. Pinder a bye-law was passed as asked for in petition.

On motion Wm. B. Christy was exonerated from blame as collector.

Coun. Nason of the committee to enquire into the Fredericton Branch Railway lease
