

ST. ANDREWS AND QUEBEC RAILWAY.—We learn from the *Standard*, that the annual general meeting of the Stockholders of the St. Andrews and Quebec Railroad Company was held at St. Andrews on Tuesday last, for the purpose of electing Directors, and laying a report of the proceedings of the Company before the Stockholders. The President, John Wilson, Esq., explained the object of the meeting; after which the Secretary read a full, clear and satisfactory Report of the Directors' proceedings for the past year, which was unanimously adopted. The following gentlemen were then elected Directors for the ensuing year, viz:

Rear Admiral W. F. W. Owen; Hon. H. Hatch; Hon. George S. Hill; Capt. J. J. Robinson, R. N.; John Wilson, Charles Connell, George D. Street, Harris H. Hatch, George J. Thomson, Thomas Moses, John Farmer, Edw. Wilson, J. R. Tupper, Esquires.

Messrs. F. A. Baheock, R. Ker, Wm. Mahood and T. Berry, were appointed a committee to examine and report upon the accounts for the past year.

At a subsequent meeting of the Directors the following office-bearers were re-appointed:

John Wilson, Esq., President;
John Rodger, Esq., Treasurer;
S. H. Whitlock, Esq., Secretary.

The Contractors, with carts and machinery for the work, arrived at St. Andrews this week, and this important undertaking was commenced on Thursday last.

A startling discovery, confirmatory of the truth of the book of Jonah, has been made by Mr. Layard. In excavating the city of Nineveh he discovered the name of Jonah inscribed upon the ruins. That prophet, as our readers know, was sent to announce to the people of Nineveh the destruction of the city. His eloquence converted many of them, and "God repented him" of the doom He had pronounced, and spared the city for that time. Jonah then became the prophet of Nineveh, and was revered by the inhabitants. As was the Oriental custom, they doubtless inscribed his name in conspicuous places on the walls of the public edifices, and the inscriptions engraved by Assyrian hands a thousand years before the Christian era, have been found by Mr. Layard. This is one of the most extraordinary demonstrations of the accuracy of Biblical history we have ever heard of.

As yet we have only seen the beginning of the end.—The city of Nineveh has scarcely yet been entered, and when the excavations shall have been completed, if Mahometan jealousy should ever permit that consummation, we may expect illustrations of the prophecies that will strike the world with awe and wonder.

Great credit is due to the British government for the munificent spirit they have exhibited in aiding the labors of Mr. Layard—placing at his command vessels for the navigation of the Euphrates, conveying to England the magnificent sculptures which he has disinterred, and affording him every facility which money or British authority could secure. We should be glad to see a similar spirit exhibited by the government of this country in reference to American antiquities.—(*Sunday Times*.)

The editor of an American paper says, he never saw but one ghost, and that was the ghost of a sinner who died without paying for his paper. "Twas terrible to look upon!"
